TAMIL NADU**

## DEPARTMENT OF BIOCHEMISTRY

NUMBER OF ALUMNI: 74

### Biochemistry

More than 90% of the respondents strongly agree and agree for Admission Procedure, Fees Structure, Campus Environment, Faculty and Standards of Curriculum Syllabi.

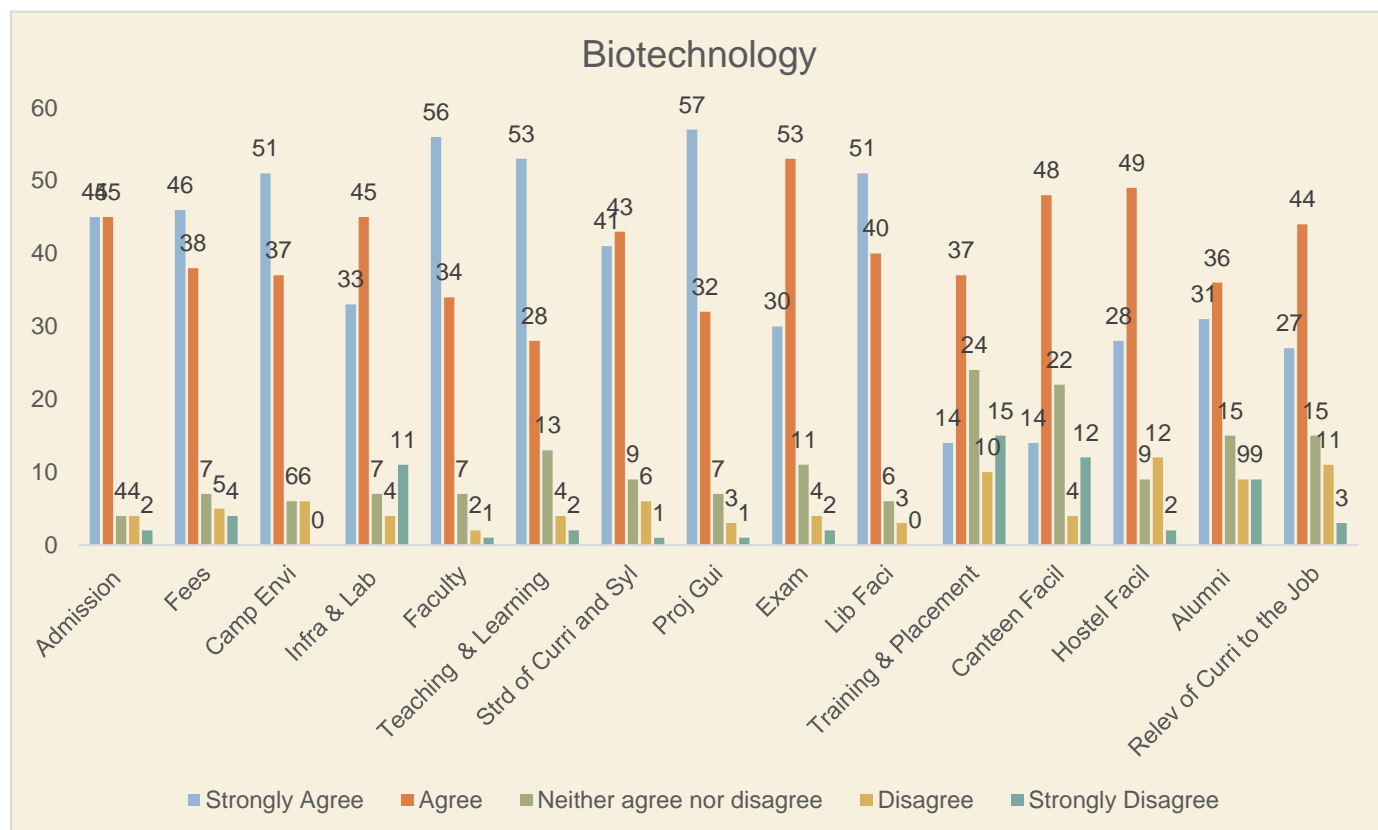

More than 80% strongly agree and agree on the quality of teaching and learning process, Project Guidance, Examination System, Library Facilities and Hostel Facilities.

Alumni are pleased with the infrastructure, lab facilities, canteen and relevance of curriculum to Job.

Alumni feel discontented with the training and placements and alumni interactions of the department.

## DEPARTMENT NAME: BIOTECHNOLOGY

NUMBER OF ALUMNI: 94

### Biotechnology

More than 90% of the students have given highly positive responses for Admission Procedure, Faculty and Library Facilities of the department.

More than 80% of the students have given responses as Strongly Agree and Agree for Fees Structure, Campus Environment, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance and Examination System.

