Internal Quality Assurance Cell

Department Wise Action Taken Report on Feedback (2024-25)

The Internal Quality Assurance Cell (IQAC) collected feedback for the academic year 2024–25 from students, teachers, alumni, and employers. The feedback was subsequently categorized and analyzed. IQAC then communicated the observations to all the Heads of Departments of the University and requested recommendations from each department separately for every category of stakeholders.

The major recommendations received from the departments are:

- Updated syllabi to address local and global needs, promote research and innovation, and include job-oriented courses with diverse electives and value-added programs.
- Upgraded infrastructure with smart classrooms, ICT-enabled teaching tools, improved canteen services, and enhanced sports facilities.
- Strengthened student support through improved hostel facilities, accessible healthcare services and comprehensive placement training programs.
- Emphasized personal skill development in leadership, decision-making, responsibility, and innovative thinking.
- Enhanced professional traits such as punctuality, teamwork, stress management, and workplace commitment.
- Expanded extracurricular and outreach activities to foster holistic learning and community engagement.

Action Taken by IQAC

After carefully reviewing all the recommendations, the Heads of Departments were instructed to expedite the necessary actions. The following actions were taken by the **Internal Quality Assurance Cell (IQAC)** based on the departmental recommendations:

- **Enhanced Syllabi:** Revised curricula to integrate local and global perspectives, incorporating contemporary topics aligned with industry needs and stakeholder expectations.
- **Promoted Research and Innovation:** Organized research innovation workshops, provided seed funding, and supported publications in peer-reviewed journals.

- **Upgraded Infrastructure:** Improved classrooms with smart technology and ICT tools, and offered comprehensive training to faculty for effective academic utilization.
- **Strengthened Career Development:** Enhanced career readiness through soft skills training, pre-placement programs, and industry collaborations.
- **Introduced Value-Added Courses:** Implemented elective and value-added courses focusing on entrepreneurship, interdisciplinary skills, and emerging job market demands.
- **Implemented Personal Development Programs:** Conducted training sessions on leadership, decision-making, stress management, and teamwork.
- **Expanded Extracurricular Engagement:** Encouraged active student participation through clubs, intercollegiate competitions, and community outreach programs.
- **Enhanced Campus Amenities:** Improved canteen services, sports infrastructure, and hostel accommodations to ensure a better campus experience.
- **Strengthened Healthcare Services:** Established regular health camps and wellness programs to promote physical and mental well-being.
- **Developed Collaborative Policies:** Formulated institutional policies to foster collaboration between management, faculty, and students for continuous quality improvement.

Sir,

Sub: Periyar University – Dept. of Commerce - IQAC- Stakeholders Feedback
– Action Taken Report- Submission – Reg.
Ref: IQAC/Feedback ATR/2024-2025 Dt.23/09/2025.

As per the subject and reference cited above herewith I am submitting the action taken and action to be taken report based on the stakeholder's feedback.

Stakeholders	Action taken / Action to be taken
Student	To meet the expectations of students, the department will incorporate value-added courses on life skills and employability, introduce professional development workshops, and ensure classrooms are upgraded with digital and smart learning resources. Sports activity and recreational facilities will be strengthened to promote student well-being. The Innovation and Incubation Centre (IIC) activities will be enhanced to nurture creativity and innovation, while placement support will be extended to holistic career guidance covering higher education, entrepreneurship, and global opportunities.
Teachers	For teachers, the department will strengthen the library with more e-resources, journals, and research databases, and provide updated computer software tools for research and teaching. Medical facilities on campus will be upgraded, and amenities such as canteen services, parking, and cooperative stores will be improved. Additionally, steps will be taken to maintain well-equipped recreational facilities and wellness programs to ensure faculty satisfaction and work-life balance.

Alumni	In response to alumni feedback, the department will expand alumni-industry collaboration by organizing annual alumni conclaves, guest lectures, and mentorship programs. Alumni entrepreneurship initiatives will be supported through incubation centres, seed funding opportunities, and start-up networks. A structured alumni portal will be created to facilitate professional networking, job opportunities, and knowledge sharing, while the career guidance cell will be strengthened to provide continuous support for informed career choices.
Employer	To align with employers' expectations, the curriculum will be enriched with industry-based case studies, research-oriented mini-projects, and problem-solving exercises. Training programs will be organized to improve teamwork, leadership, and adaptability skills. Special emphasis will be given to soft skills development, including communication, time management, listening, and comprehension skills. Further, industry collaborations will be expanded for internships, consultancy projects, and exposure to real-time work environments, thereby bridging the gap between academics and industry needs.

