About the University

Periyar University was established in September 1997 in the name of "Thanthai Periyar", a great social reformer of Tamil Nadu, to cater the educational needs of the people in Salem, Namakkal, Dharmapuri and Krishnagiri districts. The university aims at developing knowledge at various fields to realize the maxim inscribed in the logo "Arival Vilayum Ulagu". The University has been reaccruited by the NAAC with 'A' Grade in the year 2015. According to "India Rankings 2018" released by NIRF, Periyar University has secured 90th rank among 722 universities in the country.

About the Department

The Department of Mathematics is one of the Departments functioning from the inception of Periyar University. The Department offers programmes of study and research leading to M.Sc., M.Phil., and Ph.D. degrees and is on a relentless march towards academic excellence. It is also supported by UGC-SAP and DST-FIST. The Department conducts various research activities in the following areas:

- Algebra
- Graph Theory
- Differential & Difference Equations
- Control Theory
- Numerical Analysis
- Mathematical Biology

Theme

Analysis is devoted to the field of mathematical analysis, in particular classical analysis and its applications. This area provides a significant input into all other areas of mathematics, both pure and applied. The main aim of this workshop is to bring together Indian mathematicians working in mathematical analysis and its related topics to learn a good mathematical background for their research and to update themselves with the latest in the field of Analysis.

Venue & Location

The Workshop will be held at the Department of Mathematics, Periyar University, Salem. The University is situated in the Bangalore - Kanyakumari National High way (NH 7) at a distance of 10 Kms North West of Salem and 350 Kms South West of Chennai in the Chennai - National High way (NH 7) at a distance of 10 Kms North West of Salem and 350 Kms South West of Chennai in the Chennai - Coimbatore Railway line.
