ABOUT THE EVENT

The G20 highlights the importance of education and skills development to foster economic growth and improve employment prospects. These competitions not only provide a platform to showcase your game development talents but also offer opportunities for networking, feedback, and recognition within the industry.

Calling all game developers, enthusiasts, and creative minds! We cordially invite you to an extraordinary event dedicated to the development of games inspired by the rich heritage of Tamil board games. Prepare to embark on a captivating journey where imagination meets the cultural tapestry of Tamil Nadu, as we create digital games that pay homage to these cherished traditions.

REGISTRATION : FREE

ABOUT THE UNIVERSITY

The Government of Tamil Nadu established Periyar University at Salem on 17- September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri and Krishnagiri. The University Grants Commission bestowed 12(B) and 2f status to the Periyar University. NAAC reaccredited the University with "A++" Grade in 2023. The University bagged 59th rank among Indian Universities by MHRD NIRF innovation Band of 11-50. The University is named after the Great Social Reformer E.V.Ramasamy, affectionally called "Thanthai Periyar". He fought for the cause of protecting and promoting the interest of the oppressed and the downtrodden in India especially in Tamilnadu. One of his missions was to provide equal opportunity for all including the oppressed and the downtrodden in education and employment. The University has 27 Departments, 117 Affiliated Colleges, and one PG Extension Centre offering various UG, PG, M.Phil, and Ph.D. programmes.

ABOUT THE DEPARTEMENT

The Department of Computer Science was established in the year 2002, with the objective of imparting high quality education in the domain of Computer Science and Applications. The Department received Rs.81.50 Lakhs under Special Assistance Programme (SAP) DRS-Phase II from UGC in the year 2018. With rapidly evolving technology and the continuous need for innovation, the Department has always produced quality Professionals, holding important positions in Information Technology industries in India and abroad.

The Department currently offers academic programmes leading to the award of M.C.A., M.Sc. (CS), M.Sc(DS), M.Phil., Ph.D. and B.Voc (AR and VR). The Department is imparting placement linked skill based training for graduates with free of cost under DDU- GKY and TNSDC. The mission of the Department of Computer Science is to impart high quality post graduate education and carry out leading edge research in various research areas such as image processing, Pattern Recognition, Data Mining, Mobile Computing, Bio informatics and Artificial intelligence(AI).
