VOICE OF REGISTRAR

Prof. Dr. V. Raj
Registrar (FAC),
Periyar University, Salem

It is a matter of pride to present the talented graduating cohort of the Department of Management Studies, Periyar University, Salem. Accredited with NAAC 'A++' Grade and ranked 94th in NIRF, in addition to securing the 40th position among State Public Universities, Periyar University continues to uphold high academic standards, inclusivity and a strong commitment to societal progress. The University has consistently nurtured an academic ecosystem that harmonizes scholarly excellence, research orientation and professional relevance.

The Department of Management Studies reflects this vision through its dynamic curriculum, industry-aligned pedagogy and emphasis on ethical leadership and innovation. I extend my sincere congratulations to the Professor and Head, the committed faculty members and the Placement Coordinator of the Department of Management Studies for successfully bringing out this Placement Brochure of the MBA and MBA (EIM) 2024-2026 Batch.

I convey my heartfelt best wishes to the graduating students as they step into the corporate world as future professionals and to our esteemed industry partners as future employers. May this initiative further strengthen the enduring partnership between academia and industry.

REGISTRAR

VOICE OF PROF. & HEAD

Dr. G. Yoganandan
Professor and Head,
Department of Management Studies
Periyar University,

Dear Industry Leaders, Entrepreneurs, and Corporate Partners,

Greetings!

It gives me immense pleasure to present the Department of Management Studies at Periyar University, Salem. The University holds a NAAC 'A++' Grade and is ranked 94th in NIRF and 40th among State Public Universities in India—achievements that stand as a testament to our academic rigour, social responsibility, and relentless pursuit of excellence.

At the heart of our department's success is a robust research-driven culture. Our faculty members are not only dedicated educators but also active researchers whose scholarly contributions in national and international forums ensure that our teaching remains at the cutting edge of global business trends.

The Batch of 2024-2026 consists of highly motivated individuals from our MBA (General Management) and our niche MBA (Export and Import Management) programmes. Our General Management graduates possess a versatile skill set, blending strategic marketing insight and financial acumen with robust human capital management capabilities. Recognizing India's pivotal role in global trade, our Export and Import Management specialization is meticulously designed to produce professionals who are well-versed in international trade logistics, global supply chain dynamics, and EXIM policies.

Through this placement brochure, I invite you to explore the diverse talent pool of our 2024-2026 batch. We are confident that our students possess the competence and character to contribute meaningfully to your organization's growth and to the broader vision of nation-building.

VOICE OF PLACEMENT COORDINATOR

Dr. S. Balamurugan
Assistant Professor
Department of Management Studies
Periyar university

Since its inception in 2005, our department has been dedicated to sculpting industry-ready professionals through a blend of academic rigor and practical exposure. Driven by a well-equipped faculty team with diverse expertise, we foster a transformative learning environment enriched by consistent industry-institute interactions, alumni mentorship, and engagement with leading academicians. These need-based programs ensure our students undergo a significant transformation, evolving into skilled assets for the global market. Our track record speaks for itself: graduates are successfully placed in premier corporates such as Reliance, Bharti Airtel, TCS, HCL, Infosys, Wipro, ESAF Small Finance Bank, and Dhanya Logistics. Furthermore, our alumni have secured prestigious Central and State Government positions in Banking, Insurance, Auditing, and Railways, while many others are making a global impact as Entrepreneurs and Exporters. Whether in the boardroom or the public sector, our students continue to leave a sparkling footprint across India and beyond. I wish this Meridian speaks more and helps corporates identify the abundant under one roof.

Dr. V. R. Palanivelu

“

We take pride in nurturing motivated and capable students through a balanced approach of continuous learning and practical exposure. Our programs combine strong academic foundations with real-world application through internships, industry interactions, workshops, and live projects. We focus on developing communication skills, leadership qualities, teamwork, and ethical values to prepare students for corporate challenges. Our students are confident, adaptable, and industry-ready, and we warmly welcome recruiters for a mutually beneficial association.

”

Dr. T. Sarathy

“

I am extremely delighted to note that management studies department is bringing out a placement brochure in a professional manner for the current batch of students. I am certainly sure that this compilation of student database will be beneficial to attract top companies into our university for campus placements. I congratulate the placement officer, placement Co-ordinator Dr.S.Balamurugan, Head of the department and the placement team for their comprehensive efforts to enhance quality placement opportunities. All the very Best.

”

Dr. R. Subramaniya Bharathy

“The Department of Management Studies, PERIYAR university, takes pride in shaping industry-ready graduates who combine strong managerial competence with ethical values and specialised domain knowledge. Through structured internships, live industry projects, and hands-on learning experiences, our students gain practical insights that prepare them to think clearly, adapt confidently, and add value from the very beginning of their careers. We warmly invite corporate employers to connect with our aspiring managers and experience their professionalism, commitment, and positive work ethos. We look forward to building meaningful and lasting industry-academia partnerships that support shared growth”

Dr. P. Thirumoorthi

“

For over two decades, the Department of Management Studies has provided strong placement opportunities through an industry-focused curriculum that prepares students from diverse backgrounds—Engineering, Arts, Science, and Commerce—for successful corporate careers. Our students gain updated business knowledge and training, making them a talented pool of management graduates. Dear Students, as you approach graduation, the Placement Cell encourages you to prepare for upcoming drives by tailoring your CVs and upgrading your skills to meet industry expectations. Best wishes for your success!

