UNIVERSITY AT A GLANCE

The Government of Tamil Nadu established the Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University is named after the Great Social Reformer E.V. Ramasamy affectionally called "Thanthai Periyar". The University aims at developing knowledge in various fields to realize the maxim inscribed in the logo "Arival Vilayum Ulagu" (Wisdom Maketh the World). "Holistic development of the students" is the primary objective of the esteemed Periyar University.

The University covers the area comprising the districts of Salem, Namakkal, Dharmapuri and Krishnagiri. The University got the 12(B) and 2(f) status from the University Grants Commission, New Delhi and has been Re-accredited by NAAC with 'A++' grade in 2021 and placed 56th rank among Indian Universities by MHRD NIRF 2024 and 25th Rank among State Public Universities in the Ministry of Education (MoE).

The University is located on the National Highways NH-7 towards Bangalore at about 10 kms from New Bus Stand, Salem. It is well connected by frequent city bus services linking Salem and other places like Omalur, Dharmapuri and Krishnagiri.

Periyar University imparts higher education through three modes, i.e., through its Departments of Study and Research, Periyar University Centre for Distance and Online Education (PUCDOE) and the affiliated colleges. The University has 27 departments of study offering Post Graduate and Research Programmes and 118 Colleges and 1 PG Extension Centre in Dharmapuri namely Periyar University Centre for Post Graduate and Research studies.

The Choice Based Credit System (CBCS) has been introduced for the various courses offered by the University from 2008-2009 onwards. Periyar University is offering four Certificate Courses from 2009-2010 onwards. The Certificate Courses are designed in order to cater to the current needs of the public. The Student Support Services of Periyar University are available through Library System, National Service Scheme, Youth Red Cross Society, Women's Welfare Centre and Avenues for Sports and Games.

Thanthai Periyar had been advocating throughout his life the importance of being rational and created positive change by his self respect movement. He incessantly toiled for social justice among people, liberating the down trodden women and insisted on the priority of one's mother tongue. To inculcate these ideas the Periyar Chair was created in 1998.

Periyar Institute of Administrative Studies (PERIAS) started functioning from March 2009 and train the students for preliminary and main examinations for the Civil Services, the Institute also plans to conduct various coaching classes for examinations conducted by different organisations like Tamil Nadu Public Service Commission (TNPSC) and Staff Selection Commission (SSC) UGC, IAS & IPS in the near future.

To make a significant mark during the centenary celebrations of Perarignar Anna, a chair has been established after his name as "Anna Chair" in May 2009. It crystallizes the greatest thought provoking ideas of Anna for the development of children, youth and women in the country. It proposes to focus on the social issues and upliftment of the poor.

Centre for Nano Science and Technology has been established in the Department of Physics. The Government of Tamil Nadu sanctioned Rs.1 Crore for the academic and research activities of the centre. Department of Geology proposes to establish a Centre for Geoinformatics and Planetary Studies in the current academic year.

Periyar University Centre for Distance and Online Education (PUCDOE) is imbibing knowledge into the veins of the students who could not take up the regular academic studies in affiliated colleges. PUCDOE has 28th Learner Suppot Centres within its Juridiction.

The established Departments, Centres, Institutes and Chair are contributing their best through academic, research and extension activities. The University is playing a paramount role in bringing multi-faceted development for the country. The University is consistently organizing various academic activities to bring researchers, scholars and activists under one umbrella to discuss, deliberate and carve out time-demanding solutions to social problems. The University stands with its unique **"Village Adoption"** activity.

The University has tie-ups with various academic, research institutes and universities across the world bring laurels to the academia. The University proudly celebrates days that have international significance like National Human Rights Day, Science Day, Women's Day, Environmental Day, World Mother Tongue Day. National Education Day and National Integration day.

பெரியார் பல்கலைக்கழகத்தில் 'திராவிட இலக்கியம் - இதழியல்' கருத்தரங்கு

ஓமலூர், மார்ச் 27: பெரியார் பல்கலைக்கழகத்திலுள்ள தந்தை பெரியார் இருக்கை – பேரறிஞர் அண்ணா இருக்கை – முத்தமிழறிஞர் கலைஞர் ஆய்வு மையம் சார்பில், 'திராவிட இலக்கியம் – இதழியல்' எனும் பொருண்மையிலான தேசிய கருத்தரங்கம் வியாழக்கிழமை தொடங்கியது.

தொடக்க விழாவில் கலைஞர் ஆய்வு மைய இயக்குநர் ரா.சுப்பிரமணி வரவேற்றார். விழாவுக்கு தலைமை வகித்து துணைவேந்தர் ரா.ஜெகநாதன் பேசியதாவது:

பெரியார் நிறைய போராட்டங்களை முன்னெடுத்து இருந்தாலும், அதில் கன்னுக்கு எதிராக அவர் நடத்திய போராட்டம் முக்கியத்துவம் வாய்ந்தது. அவருக்கு சொந்தமாக சேலம் மாவட்டத்தில் இருந்த 400-க்கும் மேற்பட்ட தென்னை மரங்களுக்கு எதிரான போராட்டத்துக்காக அவர் வெட்டி விடினார்.

