## INTERNAL QUALITY ASSURANCE CELL

### Department-wise Action Taken Report on Feedback (2021-2022)

IQAC collected feedbacks for the academic year 2021-2022 for all the departments of the university, from all stakeholders. It was further categorized and analyzed.

IQAC communicated the observation to all the Heads of the Departments of the university and asked for the recommendations from every department separately for each category of stakeholders.

**The major recommendations received from the departments are:**

- Revision of Syllabus
- Training and Placements
- Hostel facilities
- Sports and Extracurricular activities
- Internet facility in the University
- Wi-Fi facility in classroom

#### **Action Taken by IQAC:**

The IQAC and the Registrar with all the recommendations collected and considered regarding the syllabus content, directed all the Heads of the Department to incorporate the recommendations from the departments in the forthcoming Board of Studies.

Training and placements cell in every department is asked to carryout trainings in various areas to place students in topnotch industries. Actions have been taken to incorporate medical emergency in all the hostels. The Sports and Extracurricular activities in the University is asked to carry out more often on regular basis by the concern departments and Clubs. The University has decided to provide Internet facilities throughout the campus. It is also planned to upgrade all the classrooms with LAN or Wi-Fi facility.

Sir,

The following recommendations are recorded and forwarded to IQAC for its further action

Stakeholders	Observations	Recommendations
Student	The learners are gratified with the syllabus and the overall facilities provided in the University.	Positive observation is highly acknowledged.
Teacher	Teachers have appreciated the overall curriculum and the facilities that are made available in the University. However, steps should be taken to maintain positive environment to share knowledge among teaching faculty. Environment for research and support for professional development should be improved in the department.	The faculty members to associate in upgrading the positive environment for research and to further support professional development for the upgrading of the department.
Alumni	The alumni of the department have tremendously appreciated the syllabus updated according to the contemporary needs and the facilities available for the students both in the department and the University.	As per the alumni feedback we acknowledge the positive response and we would like to upgrade further network with the alumni.
Employer	Employers have given highly positive ratings for curriculum, Fundamental skills and Entrepreneurial skills for the graduates from the University. Legal knowledge in concern area, research skills and etiquettes of the former students from the University is also highly commendable. However, 'People and personal skills' of the graduated need further improvement.	Further steps will be taken in to consideration for upgrading the personal skills.

Sir,

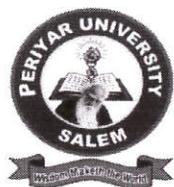

The following recommendations are recorded and forwarded to IQAC for its further action.

Stakeholders	Observations	Recommendations
Student	The learners in the department are gratified with the syllabus and the overall facilities provided in the University.	Further actions have been taken to augment the facilities and enrich the curriculum through students' learning experiences and feedback.
Teacher	Lecturers have appreciated the overall curriculum and the facilities that are made available.	Actions have been taken to provide the facilities, opportunities to improve their teaching activities and develop new courses to enrich the curriculum as per the recent trends in Environmental Science.
Alumni	The former students of the department have tremendously appreciated the syllabus updated according to the contemporary needs and the facilities available for the students both in the department and the University.	The alumni students' feedback has been well taken to design the new courses and revise the curriculum. Also, the laboratory facilities have been updated, and continuous actions have been taken to augment the research facilities.
Employer	Employers have given highly positive ratings for Curriculum, Fundamental Skills and Entrepreneurial Skills for the graduates from the University. Legal knowledge in concern area, Research Skills and Etiquettes of the former students from the University is also highly commendable. However, 'People and Personal Skills' of the graduates need further improvement.	Employers' observations have been well considered, and actions have been taken to improve the students' personal skills. To enhance their personal skills, students are provided with various soft skills. This would help students' career and employers' requirements.

To  
The Director  
Internal Quality Assurance Cell  
Periyar University  
Salem – 636 011

Sir,  
The following recommendations are recorded and forwarded to IQAC for its further action.

Stakeholders	Observation	Recommendations
Student	The learners are gratified with the syllabus and the overall facilities provided in the University and the Department.	The recommendations made in the previous academic year, such as industrial visits, industry-institution collaborations, and industry-expert seminars, have been successfully implemented, resulting in increased student satisfaction. These initiatives will continue to be organised on a larger scale in the future to further enhance the informative expertise of students.
Teacher	Teachers have appreciated the overall curriculum and the facilities that are made available to them.	In order to enhance the calibre of students, we intend to design and implement a curriculum that is tailored to meet the requirements of the industry. This curriculum will encompass training sessions and will be optimised for effective implementation.
Alumni	The former students of the department have appreciated the syllabus updated according to the contemporary needs and the facilities available for the students both in the department and the University. However, they have suggested to modify the syllabus that shall be helpful for competitive exams and the training and placement has to be improved a lot in the department	The internship programme and placement training will be provided in a structured curriculum to help students prepare for careers in this industry. Regular training sessions and seminars will concentrate on building professional behaviour and obtaining the skills required to succeed in competitive assessments.

