Project at P.G. level is essentially an experience in Historical Research. It provides opportunity to the student for an independent source-based study. It also facilitates the development of subject skills to acquire select and synthesize relevant and appropriate knowledge in a range of historical evidence in a critical manner. It is hoped that this exercise would develop transferable skills with independence of mind, communication skills and ability to work in a self-disciplined way.

Each student has to do a project/dissertation in the range of 9,000 – 10,000 words including references and excluding Bibliography.

Each student should work under a faculty allotted by the Department. After completion of the project there will be a Viva Voce Examination.