இன்றைய இளைஞர்கள் எந்த போதைப் பழக்கத்துக்கும் அடிமையாகிவிடாமல், தங்களுடைய பாதையில் எதிர்மறை செயல்கள் ஏதுமின்றி நேர்மறையாக செல்ல வேண்டும். பெரியார் பல்கலைக்கழகத்தில் அமைக்கப்பட்டுள்ள பெரியார் இருக்கை பொருளாதார ரீதியாக வலுப்படுத்தப்பட வேண்டும். இதனால், மாணவ – மாணவியருக்கு கல்வி உதவித்தொகை கிடைக்க வாய்ப்பு

No. of Participants: 52

Women's Studies Centre of Periyar University organized an Entrepreneurship Development programme for rural women in Association with IIC at Ettikuttapatti village, Salem District on 09.08.2024.

This programme aimed at empowering women by providing them with skill to enhance their economic independence. The event commenced at 11.00am with a warm welcome address by Prof.Dr.P. Nazni, Director of the Women's Studies Centre. She emphasized the importance of entrepreneurship in uplifting the rural women of this region. Mr.K.James Vikram, President of Ettikuttapatti Village Panchayat delivered a special address, highlighted the significance of such initiatives in fostering self- reliance among women.

The event featured a technical session focused on hands on training in cosmetic soap making, offering participants practical skills that can be used to start their own small business. Totally 52 numbers of participants have participated in this event. The programme concluded with a vote of thanks by Dr.A.Radhika, Deputy Director of Women's Studies Centre who expressed gratitude to all participants and stakeholders for making the event a success.

b) Pledge and Awareness Program on "To Stop the Child Marriage" – 03.12.2024
Place: Ettikuttapatti
No. of Participant: 224

The Women's Studies Centre, Periyar University, Salem, conducted a pledge and awareness programme titled "To Stop the Child Marriage" to educate people in the adopted village and students in the University. The serious implications of this issue require cultivating a robust sense of opposition within communities to combat this detrimental social practice. So, as per the department of higher education order the Women's Studies Centre, organized this event.

Awareness at Ettikuttapatti village (03.12.2024)

The inaugural function took place on December 3, 2024, at the adopted village Ettikuttapatti, Salem District. It focused on eradicating child marriage for child safety towards education, health, and growth. Prof. Dr. P. Nazni, Director, Women's Studies Centre gave welcome speech, stressing upon legal, social, and moral obligation to eliminate this marriage, which had an extended and adverse impact on one's health, education, and overall development.

K. James Vikram, President of Ettikuttapatti Village Panchayat, conducted the pledge ceremony. He inspired the community to stand firm against child marriage. The program was finally concluded with a vote of thanks by Dr. T. Kowsalya, Project Assistant, Women's Studies Centre, stating that awareness would have to be constantly kept up. The villagers participated very enthusiastically and showed commitment toward the cause of safeguarding children's rights and their gender equality.

c) Program at the Department of Nutrition and Dietetics (04.12.2024)

The next phase of the initiative took place on December 4, 2024, at the Department of Nutrition and Dietetics, Periyar University. Students were actively involved in the awareness campaign, where Prof. Dr. P. Nazni, Director, Women's Studies Centre, led the pledge ceremony. The event highlighted the importance of educated youth in fighting child marriage and inspiring change in their society.

d) Program at the Department of Statistics (09.12.2024)

The concluding session was held on December 9, 2024, at the Department of Statistics, Periyar University, Salem. Dr. A. Radhika, Deputy Director,Women's Studies Centre,conducted the pledge ceremony. The event was designed to sensitize students and faculty about the societal implications of child marriage and to motivate them to take an active role in creating awareness.

Impact and Outcomes

These programs became a significant step in tackling child marriage through engaging rural communities, university faculty, and students. The Women's Studies Centre through its persistent efforts has continued to reaffirm its commitment towards building a society where children will thrive free from early marriages and this can only be achieved by ensuring that there is education, awareness, and cooperation in the community towards creating gender equality and a better future for the young generation.

Future action

The Women's Studies Centre of Periyar University will plan future actions such as organizing follow-up sessions on awareness programs to assess their effects and identify areas for improvement.

Engagements with local authorities, educational institutions, and community leaders will be strengthened to enhance advocacy efforts. Ongoing participation in workshops, campaign activities, and capacity-building programs will ensure broader outreach and a deeper understanding of the issue.

e) Awareness Programme on Pulses based Food Adulteration and Some Methods of Detection in rural people

Place: Thalavaipatti village, Kollapatti

No. of Participants: 73

The Awareness Programme on Adulteration and Detection of Pulses-based Food Adulteration by Women's Studies Centre, Periyar University, Salem on 23.10.2024 at Thalavaipatti village, Kollapatti, Salem. This programme aimed to create awareness to the rural women to identify the food adulteration and preventing food adulteration is to protect public health by ensuring food safety and quality, preventing harmful substances or adulterants from entering the food supply, and eliminating fraudulent practices that could compromise the safety of food. The event commenced at 10.30am with a welcome address by Prof.Dr.P. Nazni, Director of the Women's Studies Centre. She explains the food Adulteration or contamination of natural food products is one of the major challenges in day today life. Despite various actions and penalties, the practice of adding adulterant is quite common in our society and she explained some common methods used for adulterating natural products and their health effects.