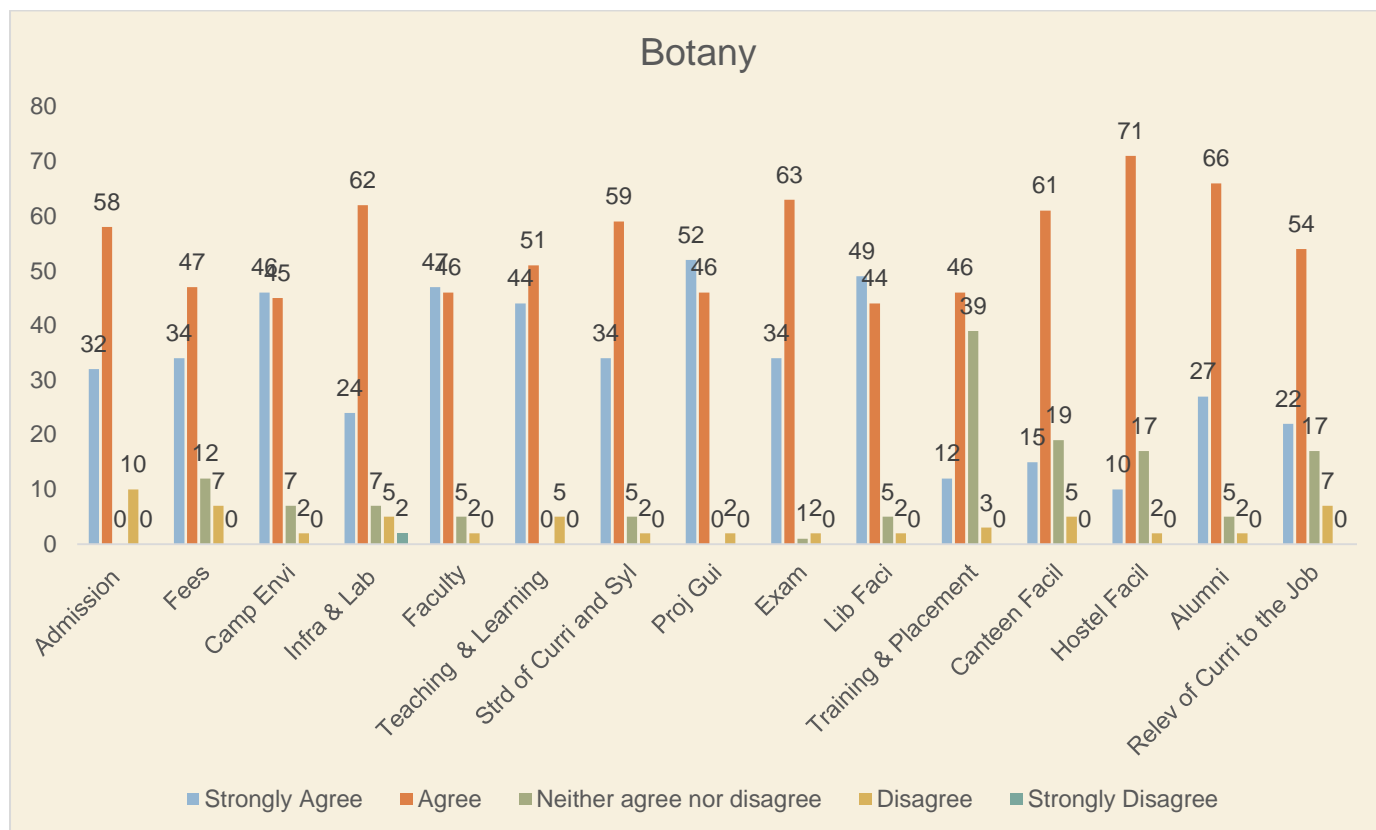

More than 70% of the students have given responses positively for Infrastructure and Lab facilities, Hostel Facilities and Relevance of Curriculum to the Job.

More than half of the students are satisfied with Canteen Facilities and Alumni Interactions.

Students are slightly displeased with the Training and Placement in the department.

## DEPARTMENT NAME: BOTANY

NUMBER OF ALUMNI: 41

### Botany

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Faculty, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance, Examination System, Library Facilities and Alumni Interaction.

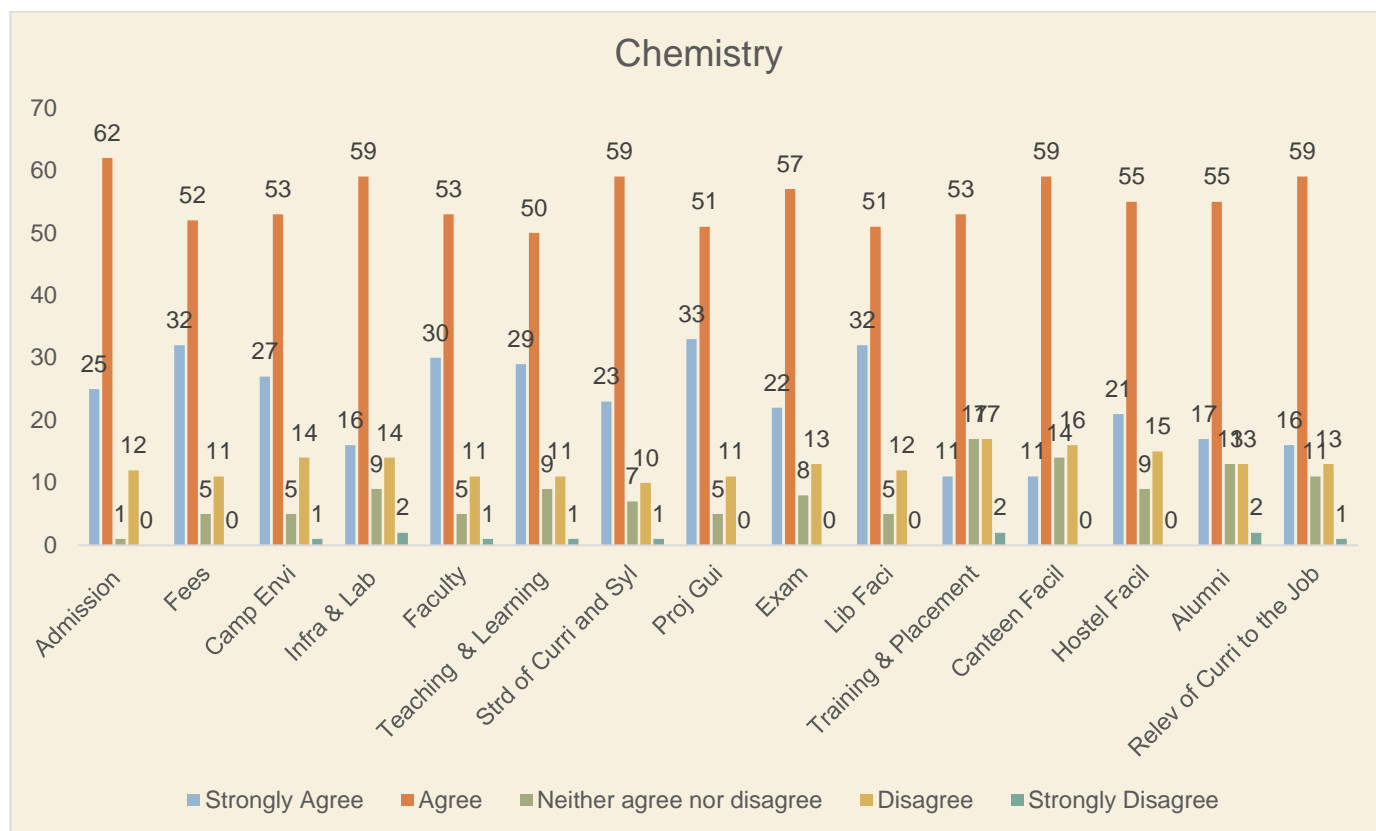

More than 80% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Fees Structure and Hostel Facilities.

More than 70% of the students have given responses as Strongly Agree and Agree for Canteen Facilities and Relevance of Curriculum to the Job.

Students are not happy with the Training and Placements in the department.

