Stakeholders Feedback Analysis Report – Action Taken Report 2024-25

Alumni Feedback Analysis Report

Observation	Action Taken
Alumni expect the curriculum to be more closely aligned with practical professional demands, ensuring that students are better prepared for real world careers.	The curriculum has been reviewed and updated to include more practical components, industry relevant case studies and skill-based courses to better align academic learning with real-world professional requirements.
Alumni hope for stronger soft skills and leadership development programs that effectively enhance graduates' professional growth and readiness for the workplace.	Soft skills and leadership development programs will be strengthened in the upcoming academic year through specialized workshops, guest lectures and training sessions to enhance graduates' professional growth and workplace readiness.
Alumni seek improved placement support and greater industry exposure to facilitate better career opportunities and smoother transitions into the workforce.	Placement support activities will be enhanced in the upcoming academic year through increased industry collaborations, internship opportunities and career guidance programs to provide students with better career prospects and smoother transitions into the workforce.
Alumni expect continued investment in infrastructure and resources, including laboratories, libraries, and digital facilities, to better support hands-on training and professional preparedness.	Continuous improvements in infrastructure and resources are planned for the upcoming academic year, including the modernization of laboratories, enhancement of library resources, and upgrading of digital facilities to strengthen hands-on training and professional preparedness.
Alumni desire more comprehensive ethical guidance and a stronger integration of Indian knowledge systems that add tangible value to their education and professional lives.	Plans are underway to introduce more comprehensive ethical guidance modules and integrate Indian knowledge systems into the curriculum in the upcoming academic year to enrich students' educational experiences and enhance their professional values
Alumni desire expanded social responsibility initiatives, extracurricular activities, mentoring, and industry interactions to foster holistic personal and professional development.	Social responsibility initiatives, extracurricular activities, mentoring programs and industry interaction sessions will be expanded in the upcoming academic year to promote holistic personal and professional development among students.