Followed by Dr.T.Kowsalya, Project Assistant discussed the Adulteration is an illegal practice of adding raw and other cheaper ingredients to excellent quality products to increase the quantity. Having this adulterated food is highly toxic and leads to several health issues, including certain nutrition deficiency diseases, kidney disorders, and failure of an individual's organ systems, including heart, kidney and liver. And Mrs. K. Vanitha mentioned the common food adulteration in local market and some simple detection methods.

They showed that it is essential to choose unadulterated, quality pulses to maintain a proper diet, with special emphasis on rural families. A large number of rural women from the local community attended and showed great interest in learning more about food security. This awareness campaign is part of the Women's Studies Center's ongoing efforts in their quest to improve health and nutrition knowledge, so that people in rural areas can live healthy lives through education and empowerment.

ABOUT UNIVERSITY

The Government of Tamil Nadu established Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University covers the area comprising four districts namely Salem, Namakkal, Dharmapuri, and Krishnagiri. The University obtained 12(B) and 2(f) status from the University Grants Commission, New Delhi and it was reaccredited by the NAAC with "A+" Grade in 2021. The University secured 56th rank among Indian Universities by MoE NIRF 2023. The University is named after the Great Social Reformer E.V. Ramasamy, affectionately called as "Thanthai Periyar". The University aims at developing knowledge in various fields to realize the maxim inscribed in the logo "Arival Vilayum Ulagu" (Wisdom Maketh the World). "Holistic development of the students" is the primary objective of the University. The University has 27 departments and 113 affiliated colleges. The University has tie-ups with a number of academic, research institutes, and universities across the world to stay up to date on quality benchmarks.

ABOUT THE WOMEN'S STUDIES CENTRE

UGC funded Women's Studies Centre (WSC) at Periyar University was instituted in the month of September 2011. The Centre is aimed to promote and strengthen Women Studies through Teaching, Research and Extension activities which will be breaking up knowledge on social and scientific theories as well as integrate multidisciplinary collaboration. It is a stand-alonecenter collaborating with different colleges, universities, public and private sectors.WSC has a vision of inculcating Periyar's principles in support of women and educating them against practices such as early marriage, female infanticide, domestic violence, sexual abuse, unequal rights to women and train them for healthy life style. The Women's Studies Centre of Periyar University will elicit representation "For the women, By the women and of the women"

ABOUT THE CONFERENCE

National Conference on Advanced Technologies to Enhance Women Health aims to gather leading thinkers, researchers, healthcare practitioners, and technologists to discuss critical issues in women's health from the perspective of advanced technologies. The forum will offer a unique opportunity to discuss and showcase how new, emerging tools and innovations combined with interdisciplinary approaches can bridge gaps in healthcare delivery, education, and authorization for women.

The conference will bring together opportunities for digital health solutions, workplace safety technologies, nutrition and lifestyle management innovations tailored toward women. This conference aims at insightful dialogue on the use of technology for solving health needs of all kinds-through mental wellness, safe work environments, well-being, and overall health outcomes. Participants will share ideas, collaborate, share best practices, and identify useful actionable to equip women as they improve their health outcomes.

AIM OF THE CONFERENCE

This conference will focus on the development and awareness of new technologies and interdisciplinary approaches aimed at improving women's health. It shall bridge the knowledge gap that exists, advocate for dialogue in terms of digital health equity, empower women through accessible health education and technology-driven interventions, and resultantly make them healthier and better-informed communities.

THEME OF THE CONFERENCE

1. Digital Health Transformation for Women Using Emerging Technologies
2. Mental Health and Well-being Solutions Through Advanced Digital Platforms
3. Occupational Health and Workplace Safety Through Smart Technologies
4. Technological Innovations in Nutrition and Lifestyle Management

c) Awareness porgramme on POCSO ACT

Place: Seminar Hall, Women's Studies Centre, Periyar University, Salem

No. of Participants: 52

The Women's Studies Centre of Periyar University, Salem, conducted an awareness programme on POCSO ACT at Seminar hall, Women's Studies Centre, Periyar University Salem on 20.12.2024. Prof. Dr. P. Nazni, Director, Women's Studies Centre of Periyar University gave welcome speech, Every child has the right to grow up in a safe and secure environment, free from any form of abuse or neglect. Unfortunately, child sexual abuse is an all-too-common occurrence in India and around the world. In this awareness programe, we'll discuss how schools and colleges can play a vital role in preventing such heinous offences through the implementation of the Protection of Children from Sexual Offences (POCSO Act).

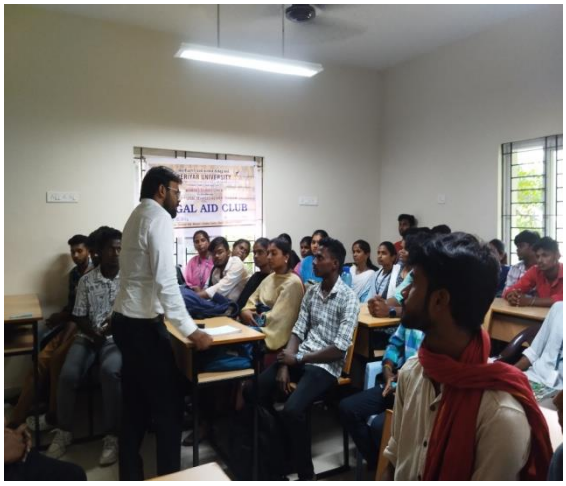

Tr. Dhineshkumar.P, District Legal Services Authority, Salem openly discuss any issues or concerns they may have. Schools and college authorities and teachers can be alert to signs of abuse and take appropriate action if they suspect that a child may be at risk. Here are a few responsibilities of school authorities and teachers in actively contributing to this cause. Additionally, Organize an awareness sessions to teach students about the concepts of good touch, bad touch, and sexual abuse. Students should be able to tell someone if they have been sexually abused. Schools and colleges should conduct regular sessions on