Yours Sincerely,

29/05/21

Sir,

Sub: Action Taken Report Submission - Reg.
Ref: IQAC/Feedback ATR/2024-2025

The following action taken are recorded and forwarded to IQAC for its further action

Stakeholders	Observations from the Data	Action Taken (or) Action to be Taken
Student	Students are remarkably satisfied. They expected more placement drives, IIC support, entrepreneurship development activities, guidance for startup initiatives, grievance redressal mechanism, accessible channels for reporting grievances and effective mentoring for career development. Desired a supportive and approachable relationship with students. Expected faculties to effectively explain complex concepts with clarity. Hoped for physical education and recreational facilities.	<ul style="list-style-type: none"> We will increase the frequency of placement drives and expand our network with industry partners. More career guidance sessions and mock interviews will be organized to improve the employability skill. The Institution's Innovation Council (IIC) will be more actively engaged to encourage idea generation and innovation. Workshops, hackathons, and mentorship for entrepreneurial ventures will be arranged. Dedicated guidance for students aspiring to launch startups will be provided. Workshop, Hands on Training will be conducted to enhance teaching methods, ensuring complex concepts

Action taken for the academic year 2024-25

- PG programme (M.A., Economics) has been started in ODL of Periyar University Salem
- Certificate courses has been started through online mode (Courses like Tally with GST, Environment Impact Assessment, Disaster Management and Quantitative Analysis and Data Visualization)
- **Programmes organized (Seminar/Workshops/Conferences/Extension Activities)**
 1. Residential Extension Activity in Kanjanaickenpatty village of Salem District - 2025-04-24 to 2025-04-25
 2. JAMOVI for Social Science Research - 2025-03-27 to 2025-03-30
 3. AI for Sustainable Development : Frontier Areas of Economic Growth – 2025-03-26 to 2025-03-26
 4. International Invited Talk on Entrepreneurial and Business Development in the Global Economic Perspective - 2025-03-06 to 2025-03-06
 5. Jal Jeevan Mission: The Road Ahead to SDGs (3, 5, 6 & 11) -2025-02-06 to 2025-02-07
 6. Expert Talk on Digital Library and Research - 2024-12-20 to 2024-12-20
 7. Intellectual Property Rights - Making Young people into Entrepreneurs - 2024-12-13 to 2024-12-13
 8. National Entrepreneurship Day - 2024-11-09 to 2024-11-09
 9. Who Won the Nobel Prize in economics 2024? - 2024-10-25 to 2024-10-25
 10. Special Lecture on Statistics for Social Science - 2024-10-04 to 2024-10-04
 11. Endowment Lecture on “Learn from the Future: Unlocking the Power of Reverse Mentoring” – 2024-09-13
 12. Panel Discussion : Sectoral Analysis in Shaping India’s Future-NITI Aayog’s Driving Economic Growth - 2024-09-03 to 2024-09-03
 13. Building Sustainable Future : A Comprehensive overview of the 17 Global Goals - 2024-08-31 to 2024-08-31
 14. Clean Village Initiative: Swachh Bharat Activities at Virudasampatti Village - 2024-08-29 to 2024-08-29
 15. Handing over of Sports Goods - 2024-08-29 to 2024-08-29
 16. Innovation and Entrepreneurs – Eliciting Ideas - 2024-08-27 to 2024-08-27
 17. Tree Plantation & Plastic Free Awareness Campaign - 2024-08-19 to 2024-08-19
 18. Participation in Gram Sabha Meeting (UBA) - 2024-08-15 to 2024-08-15
- Imparted Disaster Management as Add-on course
- Prof.V.Kanagasingam, Former Vice Chancellor Professor of Management Eastern University Sri Lanka delivered a lecture on “Entrepreneurial and Business Development in the Global Economic Perspective”, on 6th March 2025
- The suggestions of the expert have been noted and improved the publications etc.