**DEPARTMENT NAME: CHEMISTRY**

**NUMBER OF ALUMNI: 237**

**Chemistry:**

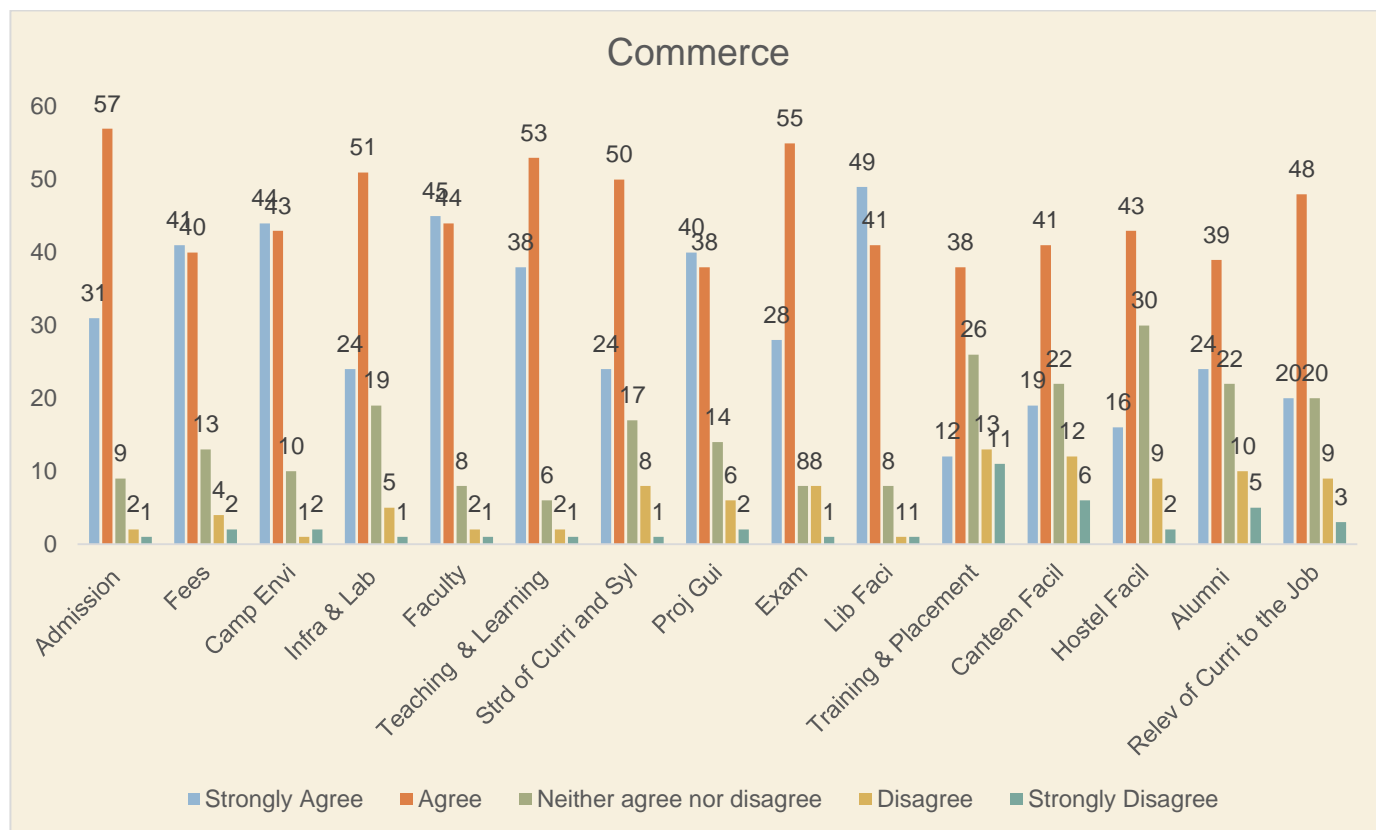

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Campus Environment, Faculty, Standards of Curriculum and Syllabi, Project Guidance and Library Facilities.

More than 70% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Quality of Teaching and Learning Process, Examination System, Canteen and Hostel Facilities, Relevance of Curriculum to the Job and Alumni Interaction.

19% of the students have given responses as Disagree and Strongly Disagree for the Training and Placement.

## DEPARTMENT NAME: COMMERCE

NUMBER OF ALUMNI: 93

### Commerce:

More than 90% of the students have given responses as Strongly Agree and Agree for Quality of Teaching and Learning Process and Library Facilities.

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Campus Environment, Faculty, Fees Structure and Examination System.

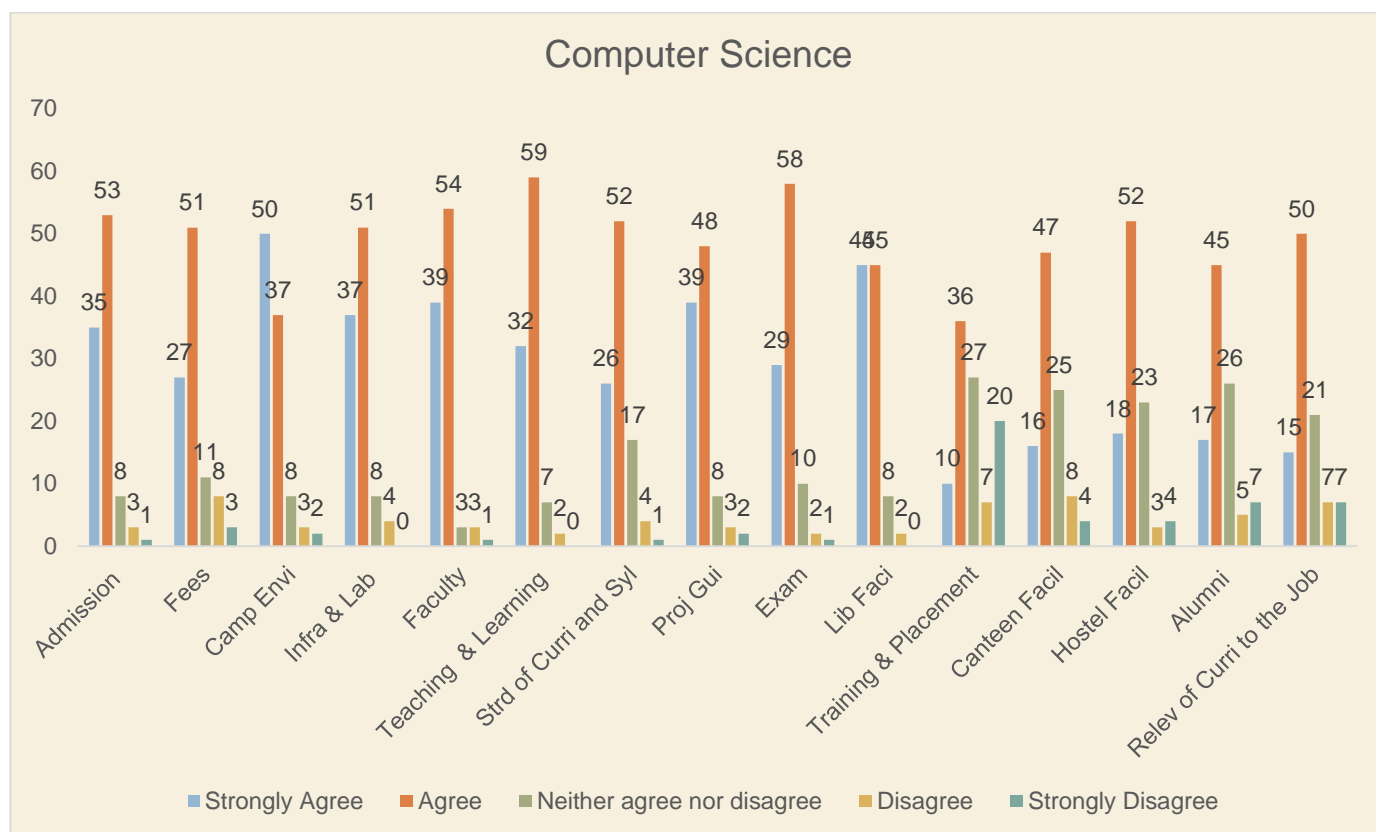

More than 70% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Project Guidance, and Standards of Curriculum and Syllabi.

More than 60% of the students have given responses as Strongly Agree and Agree for Canteen Facilities, Relevance of Curriculum to the Job Alumni Interaction.