personal safety that cover topics such as body parts, online safety, and abuse protection. Staff should be trained on how to handle disclosures of abuse, they should be trained on the provisions of POCSO Act and their responsibilities and understand the importance of keeping children safe. Parents should also be given information on how to support their child if they have been abused.

The awareness programe was successful able to conclude the culture does not seek against, rather honour the status of the lineage in the society and culture although there are laws to protect children, not many are aware of it.

d) Awareness Programme on POSH Act on 18th October, 2024.
Place: Seminar hall, Women's Studies Centre, Periyar University, Salem.
No. of Participants: 27

A comprehensive legal awareness program on the POSH Act was conducted by the District Legal Services Authorities and the Women's Studies Centre of Periyar University on 18th October, 2024. It was to be conducted in seminar hall, Women's Studies Centre and would sensitise students representing various university departments about crucial aspects and legal provisions on the POSH Act.

Mr. Ravi P., Panel Lawyer from District Legal Services Authorities, was the resource person for the event. He explained at length about the POSH Act-its significance, key provisions, and practical guidelines to recognize and redress sexual harassment at college and professional workplaces. He underlined that it is the responsibility of the young adults to understand their rights and duties under the Act and the importance of it for safe spaces for all genders.

An interactive session was culminated with questions from students, who sought clarification about the real-life applications of the POSH Act. This interactive session enhanced the students' understanding. This programme was a clear testimonial of the commitment of Women's Studies Centre to equip its students with legal knowledge in relation to gender sensitivity and awareness, thus reinforcing this university's commitment to a campus as a safe and an inclusive place. Totally 27 participants were participated and benefited

DEPARTMENT OF MATHEMATICS

1. About the Department

The erstwhile PG centre of Madras University has become the Department of Mathematics of Periyar University in 1997. The department offers programmes of study and research leading to M.Sc. and Ph.D. degrees and is on a relentless march towards academic excellence. Based on the contributions towards research, the University Grants Commission (UGC) has granted funds under the Special Assistance Programme (SAP), the Department of Science and Technology (DST) has granted funds for the Improvement of S&T infrastructure (FIST), and NBHM-DAE has been supporting the library grant to this department.

Vision and Mission of the Department

The objective of the Department is to build a strong research group in and around University area in the field of Algebra, Analysis, Graph Theory, Differential equations and Numerical Analysis which have been identified as the thrust areas by the scientific bodies like DST, NBHM, DAE etc. and to place the department in the limelight of other research groups in India.

With these objectives in mind we plan to raise our Department to the level of "Center of Excellence in Mathematics".

DEPARTMENT OF PHYSICS

1. About the Department : Department of Physics

Department of Physics was established in the year of 2004 with a vision to provide world class research facility among the students and research scholars of this university area. The main objective of the department is to provide high quality teaching and research. The department holds various projects in the field of crystal growth, high energy materials, nanotechnology and material science, funded by UGC, DST, CSIR, DAE, DRDO, BRNS etc.. In addition, the department is also covered under DST-FIST programme for the strengthening infrastructure of laboratories. Further, the Government of Tamil Nadu provided high tech laboratory facility to the department of physics.

DEPARTMENT OF CHEMISTRY

1. About the Department

The Department of Chemistry was established in the year 2004, offering M.Sc., Ph.D., programmes and the Department produced more than 120Ph.Ds and published more than 694 quality research papers so far. The Department has completed 30 major research projects to the tune of about 7 crores. Based on the outcome from the department, the Department of Science and Technology (DST) and University Grants Commission (UGC) have sanctioned grants under FIST and SAP programmes to set up laboratory as well as sophisticated instruments facilities.

DEPARTMENT OF FOOD SCIENCE AND NUTRITION

1. About the Department:

Department of Food Science and Nutrition was instituted in the year 2005, to tap the unexplored potential and its application to the society in the discipline of Food Science and Nutrition with the objectives of Inculcation of knowledge, productive learning, life and entrepreneurship skills and employability among the youth related to Food Science, Technology and Nutrition. The Department fosters teaching, research and extension activities in the major thrust area like Food Chemistry, Post Harvesting Technology, Food Product Development, Nutraceutical and Functional Foods, Clinical and Public Health Nutrition. Department of Food Science and Nutrition was received funds (Rs.85 Lakhs) from UGC in order to start the B.Voc. Programme in Food Science and Nutrition in the year 2015.

Faculties of the Department are actively involved in research by availing funding support from various funding agencies such as UGC, DST, DRDO, RSSDI, ICMR etc. Students are encouraged to be the beneficiaries of DST Inspire Fellowship, UGC-NET Junior Research Fellowship, University Research Fellowship and Project Fellow in various funded projects, National and State Scholarships. The department has created infrastructure facilities for advanced research for M.Sc., M.Phil., and Ph.D., Scholars with the funding assistance from UGC , MOFPI (Rs.75 Lakhs) and DST-FIST-Level I (Rs.84 Lakhs).

