## ABOUT THE UNIVERSITY

The Government of Tamil Nadu established Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri, and Krishnagiri. The University obtained 12(B) and 2(f) status from the University Grants Commission, New Delhi and it was reaccredited by the NAAC with “A++” Grade in 2021(3rd cycle). The University secured 59th rank among Indian Universities by MoE NIRF 2023. The University is named after the Great Social Reformer E.V. Ramasamy, affectionately called as “Thanthai Periyar”. The University aims at developing knowledge in various fields to realize the maxim inscribed in the logo “Arival Vilayum Ulagu” (Wisdom Maketh the World). “Holistic development of the students” is the primary objective of the University.

## ABOUT THE DEPARTMENT

The Department of Mathematics is one of the departments functioning from the inception of Periyar University. The Department offers programmes of study and research leading to M.Sc., M.Phil., and Ph.D. degrees and is on a relentless march towards academic excellence. Based on the contributions towards research, UGC has granted SAP, DST has granted FIST and NBHM granted library grant to this department. The Department conducts various research activities in the areas of Algebra, Differential Equations, Difference Equations, Graph Theory and Mathematical Biology.

## ABOUT THE SEMINAR

The National Seminar on Recent Advances in Mathematics (NSRAM-2024) aims to afford a platform for mathematicians, researchers, and academicians from various research organizations to present their work and to share experiences and ideas in the emerging areas of Mathematics to promote scientific interaction and promoting the mobility of senior and young academics and research students. Furthermore, it will include lectures by invited renowned mathematicians as well as opportunities for young researchers to present their most recent work.

## CALL FOR PAPERS

NSRAM-2024 invites research contributions describing original and unpublished results in any area of Mathematics for presentation at the seminar. The contributor must submit a brief abstract (both pdf and tex) not exceeding 300 words using the LATEX template ([click here](#)) on or before **March 3, 2024**, in the registration form. All abstracts will be reviewed, and a notification of acceptance will be sent to the contributor within 4/5 days of submission. The duration of presentation shall be 8 minutes for presentation and 2 minutes for interaction.
