NATIONAL CONFERENCE ON Recent Trends in Sustainable Energy and Environment Research NCRTSEER-2023

March 30, 2023

Organized By

**Department of
Energy Science & Technology
Periyar University**

State University - NAAC 'A++' Grade - NIRF Rank 63 - ARIIA Rank 10
Salem, Tamil Nadu.

ABOUT THE UNIVERSITY

The Government of Tamil Nadu established Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri, and Krishnagiri. The University obtained 12(B) and 2(f) status from the University Grants Commission, New Delhi and it was reaccredited by the NAAC with “A++” Grade in 2021. The University secured 63rd rank among Indian Universities by MoE NIRF 2022.

The University is named after the Great Social Reformer E.V. Ramasamy, affectionately called as “Thanthai Periyar”. The University aims at developing knowledge in various fields to realize the maxim inscribed in the logo “Arival Vilayum Ulagu” (Wisdom Maketh the World). “Holistic development of the students” is the primary objective of the University.

Periyar University has taken the significant step in promoting interdisciplinary study and research. The Departments have been clustered into schools in order to identify and work on productive intersections between disciplines.

The University has tieups with a number of academic, research institutes, and universities across the world to stay up to date on quality benchmarks.

DEPARTMENT OF ENERGY SCIENCE AND TECHNOLOGY

The Department of Energy science and technology was established in the year 2015 with major intention of promoting quality education in the arena of renewable energy. The rapid depletion of conventional energy sources due to worldwide increase in fossil fuel-based road transport, industrial activity, and power generation demands a predominant need for the alternate and renewable energy. In the quest to reach this ultimatum, a postgraduate in energy science and research Programme are offered by the Department of Energy Science and Technology.

In the year 2019, with a mission to provide manpower with knowledge and skill for the growth of India's energy sector with innovative energy technologies, the department has started to a new course M.Tech Energy Technology with the approval of AICTE New Delhi effective from 2019-20 academic years onwards.

CONFERENCE OBJECTIVE

The purpose of this conference is to provide a forum for leading academics and professionals in the fields of energy, environment and sustainable development to interact and share their knowledge on future research. This platform will debate and promote their research outcomes to advance the field. Thus, it gives young researchers the opportunity to learn from experts.