DEPARTMENT OF BIOCHEMISTRY

1. About the Department

The Department of Biochemistry was established in the year 2005 and has been offering M.Sc., M. Phil., and Ph.D degrees in Biochemistry. The department comprises of two professors, one Associate Professor, one Assistant professor and two guest faculties. The main objective of the department is to inculcate the basic concepts and applications of Biochemistry and thrive in the field of research and development. The department is known for its commitment to the development of the students into well-rounded individuals who can take on leadership role in Industry, Academic or Government. The Department is inbuilt and established with numerous research facilities such as high speed Ultra centrifuges, Spectrophotometers, Semi Autoanalyser, colorimeter, Deep freezers, Cold room, Sonicator, Gel documentation system, orbital shakers, RT-PCR and PCR machines, CO_2 incubators, ELISA Reader, centrifuges, incubators, laminar flow, electronic balance etc.

DEPARTMENT OF SOCIOLOGY

1. About the Department

The Department of Sociology has been established in October, 2008 at Periyar University to carve out social equilibrium through its three dimensional phenomena as

- Academic
- Research
- Extension activities

The Department has adopted a village for the multi-faceted growth. The Post Graduate students of the Department visit the village all the alternative Fridays to the village Sangeethapatti to know the issues, problems, developments, challenges etc., through the methodologies viz., narratives, interview, and case study. The field visits help them to prepare the periodical reports par with the international reports like through the adopted village, the Department identifies the young child scientists and bring them to the Department celebrates the National Science Day on twenty eighth February every year since 2010 consistently.

VISION

The Department throws its light on societal issues and strives to bring time demanding solutions. It prepares the students and scholars to take up any kinds of academic, research activities and in bureaucracy.

MISSION

- To identify the researchable areas for the students of Sociology to pursue both quantitative and qualitative research.
- To help the society in all possible ways by deliberating the different issues which have social ramifications.
- To bring the social harmony and peace in the different settings - Rural, Urban, Tribes and Industries

DEPARTMENT OF BOTANY

1. About the Department

The Department of Botany was established in the year 2011. The department is being blooming in to making wisdom. Our mission is to discover, maintain, and transmit knowledge concerning basic plant biology and provide leadership in the biological sciences. The department is successfully running postgraduate programme in Botany from the Academic year 2011-2012 and Ph.D. programmes in (Regular & Part Time).

DEPARTMENT OF ENVIRONMENTAL SCIENCE

1. About the Department

The Department of Environmental Science was created in 2011 with the aim of providing innovative knowledge and awareness at the forefront of interdisciplinary sciences focusing on environmental care and renewable energy. The department is established with well-equipped smart classes, laboratory and library, and offers new interdisciplinary curricula for the postgraduate students. The curricula cover the subjects with the current thrust areas of various environmental and renewable-energy sciences. The full spectrum of education and research provided by the Department of Environmental Science is characterized by a passionate commitment to rigorous scholarship and interdisciplinary effort. The Department is striving for industry partnership and collaboration with Foreign Universities, which enable post graduates and research scholars to have direct exposure to industrial careers through internships, scholarships and fellowships.

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

1. About the Department

The Department of Library and Information Science was established in 2011.The Department has full-fledged, dedicated and committed team of faculties with rich research experience. The Syllabus coverage in the Department is on par with the international standards. The multimedia technology is used in regular classes. The programmes offered by the Department are M.Lib.I.Sc two year CBCS programme and PhD Full time & Part time Research programme. All the passed out students got well placed in leading Academic institution and research institutions with decent pay and perks.

DEPARTMENT OF ZOOLOGY

1. About the Department

The Department of Zoology was established in the year 2012. This Department strives to create a suitable an environment that enables teaching and research to attain high levels of excellence (through Publications and Patents) and in which its members can achieve their full potential right from Molecular Cell Physiology to understanding and targeting diseases like cancer and vector borne diseases, impact of climate change on insect diversity and bat behavior, Cultivation to commercialization of earthworms etc. In addition to the routine work, the Faculties actively engaging in research and also have collaboration with other Universities/ Research Institutions at national as well as International level. So far the Department of Zoology received more than a Crore of Rupees as research grant from various funding agencies like DST, UGC etc.

DEPARTMENT OF TEXTILES AND APPAREL DESIGN

1. About the Department

Established in the year 2014, the department of textiles and apparel design aims at equipping students with knowledge and skills that would make them job ready and self-reliant. The curriculum also focuses on opportunities and entrepreneurship. The department offers B.Voc,M.Sc, MPhil and PhD programmes. To implement effectively the curriculum and research activities, the department is equipped with the best laboratories for draping, sewing and construction, Computer application in design and Textile testing. It has a Conducive research environment, skillsets and competence to undertake consultancy projects from the industry. Research at the department also addresses issues relating to textile industry located in the region

DEPARTMENT OF ENERGY SCIENCE & TECHNOLOGY

1. About the Department:The Department of Energy studies was established in the year 2015 (later renamed as Energy Science in 2019) with major intention of promoting quality education in the arena of renewable energy. The rapid depletion of conventional energy sources due to worldwide increase in fossil fuel-based road transport, industrial activity, and power generation demands a predominant need for the alternate and renewable energy. In the quest to reach this ultimatum, a postgraduate in energy science and research Programme is offered by the Department of Energy Science.