More than half of the students are satisfied with the Hostel Facilities and around 25% have given negative feedback for the training and placements of the department.

## DEPARTMENT NAME: COMPUTER SCIENCE

NUMBER OF ALUMNI: 92

### Computer Science:

More than 90% of the students have given responses as Strongly Agree and Agree for Faculty, Quality of Teaching and Learning Process and Library Facilities.

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Campus Environment, Infrastructure and Lab facilities, Project Guidance and Examination System.

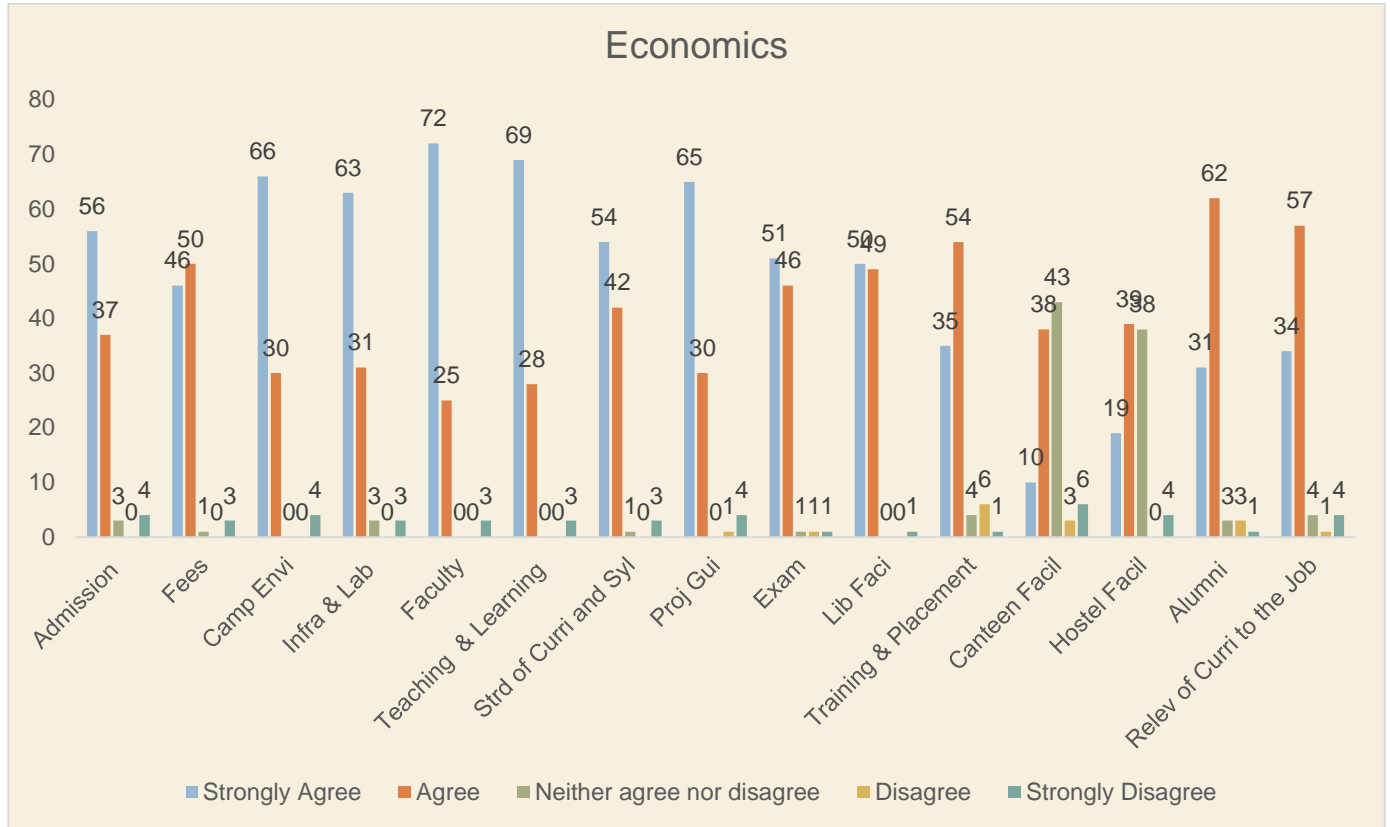

Around 70% of the students have given responses as Strongly Agree and Agree for Standards of Curriculum and Syllabi, Fees Structure and Hostel Facilities.

More than 60% of the students have given responses as Strongly Agree and Agree for Canteen Facilities, Alumni Interaction and Relevance of Curriculum to the Job.

Students are slightly displeased with the Training and Placement in the department.

## DEPARTMENT NAME: ECONOMICS

NUMBER OF ALUMNI: 68

### Economics:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Campus Environment, Faculty, Infrastructure and Lab facilities, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Examination System, Project Guidance, Library Facilities, Relevance of Curriculum to the Job and Alumni Interaction.