Sir,

Sub: Action Taken Report Submission –Reg.

Ref: IQAC/Feedback ATR/2024-2025 dated: 23.09.2025

The following Action Taken/ Action to be Taken are recorded and forwarded to IQAC.

Stake holders	Observations	Action Taken (or) Action to be Taken
Student	Students are moderately satisfied. They hoped for comprehensive syllabus that covers all essential topics thoroughly, campus infrastructure that supports effective learning through modern classrooms, laboratories and advanced technological resources. Expected a health and wellness facilities offer professional medical support and comprehensive student care, physical education and recreational facilities promote holistic student development and well-being. And preferred a well organized placement drives and placement support that offer quality job opportunities that extends beyond job placement to holistic career guidance.	<ul style="list-style-type: none"> ➤ Syllabus updated with essential topics to face NET /SET examination. ➤ Planned to update the features of smart classroom and labs. ➤ Health and Wellness programme conducted by the university comprehensively with frequent intervals. From this year onwards planned to initiate wellness program in the department. ➤ Placement drive conducted by the university placement cell with frequent intervals. Information regarding job opportunities in school and colleges of education has been shared with the current and passed out students regularly. Also, planned an on-campus placement drive for the benefit of students this year. ➤ Further we have planned to give career guidance programme with the help of stakeholders.
Teacher	Faculties are satisfied. However, they preferred the academic programme structure supports entrepreneurship development and autonomy in designing students projects and assignments.	<ul style="list-style-type: none"> ➤ Planned to update the syllabus while preparing and to ensure to face other competitive exams like TET and TRB too. ➤ University have established Multimedia

	And desired for sufficient updated computer and software resources, digital presentation tools, laboratory facilities that meets teaching and research requirements. Also, expected a well-maintained basic amenity (toilets, RO water, etc.) and Recreational facilities (gym, part) as well.	centre with the latest software to meet the requirement teaching and research.
Alumni	Alumni's are moderately satisfied. Alumni sought for theoretical knowledge to solve practical workplace challenges, program focuses on Indian knowledge systems that provides unique perspectives in professional work, soft skills that enhance workplace communication, placement support for effective career, industry exposure, alumni network helps in professional networking and opportunities, career guidance in making informed career choices , laboratory experience for handling professional equipment and library resources for useful research abilities in career development	<ul style="list-style-type: none"> ➤ All the observations of alumni have been taken care of in time. ➤ Planned to give career guidance and support to M.Ed students and alumni to prepare for UGC-NET, SET, PG-TRB, examinations. ➤ Communication skills (theory and practice) have been given as a practicum in the curriculum to ensure the skills in practice.
Employer	Employers are satisfied. However, they emphasized ability to analyze problems using subject knowledge and problem –solving in technical situations. Insisted on innovative thinking and creative problem –solving	<ul style="list-style-type: none"> ➤ Orientation/ Training programmes can be organized to emphasize the skills like creative problem solving and innovative thinking in technical and real life situations. ➤ Further internship and field visit can be arranged to important educational institutions to develop the said skills.

Sir,

The following action taken or action to be taken are recorded and forwarded to IQAC for its further action.

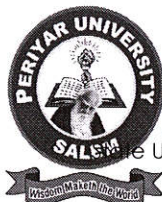

Stakeholders	Action taken or action to be taken
Student	The department always encourages the faculty members to equip themselves through FDP, short term training courses, etc., to ensure complex concepts are taught with improved clarity and effectiveness. Additional academic support is being provided through guided self-learning resources, problem-solving sessions, and opportunities for independent exploration. The department also encourages and mentors students in innovative projects and entrepreneurial initiatives, ensuring continuous support aligned with their academic and career aspirations.
Teacher	The department has well equipped laboratories also planned to improve the laboratory infrastructure to meet out the current standards for better support both teaching and research requirements. Steps are being taken to upgrade and maintain basic amenities such as toilets and RO water facilities to ensure a comfortable working environment. In addition, proposals for enhancing recreational facilities, including gym and park access, are being considered to promote overall well-being of faculty members.
Alumni	The department is strengthening training modules to enhance technical skills, leadership qualities, and ethical decision-making aligned with industry needs. We have a separate placement team, placement support and entrepreneurship training are being reinforced through workshops, alumni interactions (Through alumni lecture series and alumni meeting), skill development program and industry collaborations. Further, efforts are being made to upgrade laboratory exposure and organize personality development programs to better prepare students for professional excellence.
Employer	The department is taking steps to enrich the curriculum and training activities to strengthen students' comprehensive knowledge in their field of study. Skill development programs and workshops will be conducted to improve digital literacy and practical exposure to emerging technologies. Continuous industry-oriented training and collaborative projects are planned to ensure graduates adapt effectively to evolving professional requirements.