   In the year 2019, with a mission to provide manpower with knowledge and skill for the growth of India's energy sector with innovative energy technologies, the department has started to a new course M.Tech Energy Technology with the approval of AICTE New Delhi effective from 2020-21 academic years onwards.

   The University has employed highly experienced and professionally qualified young and dynamic faculty members with background from industries and education in the field of renewable energy. The faculties of Energy Science are actively involving themselves in research and extension activities, paper and book publications. Attending and presenting papers at national and international level seminars and conferences.

   The students are encouraged to make maximum use of library and computer lab which are available to them round the clock. The learning environment is always continuous and inculcates in the students. The Department strongly emphasis on quality education, effective teaching pedagogies and real industry interface to propel to a better career of the students.

DEPARTMENT OF STATISTICS

1. About the Department

The Department of Statistics has been recently started from the academic year 2016 – 17. At present the Department is a full-fledged research department and offer M.Sc., M.Phil. and Ph.D. Programmes in Statisticsand Biostatistics. The objective of the Department is to build a strong research group in and around University area in the field Design and Analysis of Experiments, Statistical Quality Control, Stochastic Processes and Biostatistics. With these objectives in mind we plan to raise our Department to the level of "Center of Excellence in Statistics".

CENTRE FOR INSTRUMENTATION AND MAINTENANCE FACILITY

CIMF and its Objective

Centre for Instrumentation and Maintenance Facility (CIMF) is the unique facility, which was created under UGC's XIth plan merged scheme. The main objective of the centre is to provide better service for the electronic and electrical equipments, and to design new electronic devices to meet out the university's research and teaching requirements. CIMF is well equipped with sophisticated electronic equipments. Periodically, CIMF conducts workshops and training programmes on various instruments being used for scientific research.

New Equipments Facilities created

This academic year CIMF purchased and installed a Single crystal X-ray diffractometer (SCXRD) and the Life Science Departments also purchased Scanning Electron Microscope (SEM) and Gas Chromatography Mass Spectrophotometry (GCMS) from RUSA grant. All these equipments will be placed in CIMF under one platform, so that all the faculties and students can utilize these sophisticated facilities for their research.

1. Single Crystal X-ray diffraction facility

CIMF created Single Crystal X-ray Diffraction intensity measurement facility. This facility is mainly intended for materials, biomolecular and chemical research and others can also utilize this facility if it is necessary. This instrument allows to determine the crystal and molecular structure of crystalline materials

SINGLE CRYSTAL X-RAY DIFFRACTOMETER

2. Scanning Electron Microscope with EDX Facility

Scanning electron microscopy with energy dispersive X-ray spectroscopy (SEM/EDX) is the best-known high-resolution images of surface topography, with excellent depth of field.

SEM with EDX

3. Gas Chromatography Mass Spectrophotometer Facility

GC-MS can be used to study liquid, gaseous or solid samples. GC is used to separate the chemical components of a sample mixture and then detect them to determine their presence or absence and/or how much is present.

GCMS

4. ATOMIC ABSORPTION SPECTROSCOPY Facility

Atomic absorption spectrometry (AAS) is an easy, high-throughput, and inexpensive technology used primarily to analyze elements in solution.

Equipment service and Revenue

From the very inception of this centre, CIMF serviced several electronic and electrical equipments, computers and other non-electronic equipments which are being used for research and teaching. These in-house facilities are immensely helpful for our students as well as researchers and the non-teaching staff members. CIMF charges a very minimal amount for service/component replacement. The amount receiving towards the equipment service is duly deposited to Registrar's CIMF account without any delay. This revenue is very helpful for CIMF's future development.

Workshop and Training Programs

CIMF is organizing workshops, Training programmes and Internship to benefit our faculties and students of our university and affiliated colleges. During the last academic year (2024-2025), CIMF organized the following programmes.