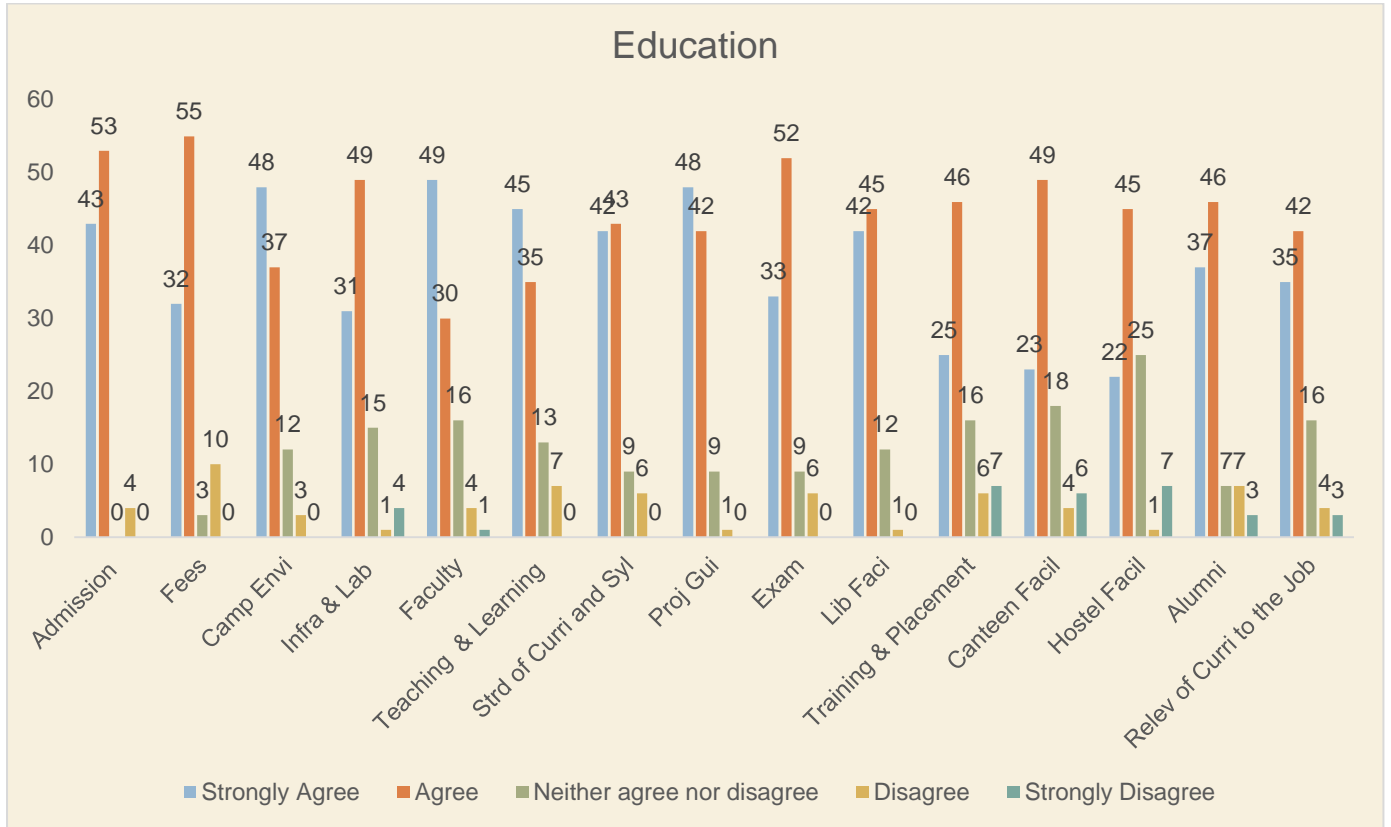

89% of the students have given responses as Strongly Agree and Agree for Training and Placement.

Students have given moderate feedback on the canteen and hostel facility.

## DEPARTMENT NAME: EDUCATION

NUMBER OF ALUMNI: 67

### Education:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure and Project Guidance.

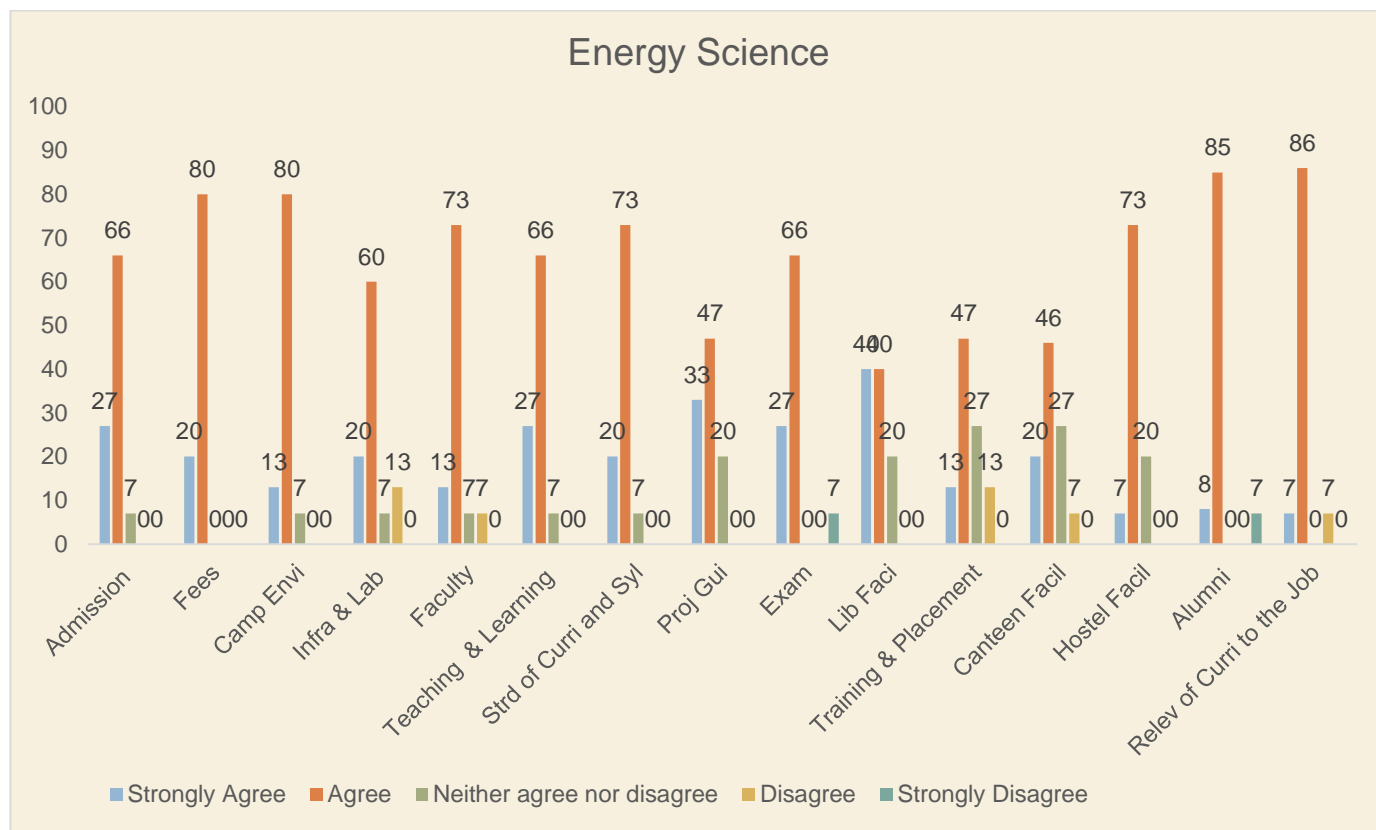

More than 80% of the students have given responses as Strongly Agree and Agree for Fees Structure, Campus Environment, Infrastructure and Lab facilities, Standards of Curriculum and Syllabi, Quality of Teaching and Learning Process, Examination System, Library Facilities and Alumni Interaction.

More than 70% of the students have given responses as Strongly Agree and Agree for Faculty, Training and Placement, Canteen Facilities and Relevance of Curriculum to the Job.

67% of the students have given responses as Strongly Agree and Agree for Hostel Facilities.