Sir

The following Action Taken/ Action to be Taken are recorded and forwarded to IQAC.

Stakeholders	Observations from the Data	Action Taken (or) Action to be Taken
Student	Students are strongly satisfied. Students desired for the curriculum provides a strong industry-oriented learning experience. They remarked Physical education and recreational facilities that promote holistic student development and well-being can be focused. And wished for comprehensive and inspiring Entrepreneurship development activities. Also, expected IIC supports student creativity innovation effectively and academic program which offers comprehensive exposure to the Indian knowledge system.	The curriculum has been revamped accordingly. Club activities are initiated and students participation in sports have been encouraged. The students are given placement training and encouraged to participate in EDP's. Recreation and wellness programs (yoga sessions, fitness camps, cultural fests) are planned to promote holistic development.
Teacher	Teachers are strongly satisfied. Teachers highly desired for well-equipped classrooms with modern teaching aids, laboratory facilities meeting teaching and research	Representation has been made to establish a well equipped classroom with needful facilities, for the welfare of the department. The department

	<p>requirements, sufficient and updated computer and software resources. Also, hope for well-maintained department board room seminar hall and equipment support effective teaching and recreational facilities (gym, park) as well.</p>	<p>requests the administration for the release of Rs.5 lakhs sanctioned by the then VC Prof. P. Kolandhaivel in October 2018 for the Tin Anniversary (10yrs) of the Department. This would help in facilitating the classrooms with smart boards and projectors. Furthermore the department with the available fund is enhancing the availability of ICT tools.</p>
Alumni	<p>Alumni's are satisfied. Alumni remarked developments on the academic programs focus on Indian knowledge systems, soft skills that enhance workplace communication, technical training adapt to new technologies, entrepreneurial mindset that influences professional initiatives and effective placement support. Also, wished for industry exposure to the workplace, entrepreneurship training that enable business/start-up initiatives, and alumni network helps in professional networking and opportunities.</p>	<p>Well planned workshops on communications skills, entrepreneur skills and IKS are initiated. Industrial visits are also planned accordingly which will improve the professional integrity. Alumni are regularly invited for guest lectures, mentoring sessions, and placement guidance.</p>
Employer	<p>Employers are satisfied, however desired employee should update with latest developments in their field, proficiency in research and data interpretation, strong digital literacy and adaptation to new technologies and problem-solving abilities in technical situations. Also Maintains accuracy in technical documentation</p>	<p>A technical session to teach the latest trends of internet and for the efficient use of computers, excel, word document and the basics of research and data interpretations will be implemented. Steps were already taken to teach the basis of word and excel. Plans are in place to establish an Industry-Academia Advisory Board for regular curriculum feedback from employers.</p>

DEPARMENT OF FOOD SCIENCE AND NUTRITION

From

Head of the Department
Department of Food Science and Nutrition
Periyar University
Salem-11

To

The Director
Internal Quality Assurance Cell
Periyar University
Salem-11

The following action taken or action to be taken are recorded and forwarded to IQAC for further action

Stakeholders Feedback (2024-25)