”

Dr. S. Balamurugan

“

I am very delightfully connected with you by MERIDIAN. We work with immense pride in nurturing students who are not only academically proficient but also industry-ready. Our rigorous curriculum, combined with hands-on training, ensures our graduates possess the innovation and leadership required for today's global market. We invite you to partner with us in shaping the leaders of tomorrow.

”

Dr. M. Suryakumar

“

Dear Students,
Academics marks an important milestone in your career, transforming knowledge into meaningful careers. Stay focused, adaptable, and confident as you prepare to step into the professional world. Skill development, integrity, and continuous learning will always set you apart. As an alumni you play a vital role in this journey, You are our ambassadors & strongest supporters, your achievements inspire current students and strengthen industry connections, opening doors to new opportunities. Together, the combined efforts of students, faculty, in a friendly approach we build a strong alumni there in we build a strong ecosystem that drives excellence, employability, and long-term success for our institution and society at large.

Best Wishes!!!”

”

Dr.G.Venkatesan

“

Our institution emphasizes knowledge, professional skills, and ethical values to shape competent and responsible professionals. Through practical training and industry exposure, students are prepared to meet industry expectations with confidence and competence. We invite recruiters to explore our talent pool and look forward to building a strong and mutually beneficial partnership.

”

Dr.T.Sri Vidhya

“

We are committed to preparing students with strong academic foundations and essential professional skills. Our holistic approach focuses on interactive learning and overall development to ensure industry-ready graduates. We welcome recruiters to interact with our students and build meaningful associations. Optional training programs, industrial visits, and field trips are organized to provide practical exposure and real-world learning experiences.

”

UNIVERSITY OVERVIEW

Established in 1997 by the Government of Tamil Nadu, Periyar University stands as a symbol of knowledge, progress, effective governance, and social awakening. Named after the great social reformer Thanthai Periyar E. V. Ramasamy, the University carries forward his ideals of rationalism, equality, and self-respect, aiming to enlighten young minds and empower society through education, leadership, and responsible management of knowledge and resources. With its motto "Wisdom Maketh the World," Periyar University envisions creating an environment where education transcends boundaries and transforms individuals into globally competent, strategically oriented, ethically driven, and socially responsible leaders and managers. The University promotes excellence through innovative teaching, impactful research, professional skill development, and community engagement, aligning education with real-world challenges and organizational needs.

The University has earned national recognition for its continuous pursuit of academic excellence and institutional effectiveness. Accredited with an 'A++' Grade by the National Assessment and Accreditation Council (NAAC) with a CGPA of 3.61, Periyar University has proven its unwavering commitment to quality assurance, transparency, and sound academic management. In the NIRF 2024 rankings, it proudly secured the 56th position among Indian universities, reflecting its growing reputation for academic innovation, strategic planning, inclusivity, and employability. Spread across a sprawling green campus in Salem, Tamil Nadu, the University fosters a vibrant academic atmosphere enriched by diversity, cultural exchange, and managerial thinking that encourages collaboration, efficiency, and continuous improvement. It offers a wide range of programs across Science, Commerce, Arts, and Management, integrating modern pedagogical practices with ethical leadership and professional competence.

Through its research centers, incubation hubs, and industry collaborations, Periyar University bridges the gap between academics and business, management, and industry requirements. It actively encourages entrepreneurship, leadership development, innovation, and strategic decision-making, equipping students with managerial skills, analytical abilities, and global perspectives aligned with contemporary organizational standards. The University also emphasizes holistic and sustainable development by supporting sports, arts, and cultural activities that shape confident, adaptable, and socially conscious professionals. Guided by Periyar's legacy and driven by a spirit of innovation and effective institutional management, the University continues to inspire generations of learners to question, analyze, lead, and manage change. It remains committed to shaping not just employable graduates but visionary managers, administrators, and professionals who contribute meaningfully to society and uphold the values of justice, equality, self-respect, and ethical leadership.

DEPARTMENT OVERVIEW

CORE VALUES

- Academic excellence with practical relevance
- Integrity, ethics, and social responsibility
- Leadership, teamwork, and inclusivity
- Continuous learning and innovation
- Commitment to professional growth

VISION

- To be a centre of excellence in management education.
- To develop competent, ethical, and socially responsible management professionals.
- To nurture innovative thinkers and future leaders for global business environments.
- To contribute to sustainable organizational and societal development through quality education and research.

