TEN DAYS RESEARCH METHODOLOGY COURSE IN SOCIAL SCIENCES

Organized by
**Department of Library and Information Science
Periyar University**

APPLICATION / REGISTRATION FORM

Name (BLOCK LETTERS) : _____

Gender : _____

Category (SC/ST/OBC/Others): _____

Year of admission to M.Phil. / Ph.D. / PDF course: _____

Name of the University/College/Institution where registered: _____

Title of your M.Phil. / Ph.D. / PDF: _____

Have you attended a similar workshop before (Yes/No)? _____

Do you require accommodation (Yes/No)? _____

Address for Correspondence : _____

Email id : _____

Contact No : _____

Signature of the Supervisor/HOD Signature of the Participant

(Note: Please fill in all the details in the form, and send a scanned copy of this form along with your bio- data, Copy of Ph.D./ M.Phil./ PDF Registration certificate, Community certificate and a write up stating the reasons for participation in the workshop in 1 page at nrkrishnan@periyaruniversity.ac.in

ABOUT THE UNIVERSITY

The Government of Tamil Nadu established Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri, and Krishnagiri. The University obtained 12(B) and 2(f) status from the University Grants Commission, New Delhi and it was re-accredited by the NAAC with an "A++" Grade in 2021. The University secured 59th rank among the Indian Universities by MoE-NIRF 2021. The University has 27 departments and 113 affiliated colleges.

ABOUT THE DEPARTMENT

The Department of Library and Information Science was established in 2011. The Department has a full-fledged, dedicated, and committed team of faculty members with rich teaching and research experience. The Syllabus coverage in the department is on par with the international standards. The multimedia technology is used in regular classes, The programmes offered by the Department are M.Lib.I.Sc two year CBCS programme, and Ph.D (Research Programme). All the passed out students got well placed in the leading academic institutions and research institutions with decent pay and perks. The main objectives of the department are to educate students for their career development and make them better professionals with high calibre for taking charge in the positions like Head of Library Services, Information officers, Information Executive, Information Scientists, Information Analyst, Documentation Officers, Knowledge Managers, Librarians and Assistant Librarian.

ABOUT THE COURSE

CONCEPT NOTE

Quality research is possible only when the researchers undergo systematic training and orientation. Research methodology is a structured framework of conducting research in order to address various issues in a scientific way. Therefore, it is imperative for the researchers to understand research methodology and various applications of contemporary statistical techniques for conducting research. Keeping this in view, the proposed workshop has the objective of enhancing research skills of the scholars and provides a unique opportunity to the participants to get them equipped in research methods.

OBJECTIVES

The key objectives of the course are:

- To enable the participants, comprehend the importance and process of research.
- To provide inputs about developing theoretical and methodological framework of research, conceptualization and framing of research questions.
- To enhance the analytical skills for research and apply right tools and techniques while conducting research.
- To enable the participants, understand the mechanics of writing a research paper.

COVERAGE

- Research Basics.
- Identifying and defining research problem.
- Literature review.
- Formulating an appropriate research design.
- Formulation of objectives and hypotheses.
- Approaches of data collection.
- Data editing, coding and processing.
- Data analysis using Statistical software.
- Hypothesis testing.
- Interpretation of findings.
- Report/ Thesis writing.
- Writing Research papers, etc.

ELIGIBILITY CRITERIA:

The course is for research scholars who pursue M.Phil./Ph.D./PDF in Social Sciences in recognized Universities and research institutions. The broad disciplines within the domain of Social Sciences include Sociology, Social Anthropology, Social Work and Criminology; Political Science/Public Administration; Economics; International Relations; Social Geography and Population Studies; Commerce and Management; Education; Social Linguistics and Cultural Studies; Law and International Law; National Security & Strategic Studies; Library and Information Science any other allied subjects in social sciences.

PLEASE NOTE:

- There will be a maximum of 30 seats: 20 for outstation and 10 for local participants.
- The selection to the course will be made as per ICSSR guidelines. However, to make the course interdisciplinary in nature, participants will be selected from amongst different disciplines of social sciences.
- No leave of any kind is permissible during the course period.

REGISTRATION FEE:

There is no registration fee for the selected participants.

ACCOMMODATION & TRAVEL ALLOWANCE:

Modest accommodation will be provided to the outstation participants only. Travel allowance by the shortest distance will be reimbursed to the outstation participants as per the ICSSR guidelines subject to the production of ticket.