S.No.	OBSERVATION	Action Taken or Action to be taken
Students		
1.	Students are moderately satisfied. Students expected change in the curriculum that incorporates valuable life skills and professional development opportunities, health and wellness facilities offer professional medical support and comprehensive student care, physical education and recreational facilities, well organized placement drives that offer quality job opportunities. Also, further expected placement support that extends beyond job placement to holistic career guidance. More expected the clear and accessible channels for reporting student grievances, transport grievance redressal mechanism that handled with confidentiality and a proactive approach in resolving student concern in a timely manner.	During 2024-25 academic year, the department has introduced advanced skill enhancement courses in the curriculum, aligned with the standards set by NSDC, UGC, and TANSCH, to enhance the overall development and benefit of all stakeholders. Academic flexibility has been enhanced by introducing optional, career-specific elective courses, allowing students to tailor their learning to their career goals. Extension activities, Industrial visit and students seminar activities are carried out to fulfil students care. Student curriculum will be changed based on the requirements of students for the next academic year.
Teachers		
2.	Teachers are moderately satisfied. Teachers expected the syllabus adequately promotes research and innovation, have autonomy in designing student projects and assignments. They further suggested to concentrate on incorporating relevant current topics into the syllabus. Also desired for laboratory facilities meet teaching and research requirements, sufficient and updated computer and software resources and Library resources that support teaching and research needs.	Permanent faculty members of the PG program have actively taken responsibility for designing syllabi for new value-added courses, aimed at enhancing students' skills across all levels with commitment and dedication, to support practical learning, steps have been initiated to increase the number of computers in the laboratory.
Employers		

3.	Employers are satisfied, however emphasized ability to analyse problems using subject knowledge and problem-solving in technical situations. Insisted on innovative thinking and creative problem-solving.	The department has significantly enhanced its practical training by incorporating 60-70% hands on courses aligned with industry standards, including IS and international Standards and field-based projects. Emphasis has been placed on professional practice through exposure to National Career Progression (NCP) models, two skill enhancement courses, and a community-focused practical course on Holistic Nutrition. Additionally, job-role specific training integrated with NSDC-certified value-added courses ensures that graduates are equipped with relevant, industry-recognized competencies that meet employer expectations.

Salem – 11.

Sir

Sub : Action Taken Report Submission – Reg.

Ref : IQAC/Feedback ATR/2024-2025 Dated. 23/09/2025.

I wish to bring to your notice as the subject and reference cited above herewith I am submitting the recommendations for your reference.

Stakeholders	Observations from the date submitted by IQAC to the Department	Recommendations/ Action to be taken
Student	The students of the department expected job perspective, value added course, new development, electives and reference books can be improvised in the syllabus. They desired more placement training by the department and university Computer internet, hostel and sports are to be advanced.	The department is decided to offer new elective courses, Add on courses and Value-Added Courses. It is planned to purchase new Text books & Reference books for betterment of the students. It is planned to setup a small computer lab for the benefits of the students. It is decided that to encourage the students to participate in sports activities regularly.

Teacher	Teachers of this department are extremely satisfied with the design and review of the syllabus. The teachers feel that the administrative support given by the university is extremely satisfactory. Further aim for advancement.	It is planned to promote Research Innovation and IPR activities towards the betterment of the society. Further it is decided to take initiatives for e-content development by the faculty members.
Alumni	The former students of the department desired career oriented, skill oriented and entrepreneurial to be involved in the curriculum. They highly expected regular sports and cultural events. Anticipated improvement in health food, moderate accommodation, training and placement opportunities provided.	It is planned to organize Soft skills, Induction, Internship, Pre-placement training and Employability training programmes for the students. It is decided to motivate the students to take part in sports and cultural activities
Employer	Employers are immensely satisfied. They suggest showing leadership potential in group settings and demonstrating creative problem-solving. Keeps updated with developments in their field, shows proficiency in research and data interpretation, efficiently uses industry-specific software, and applies knowledge to improve work processes.	Integrate creative problem-solving exercises and case studies into the curriculum. Conduct regular training on emerging trends in the field. Include research methodology and data analytics training. Promote internships and projects addressing real-world industry challenges.

The following action taken/ action to be taken are recorded and forwarded to IQAC.

Stakeholders	Action taken (or) Action to be taken
Student	All the faculty members will maintain a supportive and approachable relationship with students and measures are taken to organize placement drives for quality job opportunities, modern classrooms, laboratories, and advanced technological resources to provide holistic career guidance.
Teacher	Adequate digital presentation tools and internet facilities, laboratory facilities and research requirements and computer and software resources, though sufficient will be updated. Measures to provide department board room and seminar hall will be initiated. Adequate institutional support for faculty research initiatives are provided, however the grievances and adequate financial support for conference participation will be addressed.
Alumni	The students receive one month internship in hospitals at present, in future the possibility of extending the internship period will be considered to improve the industry exposure. Measures for providing entrepreneurship training enabling business/start-up initiatives and the laboratory experience for handling professional equipment will be taken care of in future.
Employer	Measures to address the employers' preference on the proficiency of students in problem-solving ability, research and data interpretation, strong digital literacy and adaptation to new technologies, accuracy in technical documentation and technical knowledge, to improve work processes will be initiated.