Workshops conducted (2024-25) : 1
Internship : 2

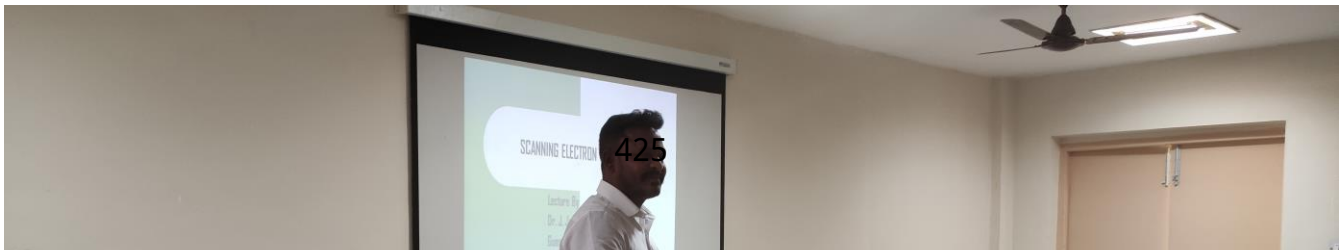

Workshop – 1

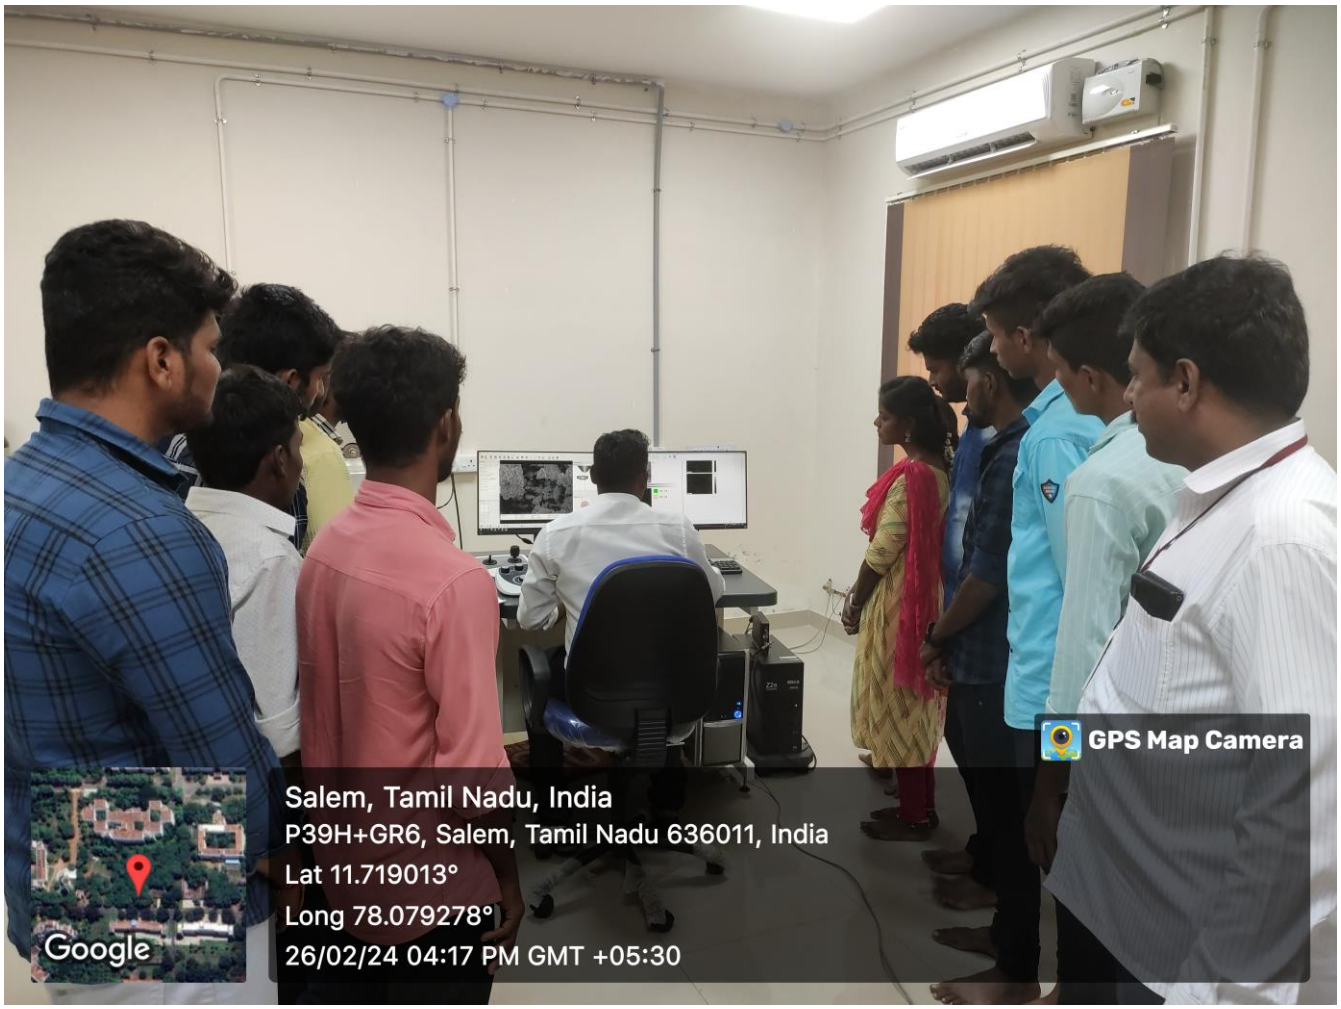

Title : Workshop on GC-MS Analytical Techniques
Date : 20th February, 2025

The Centre for Instrumentation and Maintenance Facility (CIMF) of the Periyar University has organized a one-day Workshop on GC-MS Analytical Techniques on 20.02.2025. The workshop focused on the latest developments in various analytical techniques of Gas Chromatography and Mass Spectrometer. The Director of CIMF, Prof. K. Murugesan, welcomed the workshop gathering and explained the available facilities and services provided to the research community. Currently, the Centre has Single Crystal XRD, GC-MS, SEM-EDX, and AAS supported by RUSA. He stated that the University Authorities strongly supported the establishment of the Centre facilities. CIMF provides its facilities to the researchers of the Periyar University and other institutions and industries. PERIYAR UNIVERSITY CENTRE FOR POSTGRADUATE AND RESEARCH STUDIES DHARMAPURI