Employer	Employers have given highly positive ratings for Curriculum, Fundamental Skills and Entrepreneurial Skills for the graduates from the University. Legal knowledge in concern area, Research Skills and Etiquettes of the former students from the University is also high commendable. However 'People and personal Skills' of the graduates need further improvement.	The curriculum will prioritise the cultivation of a diverse set of competencies like communication, problem-solving, teamwork, leadership, adaptability, creativity, mentorship, personal development planning, and critical thinking to equip students with the tools necessary to achieve success in both their personal and professional endeavours.

STAKEHOLDERS	OBSERVATION	RECOMMENDATIONS
Student	The Students of the Department are happy and satisfied with the Curriculum and the facilities provided by the Department and University. Nevertheless, Job perspective in the syllabus should be improved Additionally, Hostel facilities and importance to sports should be increased.	The syllabus revised for 2022-2023 has incorporated the media journalistic skills necessary for employment in the media industry.
Teacher	Teachers have appreciated the overall curriculum and the facilities that are made available.	Teachers continue to work for the welfare of the students.
Alumini	The Alumini of the department have tremendously appreciated the syllabus updated according to the contemporary needs and the facilities available for the student both in the department and the University. Former students have suggested that the Internet facilities within the campus should be improvised and it is to be ensured that the canteen should be spacious and hygienic.	The Department of JMC request the administration to improve the canteen wherein student will be able to work with their Laptops and to improve internet connectivity throughout the campus.
Employer	Employers have given highly positive ratings for Curriculum, Fundamental skills and Entrepreneurial skills for the graduates from the University. Legal knowledge in concern area, Research Skills and Etiquettes of the former students Skills' of the graduates need further improvement.	The Department has taken initiatives to improve the interpersonal skills of the students through theatre arts.

Department observation based on the feedback of stakeholders

Academic Year 2021-2022

Stakeholders	Observation	Recommendations
Student	The students of the department are happy and satisfied with the curriculum and the facilities provided by the department and University. But they also feel that sports should also be given equal importance.	Exclusively sports hour has been included in the time table of Academic Year 2022-2023 to motivate the student for various sports competence
Teacher	Teachers have applauded the overall curriculum and the facilities that are made available.	-
Alumni	The former students of the department have tremendously appreciated the syllabus updated according to the contemporary needs and the facilities available for the students both in the department and the University.	-
Employer	Employers have given highly positive ratings for Curriculum, Fundamental Skills and Entrepreneurial Skills for the graduates from the University. Legal knowledge in concern area, Research Skills and Etiquettes of the former students from the University is also highly commendable. However "People and Personal Skills" of the graduates need further improvement.	The adequate measures have been taken to upscale the personal and professional skills in the Academic Year 2022-2023.

Sir,

The following recommendations are recorded and forwarded to IQAC for its further action.

Stakeholders	Observations	Recommendations
Student	The students of the department are happy and satisfied with the curriculum and the facilities provided by the department and University.	The curriculum is to be updated as per the prime need of the student community and this will be continued in forthcoming syllabus updating.
Teacher	Lecturers have appreciated the overall curriculum and the facilities that are made available.	The facilities and infrastructure of the department and laboratories are to be improved as per the requirements as and when needed.
Alumni	The alumni of the department have tremendously appreciated the syllabus updated according to the contemporary needs and the facilities available for the students both in the department and the University.	Utilization of alumni's skill, knowledge and expertise by means of interaction sessions with present students. Regular alumni meet may be organized as per the convenience of the alumni.
Employer	Employers have given highly positive ratings for Curriculum, Fundamental Skills and Entrepreneurial Skills for the graduates from the University. Legal knowledge in concern area, Research Skills and Etiquettes of the former students from the University is also highly commendable. However 'People and Personal Skills' of the graduates need further improvement.	Based on the requirements of the employers, the skill training to be organized by the placement cell. 'People and Personal Skills' of the students to be conducted during the course of study itself for the betterment of the graduates working in an organization.