The following Action Taken / Action to be Taken are recorded and forwarded to
IQAC for its further action.

Stakeholders	Action taken or action to be taken
Student	Appreciate the suggestions from students for promoting holistic student development. Department of physics is regularly conducting placement training activities. Also, planned to conduct more events in this academic year. Professional medical support will be offered and recreational activities will be conducted at the department level.
Teacher	Happy to know that teachers are extremely satisfied. The request for their desire to choose flexible assessment methods and recreational facilities (Gym and Park) will be brought to the attention of the University authorities.
Alumni	Alumni's concern on developing leadership qualities and entrepreneurial mindset towards their professional growth will be considered. Initiatives are being taken for networking the alumni for providing the professional development.
Employer	The Department of Physics is taking appropriate efforts to strengthen digital literacy and introduce new technologies to PG students and research scholars.

Respected Sir,

Sub: IQAC - Stakeholder Feedback - ATR/ATBTR - Dept. of Psychology - Reg

Ref: PU/IQAC/Feedback ATR/2024-2025, dated 23.09.2025

With reference to the above, I am pleased to provide below, the details on stakeholders feedback Action taken / Action to be taken report from the Department of Psychology.

Student	Efforts have been taken to take the students to the real industry visit (all the final year students have been taken for one day to a rehabilitation centre at Namakkal to get the feel of real life practical exposure and have interacted with the clients (patients) at the centre. As the students are having 4 th sem as internship, no separate industrial visit is included in the curriculum.
Teacher	Centralised department UPS is required (action to be taken)
Alumni	Regular workshops are been conducted at the department to impart practical knowledge
Employer	Very satisfactory feedback - no action required

Thanking you.

Yours sincerely,

(J. VENKATACHALAM)

The following recommendations are recorded and forwarded to IQAC for its further action.

Stakeholders	Recommendations
Student	The Department of Statistics, Periyar University, Salem, reviewed the students' feedback and has taken appropriate actions to enhance their overall academic and campus experience. Curriculum revision initiatives have been proposed to integrate life skills, professional development modules, Indian Knowledge System components, and greater emphasis on ethical values and social responsibility, ensuring comprehensive coverage of essential topics. Steps have been taken to upgrade classrooms with smart facilities, modernize laboratories with advanced statistical software, and enrich library resources with the latest books and e-resources. To promote holistic development, recreational and wellness activities are being organized in collaboration with the physical education department. A structured mentoring system and career guidance programs have been introduced, along with strengthened placement support through skill development workshops and campus drives. Also, the student grievance redressal cell has been made more accessible and transparent, with an online platform to ensure timely resolution of student concerns. These actions collectively aim to improve learning outcomes, employability, and overall student satisfaction.

S. R. Rita 29/9/2025
Dr. S. RITA
Professor And Head
Department of Statistics
Periyar University,
Salem-636 011.

Teacher	he Department of Statistics, Periyar University, Salem, acknowledges the teachers' feedback and appreciates their satisfaction with the department's academic and administrative environment. Based on their suggestion, a proposal has been submitted to the university administration for the development and regular maintenance of recreational facilities such as a gym and park within the campus to promote faculty well-being. These initiatives are expected to create a healthier and more engaging work environment, supporting the overall professional and personal wellness of the teaching staff.
Alumni	The Department of Statistics, Periyar University, Salem, has taken note of the alumni feedback and initiated steps to strengthen the curriculum to better align with current professional roles and industry requirements. Entrepreneurship development modules and start-up awareness programs are being introduced to encourage innovation and business initiatives among students. Efforts are underway to integrate components of the Indian Knowledge System into the syllabus to provide unique and culturally rooted perspectives. Leadership development workshops and seminars are planned to further enhance students' managerial skills. Laboratory facilities are being upgraded to ensure students gain hands-on experience with equipment relevant to professional settings. Additionally, stronger industry-academia interaction is being fostered through guest lectures, industrial visits, and collaborative projects to build valuable professional networks and career opportunities for future graduates.
Employer	The Department of Statistics, Periyar University, Salem, values the positive feedback from employers and has initiated measures to address their suggestions. Curriculum enrichment has been proposed to include more case studies, problem-solving sessions, and project-based learning to help students effectively apply theoretical concepts to practical situations. Efforts are being made to update the syllabus regularly to incorporate the latest developments and emerging trends in statistics and data science. Research methodology training and data interpretation workshops are being conducted to strengthen students' analytical and research skills. These initiatives aim to produce graduates with comprehensive knowledge, practical competence, and industry-relevant expertise.

