BIO FAIR-2015

"Biodiversity Products and Industrial Applications"

(BPIA-2015)

28th & 29th September 2015

Organized by

**Centre for Biodiversity and
Forest Studies
Periyar University**
Reaccredited with 'A' grade
(CGPA 3.15) by NAAC

Periyar Palkalai Nagar
Salem - 636 011
Tamil Nadu, INDIA

About the University

Periyar University was established by the Act 45 of Government of Tamil Nadu in 1997. The University is named after a renowned social reformer popularly called "Periyar". The University Grants Commission, New Delhi bestowed the 2f status in the year 1998 and 12(B) status in the year 2005 to the Periyar University. The University certified / Re-accredited by NAAC with A grade in 2015. The University imparts value based education to students especially in four districts of Tamil Nadu namely Salem, Namakkal, Dharmapuri and Krishnagiri. There are twenty four departments belongs to eight schools in the University.

About the Centre

The Centre for Biodiversity and Forest Studies started in the year 2011. Our Centre is establishing the Biodiversity Park in the Periyar University Campus very successfully. The Garden encompasses a number of rare and endangered flora, ornamental and medicinal plant species which have been conserved. Biodiversity museum covers the specimens of rare and endangered species (Algae, Fungi, Bryophytes, Pteridophytes, Gymnosperms and Angiosperms).

Significance of the Seminar

Biodiversity is fundamental to the security of resources. Biological sources endow with many industrial materials. As a result, biodiversity loss is a significant risk factor in business development and a threat to long term economic sustainability. This event is to sensitize about Biodiversity products and to highlight the importance of its Industrial applications.

Themes

- ❖ Biodiversity and Industry
- ❖ Biodiversity and Natural Products