MISSION

- To impart quality management education through a balanced blend of theory and practice
- To foster analytical, entrepreneurial, and leadership skills
- To promote research, industry collaboration, and experiential learning
- To instill ethical values and social responsibility among students

OBJECTIVES

- To equip students with strong managerial, analytical, and decision-making skills
- To enhance employability through internships, projects, and industry exposure
- To encourage innovation, entrepreneurship, and research orientation
- To prepare students for leadership roles in corporate, public, and entrepreneurial sectors

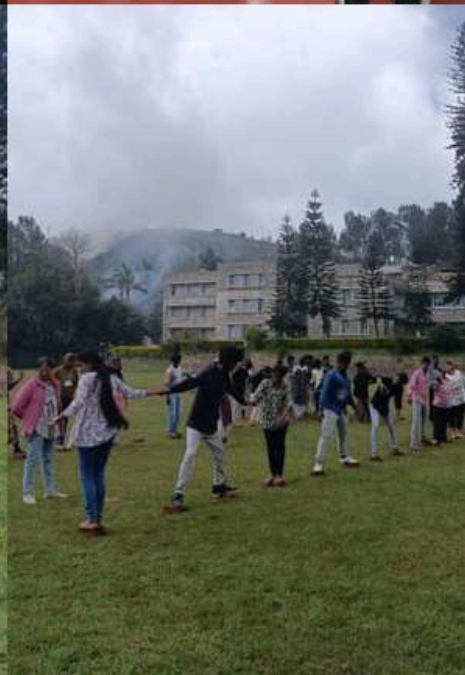

ACADEMIC FRAMEWORK

The Department of Management Studies, Periyar University, follows a robust, industry-focused academic framework aimed at developing skilled, ethical, and career-ready management graduates. The curriculum is carefully structured to provide a strong foundation in core management concepts along with focused expertise in the chosen area of specialization. The MBA programme offers three specializations—Finance, Marketing, and Human Resource Management—designed to meet current industry and organizational needs. Along with core and specialization-specific subjects, the programme also provides exposure to Export Management, familiarizing students with international trade practices, export procedures, documentation, logistics, and global business regulations. The curriculum is periodically updated to reflect emerging business trends and contemporary management practices. The academic framework emphasizes experiential and application-oriented learning through case studies, internships, live projects, industrial visits, workshops, seminars, presentations, and group activities, enabling students to effectively bridge theory with real-world business challenges.

A continuous assessment system comprising internal evaluations, assignments, presentations, and examinations ensures holistic academic development. The department also focuses on communication skills, leadership development, ethical values, and employability enhancement, preparing students to meet industry expectations. With the guidance of experienced faculty and interaction with industry professionals, the academic framework equips students to emerge as competent professionals in Finance, Marketing, and Human Resource Management, with practical exposure to Export Management, ready to contribute effectively to organizational success.

HR AND MARKETING

Students specializing in Human Resource Management and Marketing are trained to meet evolving industry demands through a strong foundation of academic knowledge and practical exposure. Our HR graduates possess competencies in recruitment, employee engagement, performance management, payroll, and labour relations, along with strong interpersonal and leadership skills. Marketing students are equipped with expertise in market research, consumer behavior, digital marketing, branding, sales strategies, and customer relationship management. With hands-on experience through internships, case studies, business expos, and industry interactions, our students demonstrate adaptability, strategic thinking, ethical values, and a results-oriented approach, making them well-prepared to contribute effectively to organizational growth and business success.

EXPORT & IMPORT

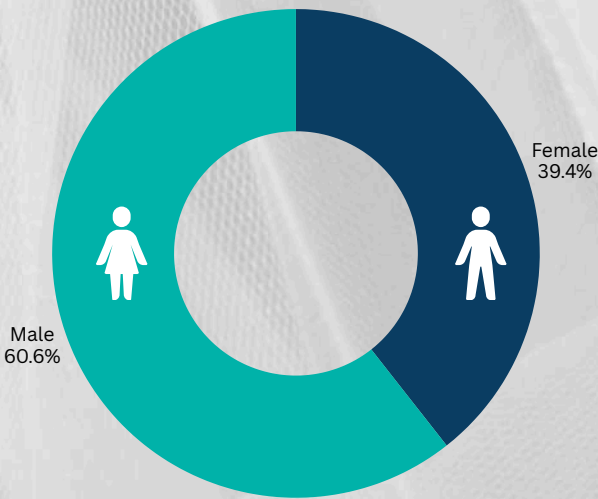

An MBA in Export and Import Management is a specialized program that equips students with a thorough understanding of international trade operations and global logistics. The course covers key areas such as global supply chain management, international marketing, trade finance, foreign exchange management, and customs procedures. Graduates can pursue careers in export-import firms, multinational companies, logistics and supply chain management, trade consultancy, and international business development. Top recruiters include Indian Oil, Mahindra, Coal India, Tata Steel, and Reliance Industries. The average salary range is between INR 3 LPA to INR 19 LPA, depending on the industry and job profile. To be eligible, candidates typically require a bachelor's degree from a recognized university, and some programs may require relevant work experience.

BATCH PROFILE

The above graph shows the distribution of students in percentage based on their respective graduation degree completed by them.

Batch Distribution Gender wise

The above donut chart shows the gender-wise distribution of the MBA batch in percentage.