Sir,

Sub: IQAC-Stakeholders feedback for 2024-2025-Action taken or action to be taken report-submission-Reg. (Ref: No. IQAC/Feedback ATR/2024-2025 date 23.09.2025)

The following Action Taken / Action to be taken are recorded and forwarded to IQAC.

S.No.	Stakeholders	Action Taken / Action to be Taken
1.	Student	Action Taken: Existing student support services were strengthened by ensuring access to counselling and guidance. For physical education and recreational activities, one hour has already been allotted in the department timetable to promote student development and holistic well-being. Our students have achieved the title of “Overall Champions” for two consecutive years in the University sports competitions. Action to be Taken by the University: It is requested that good health and wellness facilities with professional medical support be provided for the benefit of students.
2.	Teacher	Action Taken: Faculty are being encouraged to utilize the existing health centre facilities for immediate needs. Action to be Taken by the University: It is requested that the University authorities provide adequate professional medical support and strengthen the health centre services for the teachers.
3.	Alumni	Action Taken: Alumni interactions were organized through alumni meets, alumni lecture series, and guest lectures, where they shared industry experiences and leadership qualities. Action to be Taken: Alumni are highly satisfied, and the ethical values taught at the University continue to guide their professional decision-making and leadership qualities. These practices will be sustained further. Alumni networking platforms will be further strengthened to provide career guidance for our students.
4.	Employer	Action Taken: Students are being trained with problem-solving projects and industry-specific tools during their study period. Action to be Taken: More industry-oriented workshops, training on latest technological developments and soft skill programs will be arranged to strengthen employability skills, integrity, and work ethics.

Dear Sir,

Sub: Action taken report submission reg.

Herewith, I have recorded the following action taken/Action to be taken are recorded and forwarded to the IQAC based on the feedback received from the stakeholders.

Stakeholders	Observations from the Data	Action Taken
Students	Students are fairly satisfied; however, they desired the curriculum provides strong industry-oriented learning experiences, the curriculum incorporates valuable life skills and professional development opportunities, the courses emphasize ethical values and social responsibility. Expected engaging and support diverse learning styles teaching methods, physical education and recreational facilities promote holistic student development and well-being. Furthermore, preferred well-organized placement drives that offer quality job opportunities and placement support extends beyond job placement to holistic career guidance.	Informed to teaching faculty and adopted in the subsequent years.
Teacher	Teachers are highly satisfied. They further expect laboratory facilities meet teaching and research requirements, department board room/ seminar hall and equipment support for effective teaching. Also wished for campus amenities (canteen, parking, store), basic amen (toilets, RO water, etc.) and well-maintained recreational facilities (gym, park).	ICT enabled class rooms are arranged to enhance the teaching quality. Continued support will be provided by the administration.

Alumni	Alumni's are satisfied. Alumni expected the program focus on Indian knowledge systems provides unique perspectives in professional work, the ethical values taught at the university guide professional decision-making, the placement support received helped launch career effectively, the alumni network helps in professional networking and opportunities and the entrepreneurship training received enable business/startup initiatives.	Courses will be modified based on Indian knowledge system.
Employer	Employers are immensely satisfied, further suggested to show ability to analyze problems using subject knowledge, keep updated with latest developments in their field, show proficiency in research and data interpretation, show problem-solving abilities in technical situations, and maintains accuracy in technical documentation, and applies technical knowledge to improve work processes as well.	The curriculum will be regularly updated to cope with the current need. Continued support and more efforts will be provided to enhance the technical skills.