## DEPARTMENT NAME: ENERGY SCIENCE

NUMBER OF ALUMNI: 15

### Energy Science:

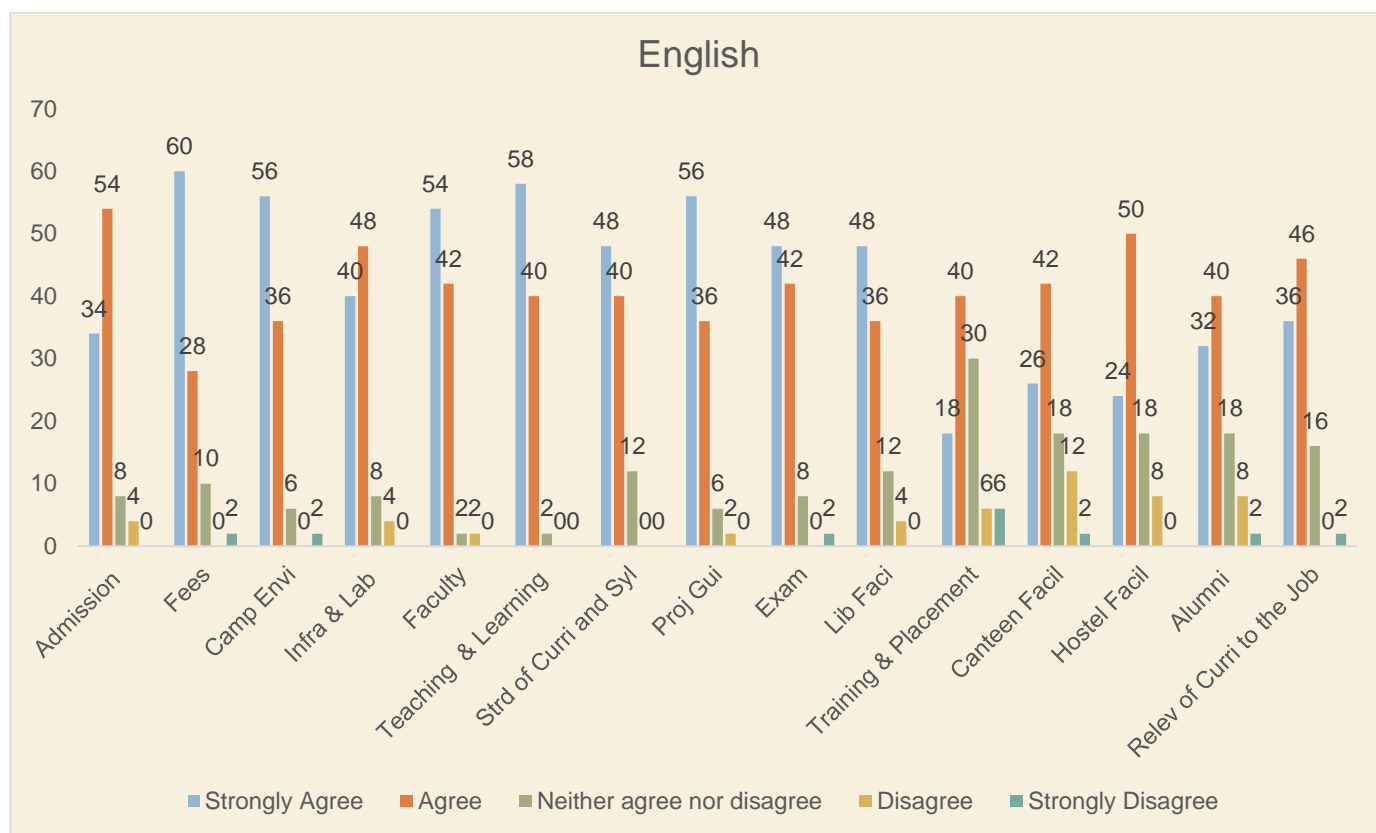

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Campus Environment, Standards of Curriculum and Syllabi, Quality of Teaching and Learning Process, Examination System, Alumni Interaction and Relevance of Curriculum to the Job.

More than 80% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Faculty, Project Guidance, Library Facilities and Hostel Facilities.

More than 60% of the students have given responses as Strongly Agree and Agree for Training and Placement and Canteen Facilities.

## DEPARTMENT NAME: ENGLISH

NUMBER OF ALUMNI: 50

### English:

More than 90% of the students have given responses as Strongly Agree and Agree for Campus Environment, Faculty, Quality of Teaching and Learning Process, Project Guidance and Examination System.

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Standards of Curriculum and Syllabi, Infrastructure and Lab facilities, Library Facilities and Relevance of Curriculum to Job.

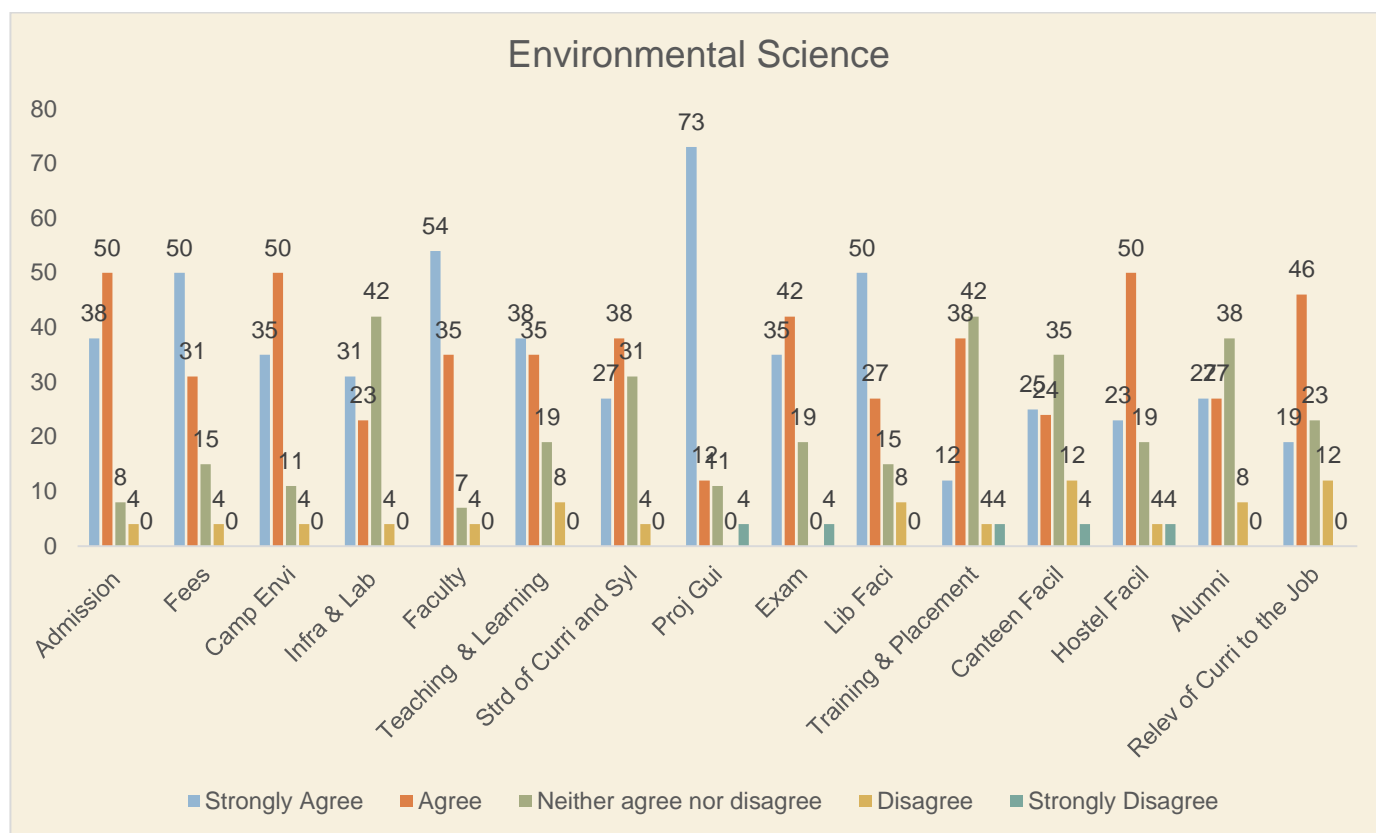

More than 70% of the students have given responses as Strongly Agree and Agree for Hostel Facilities and Alumni Interaction.

