The Periyar University PG Extension Centre at Dharmapuri offers eight Postgraduate programmes with the departments having regular faculty.

Throughout his life, Thanthai Periyar advocated the cause of rational thinking and the need to have self respect. He incessantly toiled to restore social justice, liberating the downtrodden and Women's liberation and the priority of one's mother tongue were also his chief concerns. To keep alive and promote these ideas the Periyar Chair was created in 1998.

The Periyar Institute of Administrative Studies (PERIAS) started in March 2009, trains the students to appear for preliminary and main examinations of the Central Civil Services. The Institute has plans to expand its activities so that training for employment of weaker in sections other than civil services is also facilitated.

The "Anna Chair" instituted in May 2009 is devoted to the study of the thoughts and ideas of Thiru C.N. Annadurai to ensure empowerment and development of the children, youth and women. The focus is on social issues and upliftment of the poor.

The University also has centres for Women Studies, IAS/IPS coaching for SC/ST students, NET/SLET coaching, Entrepreneurship Development, Instrumentation Maintenance Facility, Biodiversity and Forest Studies,

Remedial Coaching Centre, Vivekanandha Studies, Tamil Computing, New Renewable Energy.

To nurture entrepreneurial skills among students and public, an “Entrepreneurship Development cell” has been functioning since 2011-2012. The Government of Tamil Nadu has granted Rs. 20 lakhs in 2012-13 for promoting activities of this cell.

The Periyar Institute of Distance Education (PRIDE) is rendering a great service by giving education to the masses who cannot afford a regular college education. It has a network of one hundred and ninety two study centres.

Periyar University has taken the significant step of promoting inter disciplinary study and research. The departments has been clustered into schools in order to identify and work on productive intersections between disciplines. The schools offer certificate and diploma programmes of interdisciplinary nature designed by the Boards of Studies exclusively constituted for the purpose.

At present 4 departments have SAP sanctioned by the UGC and 7 departments have FIST programme sanctioned by DST. The departments of Textiles and Apparel Design, and Food Science and Nutrition have been granted Rs. 1.5 crores to run the B.Voc Programme in the respective disciplines.

The schools, departments, centres, cells, institutes and Chairs contribute their best through academic, research and extension activities. The University is playing a paramount role in bringing multi-faceted development for the country. It is consistently organising various academic activities to bring researchers, scholars and activities under one umbrella to discuss, deliberate and carve out time-demanding solutions to social problems.

A unique feature of Periyar University is its village adoptive scheme. The University has undertaken the task of training the youth of Dharmapuri district under the Socio Exconomic Development Programme funded by the Government of Tamil Nadu.

The University has tie-ups with various academic, research institutes and universities across the world to stay up to date on quality benchmarks.
