Advertisement for the Position of JRF (Non-NET) in DST-WTI Project

Applications are invited from eligible candidates willing to join as a Junior Research Fellow (JRF Non-NET) in the Department of Science and Technology-Water Technology Initiative (DST-WTI) project undertaken by Dr. Kumarasamy Murugesan (Principal Investigator), Professor & Head, Department of Environmental Science, Periyar University, Salem - 636 011.

Title of the Project: "Development of an Innovative Bioprocess for Treatment and Recycling of Domestic and Industrial Wastewater".

No. of JRF (Non-NET) position available: One (01)

Eligibility: M.Sc. in Environmental Science / Microbiology / Biotechnology with 60% marks or equivalent CGPA.

Fellowship: Rs. 14,400 / month (sanctioned by the funding agency).

Duration: Three years. The JRF (non-NET) appointment will be on a purely temporary basis and co-terminus with the project.

Interested candidates can send their detailed Curriculum Vitae (CV), copies of Degree Certificates / Mark Statements, and Research Experience to the Principal Investigator by post or email on or before **25 May 2017**. Shortlisted candidates will be informed only by e-mail/Mobile. No separate letter will be issued for the interview. No TA/DA will be paid for the interview. The candidate selected for the position of JRF (non-NET) will have the option to register for Ph.D. programme in Environmental Science / Interdisciplinary Science at Periyar University as per the University guidelines.

Desirable Experience: Candidates who have good knowledge of wastewater treatment process and relevant research experience would be preferred.