68% of the students have given responses as Strongly Agree and Agree for Canteen Facilities.

Students are slightly discontented with the Training and Placements.

## DEPARTMENT NAME: ENVIRONMENTAL SCIENCE

NUMBER OF ALUMNI: 26

### Environmental Science:

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Campus Environment, Faculty and Project Guidance.

More than 70% of the students have given responses as Strongly Agree and Agree for Examination System, Quality of Teaching and Learning Process, Library Facilities and Hostel Facilities.

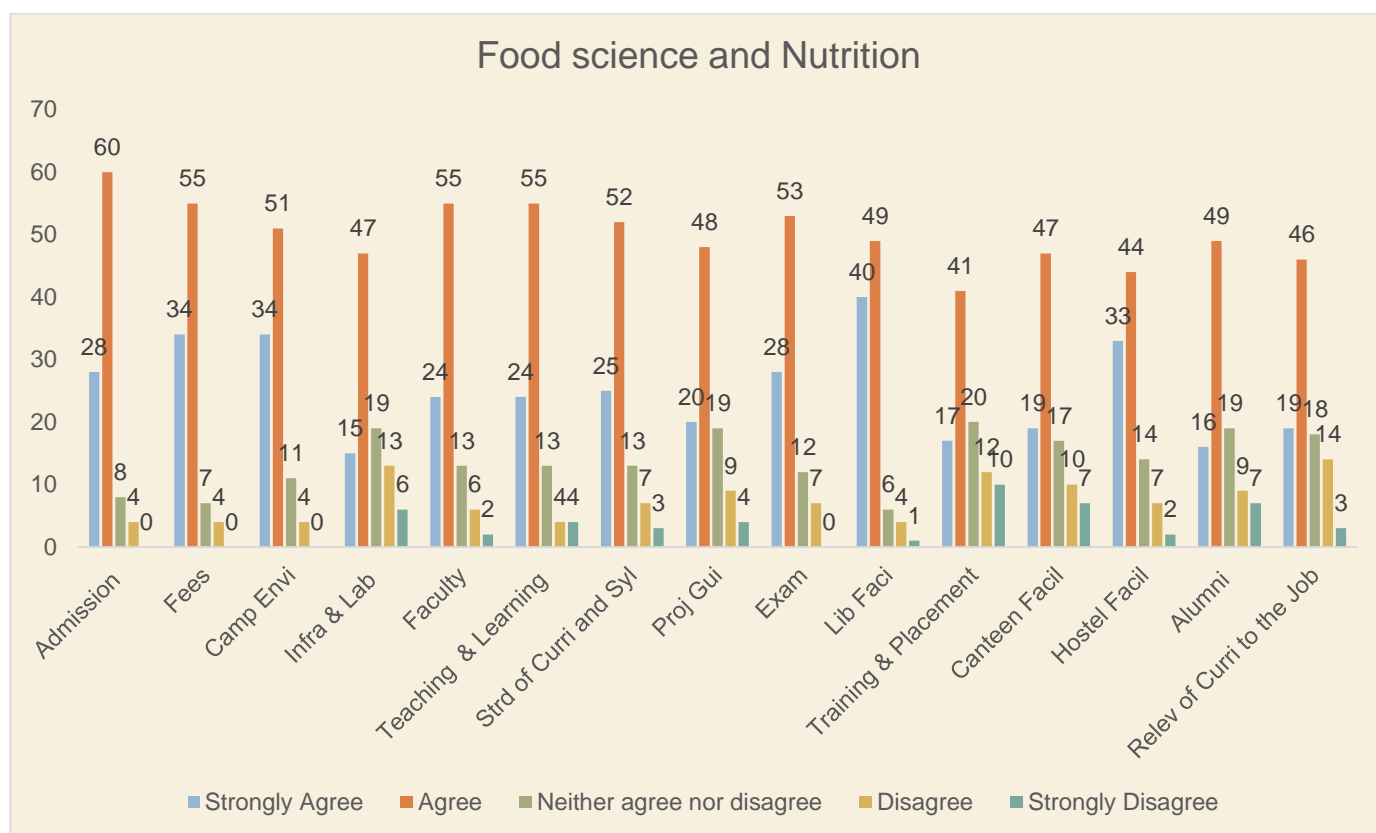

More than 60% of the students have given responses as Strongly Agree and Agree for Standards of Curriculum and Syllabi and Alumni Interaction, Relevance of Curriculum to the Job.

More than 50% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Alumni Interaction and Training and Placement.

More than half of the students are discontented with the canteen facilities provided

## DEPARTMENT NAME: FOOD SCIENCE AND NUTRITION

NUMBER OF ALUMNI: 134

### Food Science and Nutrition:

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Campus Environment, Examination System and Library Facilities.

