

# M.A Journalism and Mass Communication

[from academic year 2016-17 and thereafter]

## OVERALL SCHEMA

	Subject Code	Course	Title of the Paper
<b>Semester I</b>	JMC C01	Core I	Communication-Theories and Models
	JMC C02	Core II	News Reporting and Editing
	JMC C03	Core III	Media Content Analysis
	JMC EP1	Elective Practical I	Print Production
	JMC P01	Practical I	Editorial Practice
	<b>Semester II</b>	JMC C04	Core IV
JMC C05		Core V	Media, Society and Culture
JMC E01		Elective II	Communication for Development
JMC P02		Practical II	Professional Photography
JMC P03		Practical III	Internship I *
Supportive		Chosen by the Student	
Human Rights		Compulsory Paper for ALL students	
<i>* Viva voce will be conducted in the IV semester</i>			
<b>Semester III</b>	JMC C06	Core VI	Broadcasting
	JMC C07	Core VII	New Media Studies
	JMC E03	Elective III	Film Studies
	JMC P04	Practical IV	Television Production - Practical
	JMC P05	Practical V	Documentary / Short Film
	Supportive	Chosen by the Student	
	JMC P06	Practical VI	Lab Journal *
	JMC P03	Practical III	Internship II **
	<i>*&amp;** Viva voce will be conducted in the IV semester</i>		
<b>Semester IV</b>	JMC C08	Core VIII	Communication Research Methods
	JMC E04	Elective IV	Media Laws and Contemporary Issues
	JMC P06	Practical VI	Lab Journal
	JMC P03	Practical III	Internship I and II
	JMC PP1	Project	Project Study

# Semester I

JMC C01

## Communication Theories and Models

### UNIT-I

Elements of communication – definitions; nature and process of communication; forms of communication – intra-personal .interpersonal, group and mass communication; purpose of communication, barriers of communication, communication and change, communication and society.

## Television Production (Practical)

**List of Practical: Student has to choose any two topics given below**

1. Produce one segment of a '*Talk Show*' not exceeding 10 minutes.
2. Produce one segment of an '*interview*' not exceeding 10 minutes.
3. Produce one *news capsule* for a typical news bulletin not exceeding 10 minutes.
4. Produce one segment of a '*Children's Programme*' not exceeding 10 minutes.
5. Produce a minimum of five *Public Service Advertisements* of one minute each.

1. Each student should do **two** individual projects and submit the record and the program. The script record should be in bound book form and TV commercial must be submitted in DVD.
2. Each script in the Record should contain

Script Development

- Title
- Concept (log line, one liner)
- Synopsis
- Treatment
- Step outline

Screenplay Development

- Slug line
- Action (Video Description)
- Character Name
- Dialogue

Sample script with storyboard

Shooting Script

Editing Script

Scheduling

Approximate Budget details

3. All the above sub activities will carry marks evidenced from the record work submitted by the student.

## Documentary / Short Film

1. Students should write original Documentary/Short film scripts for at-least 3 issues of duration not more than 5 minutes inclusive of credit lines. Concepts may be of about environmental issues, Social Issues, Any particular place etc.
2. Shoot one of the best scripts among the three concepts as the Documentary / Short film project.
3. Each student should do individual project containing the record and the program. The script record should be in the book binding form and Documentary/ Short film must be submitted in DVD.

4. Each script in the Record should contain

### Script Development

- Title
- Concept (log line, one liner)
- Synopsis
- Treatment

Mention the type of approach opted

Narration

Voice over Script

Shooting Script (if it is planned approach)

Screenplay Development

- Slug line
- Action (Video Description)
- Character Name
- Dialogue

Sample script with storyboard

Editing Script

Scheduling

Approximate Budget details

Photographs of Documentary / Short film Making

4. All the above sub activities will carry marks evidenced from the record work submitted by the student.

## **Semester IV**

**JMC C08**

### **COMMUNICATION RESEARCH METHODS**

#### **UNIT I**

Nature and meaning of research – types of research - pure and applied – types of communication research - print and electronic media research,

#### **UNIT II**

Review of related literature - defining research problem - research objectives - hypothesis, meaning, characteristics and importance - research design - sampling: meaning & types of sampling, probability & non-probability – types of probability sampling,

#### **UNIT III**

Types of research – survey research, content analysis, historical research, experimental research, ratings research, and non-ratings research, field study,

#### **UNIT IV**

Data collection - questionnaire, interview guide, observation methods, rating scales,

#### **UNIT V**

Data analysis - statistical analysis – use of pre-programmes computer packages for analysis – SPSS, writing research report, organization, use of graphics & visual material,

#### **REFERENCE**

**JMCP06**

## **Lab Journal**

Total Marks: 100

*(Internal Assessment: 40, End Semester evaluation with External examiner: 60)*

All the student will bring out one issue of KANNADI the bilingual student practice journal of the Department of Journalism and Mass Communication. 4 pages in A3 size.

The student editor will assign stories edited them paginated and bring out the issue.

The students will cover all the events happening inside Periyar University campus.

They should not resort to cut and paste job from the net.

All the photography will be caption and all stories headlined.

The lab journal will be evaluated for the quality of timeliness makeup reporting, sub editing, proofreading and overall tone and value.

# Internship Report

## JMCP03

For a period of minimum period of four weeks during summer vacation [150 Hours of Work experience].

Students will be attached to the media industry on an internship basis, with the objective to expose them to actual situations and day to day functioning of the media industry.

The Interns will be exposed to the particular area of specialization already chosen.

The faculty of the department in coordination will closely monitor progress of the interns with the guides in the media industry.

A report and a viva voce will be complete the process of evaluation.

Project reviews will be conducted during the internship project on regular intervals which should consist of

- Weekly report and daily work diary
- Final Internship Presentation
- Internship Record

All the internship records will be evaluated independently along with an external expert in the fourth semester. The students demonstrate their skills acquired in the training and provide explanation to queries made by external examiners.

## **JMCPPI**

### **Project Study- (Dissertation)**

Total Marks: 100

*(Internal Assessment: 40, End Semester evaluation with External examiner: 60)*

Every student has to work on a research project under the supervision of a faculty member.

The research must be about or related to the subject matter of journalism or mass communication.

A written dissertation of about 10000 words must be submitted by the end of the semester.

The thesis will be typed in Times Roman 12 pts with 1.5 line space following APA style manual. The report will also have certificate, declaration, acknowledgement, contents page and a one page abstract in hard binding finish. The report will necessarily have 50-60 pages of content.

The written dissertation will be evaluated by the research guide and External Examiner, appointed by Periyar University for 60 marks with continuous internal assessment by the research supervisor for 40 marks.

Viva-voce based on dissertation will be conducted by the External Examiner and the research guide.

Dissertations generally follow a fairly standard structure. The following part discusses each of these in turn, and gives more detailed advice about how to prepare and write each one:

Research Proposal usually of about a page in synoptic form for discussion with the supervisor is approved for pursuance after a thorough discussion. The research is conducted supervised by the guide; data collected, analysed situated in a theoretical framework and the results are discussed for logical conclusion. The dissertation will usually consist of the following chapters;

- Introduction
- Literature Review
- Methodology
- Data presentation and analysis
- Result and Discussion
- Conclusions and Recommendation
- Reference
- Appendices