1. About the PG and Research Centre, Dharmapuri

Post Graduate Extension Centre of this University started functioning from the academic year 2012-2013 with the approval of the Government of Tamilnadu (G.O No. 76; Dated 25-05-2012) and is located at Boomandahalli, Mallikuttai Post, Dharmapuri- 635 205. It was established with three departments initially and five more departments were added successively during 2015 and 2016. In consonance with its mission statement "Arival Vilaiyum Ulagu" it is committed to promote an intellectual climate through artistic creation, critical mediation and innovative ideation. The Post Graduate Extension Centre inculcates in bridging a gap of holistic integrated education to the young minds. The only motive of the Government of Tamil Nadu and Periyar University to start a PG Extension Centre in Dharmapuri is to reach the unreached in every corner and in outskirts of Dharmapuri and Krishnagiri Districts. It plays a pivotal role in providing the completeness of wisdom and knowledge, by educating and enriching the students from rural areas. It always excels with the sense of rendering standard education for a fulfilled development of this area. The Centre comprises eight Departments presently. The PG Extension Centre was renamed as ''Centre for Postgraduate and Research Studies, Dharmapuri'' in May 2022 to attain the national importance.

Dr.R.Amutha	International Conference on Frontier Research in Life Sciences (ICFRLS-2025)	Isolation and evaluation of Phytochemical, Antibacterial, Bio Analytical (GC-MS, HPLC) Activity of Cocciniagrandis and its Antitoxicity study using Caenorhabditis elegans	23-24.01.2025	University of Madras, Guindy Campus, Chennai.
35.		Dr.R.Amutha	International Conference on Sustainable Materials and Advances in Regenerative Technologies (SMART – 2025)	In silico Molecular Docking Analysis and Virtual screening of potential Acteylcholicnesterseinibitors for Alzhimer's disease	31.01.2025-01.02.2025	Department of Science, Sona College of Technology, Salem.
36.		Dr.R.Amutha	Emerging trends in Teaching and Research	Participated	17.02.2025-19.02.2025	Department of Nutrition and Dietetics, Periyar University, Salem.
37.		Dr.R.Amutha	National Conference on Applied Biotechnological and Biosciences Interventions in New Age Translational Therapeutics (ABBINATT – 2025)	Green synthesized nanofiber preparation and characterisation of methanolic extract leaf extract of Cocciniagrandis	21.02.2025-22.02.2025	Division of Molecular Biology, JSS AHER, Mysuru.
38.		Dr.R.Amutha	Innovation in zoology towards Biomedical Sciences	Participated	03.03.2025-07.03.2025	Department of Zoology, Periyar University, Salem.
39.		Dr. P. Prabu	International Conference on "Agrovoltaics and Sustainability in Farming"	Presented (Lead Talk) Nanomaterials in Agricultural Applications	19.09.2024	TNAU Ciombatore
40.		Dr. P. Prabu	Mushroom Cultivation Technology and	Presented (Invited Lecture) Role of Nanomaterials	28.08.2024	Government Arts & Science

			Millet Food Carnival	in Mushroom Production		College, Harur
41.		Dr. P. Prabu	Department of Microbiology, KSRCAS	Presented (Resource person) Nano Fibers	30.07.2024	KSRCAS Tirucheng ode
42.		Dr.R.Revathi	Emerging trends in teaching and research	Participated	17.02.2025 to 21.02.2025	Periyar University
43.		Dr.R.Revathi	Current Challenges in Health and Wellbeing - 2024	Participated	30.07.2024	Periyar University
44.		Dr.R.Revathi	One day National level conference on Susainable Bio-innovations	Synthesis and characterization of Bioplastic Composites … Manihot Esculenta peel waste	05.03.2025	KSR college of Arts and Science
45.		Dr.R.Revathi	One day National level conference on Susainable Bio-innovations	In vitro Alpha Amylase activity and Alpha Glucosidase … activity of Croton Bonplandianum	05.03.2025	KSR college of Arts and Science
46.	Geology	Dr.K. Sanjai Gandhi,	International Seminar on Air, Water & Sediment regime and its impact on climate change- A sustaibable development goal	Distribution of Impact of Microplastic pollution in Aquatic ecosystems of Nagapattinam, Tamil, Implcation for Urgban runoff and instruial effluents. (International Seminar)	24-25 January 2024,	VOC college-Thoothukudi- 628 008
47.		Dr.K. Sanjai Gandhi,	National workshop, at Sathyabama Research Park	Sources, Types, and Transport of Microplastics& Microplastics in Water Bodies & Sediments	20-21 Feb-2025	Satyhabama research park-chennai
48.		Dr.K. Sanjai Gandhi,	FDP	Discourses on social develpment	27.01.2025 - 31.01.2025	Department of Sociology, Periyar University centre for PG and RS, Dharmapuri- 635 205
49.		Dr.K. Sanjai Gandhi,	NSS	Water management	2025,	NSS Camp-Periyar University centre for PG and RS

						, Dharmapuri- 635 205
50.		Dr.K. Sanjai Gandhi,	Modern trends in mineral exploration and mining. Geochemical analysis of offshore tsunami deposits	Department of Geology.	18.02.2025,	Amet University - Chennai
