## STAKEHOLDERS FEEDBACK ANALYSIS REPORT - ALUMNI FEEDBACK (2022-23)

OBSERVATION	ACTION TAKEN
A few alumni proposed improvements in fostering needs and entrepreneurial skills in the syllabus.	The observation is acknowledged. Soft skill training and placement opportunities will be implemented accordingly.
Some of the alumni suggested improvements in pre-placement training, on-site induction, and soft skill training.	Many have planned to sign MoUs with various organisations and institutions for the development of soft skills, induction internships, pre-placement training, and employability.
Some of the alumni recommended a change for better classrooms with smart boards and Wi-Fi facilities.	Proposals and requisitions are made to the administration.
Very few alumni advocated multidisciplinary in the current programmes.	Initiatives are taken to collaborate with other departments for research and learning.
Most of the alumni encouraged adequate clean water facilities, health care facilities, and a hygienic environment at the hostel.	Decisions were taken to provide clean water, immediate health care facilities, and maintain a hygienic campus.