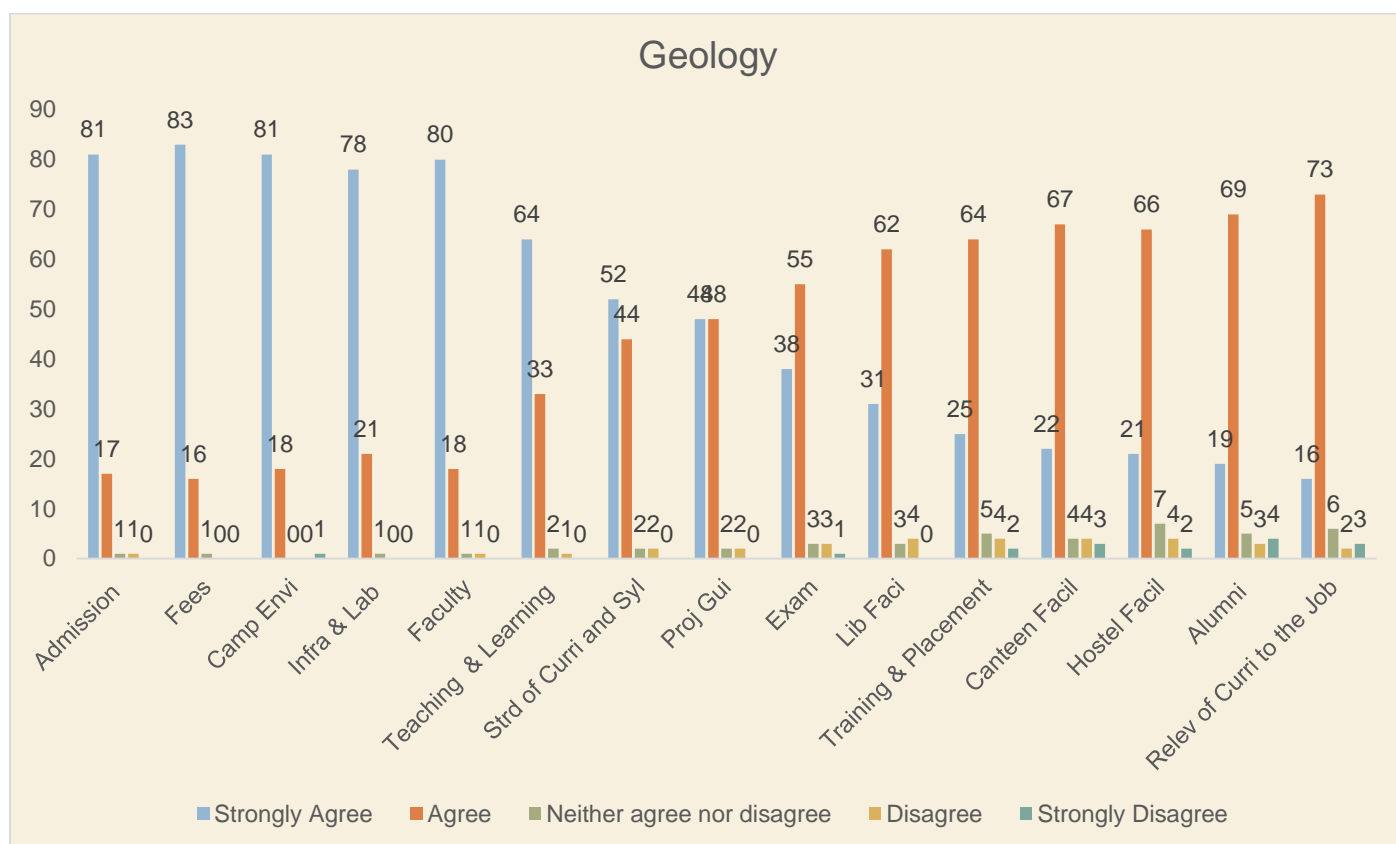

More than 70% of the students have given responses as Strongly Agree and Agree for Faculty Quality of Teaching and Learning Process Standards of Curriculum and Syllabi and Hostel Facilities.

More than 60% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Project Guidance, Canteen Facilities, Alumni Interaction and Relevance of Curriculum to the Job.

Students have given moderate feedback on Training and Placement in the Department.

## DEPARTMENT NAME: GEOLOGY

NUMBER OF ALUMNI: 165

### Geology:

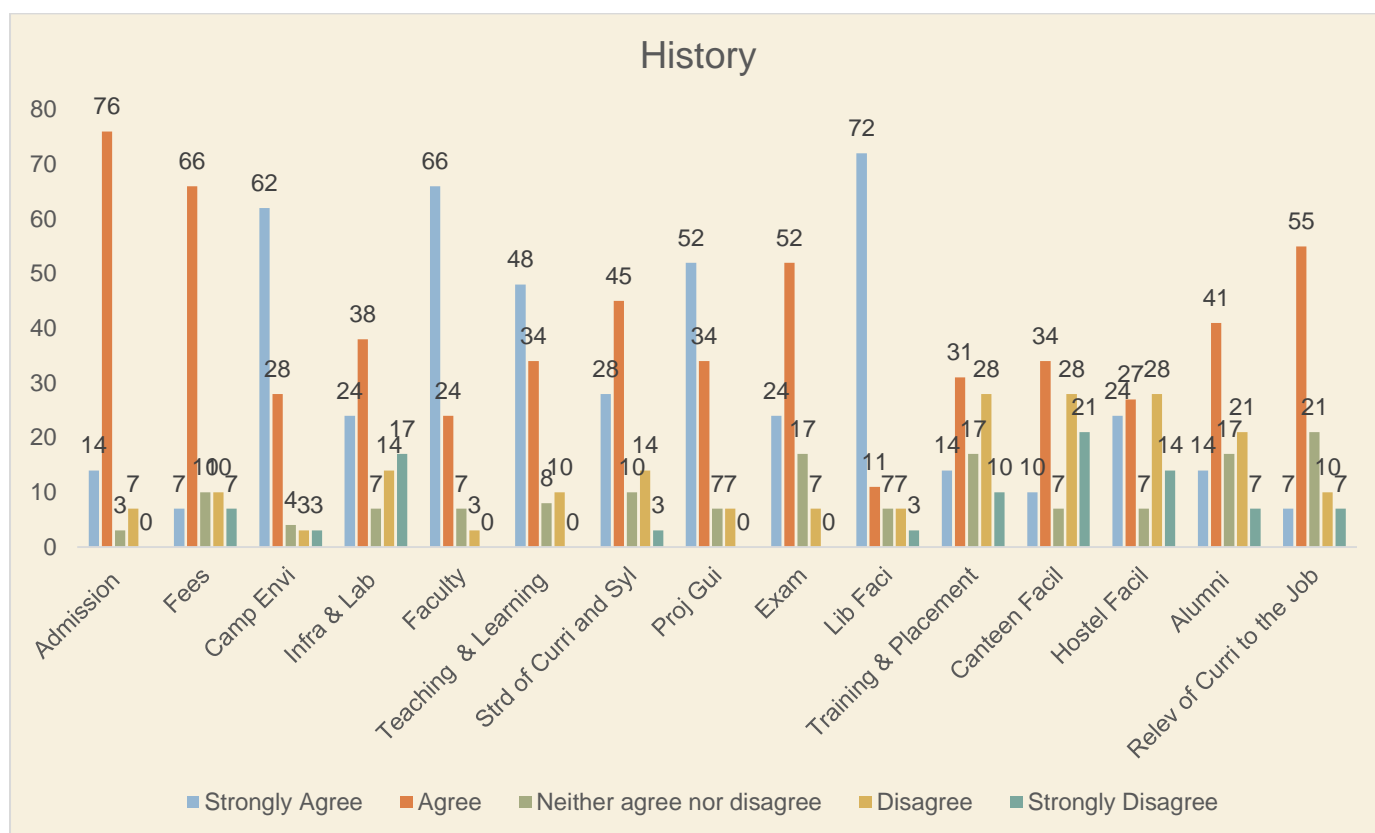

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Campus Environment, Faculty, Infrastructure and Lab facilities, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance, Examination System and Library Facilities.

More than 80% of the students have given responses as Strongly Agree and Agree for Training and Placement Canteen Facilities, Hostel Facilities, Alumni Interaction and Relevance of Curriculum to the Job.

7% of Alumni have given lower ratings for canteen facility.

## DEPARTMENT NAME: HISTORY

NUMBER OF ALUMNI: 29

### History:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Campus Environment and Faculty.

More than 80% of the students have given responses as Strongly Agree and Agree for Quality of Teaching and Learning Process, Project Guidance and Library Facilities.

Around 70% of the students have given responses as Strongly Agree and Agree for Fees Structure, Examination System and Standards of Curriculum and Syllabi.

Around 60% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities and Relevance of Curriculum to the Job.

30% of the students are not satisfied with the Training and Placement and 26% are disqualified with in Alumni interactions in the department.

## DEPARTMENT NAME: MATHEMATICS

NUMBER OF ALUMNI: 160

### Mathematics:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fees Structure, Faculty, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance and Examination System.

More than 80% of the students have given responses as Strongly Agree and Agree for Campus Environment, Library Facilities and Relevance of Curriculum to the Job.

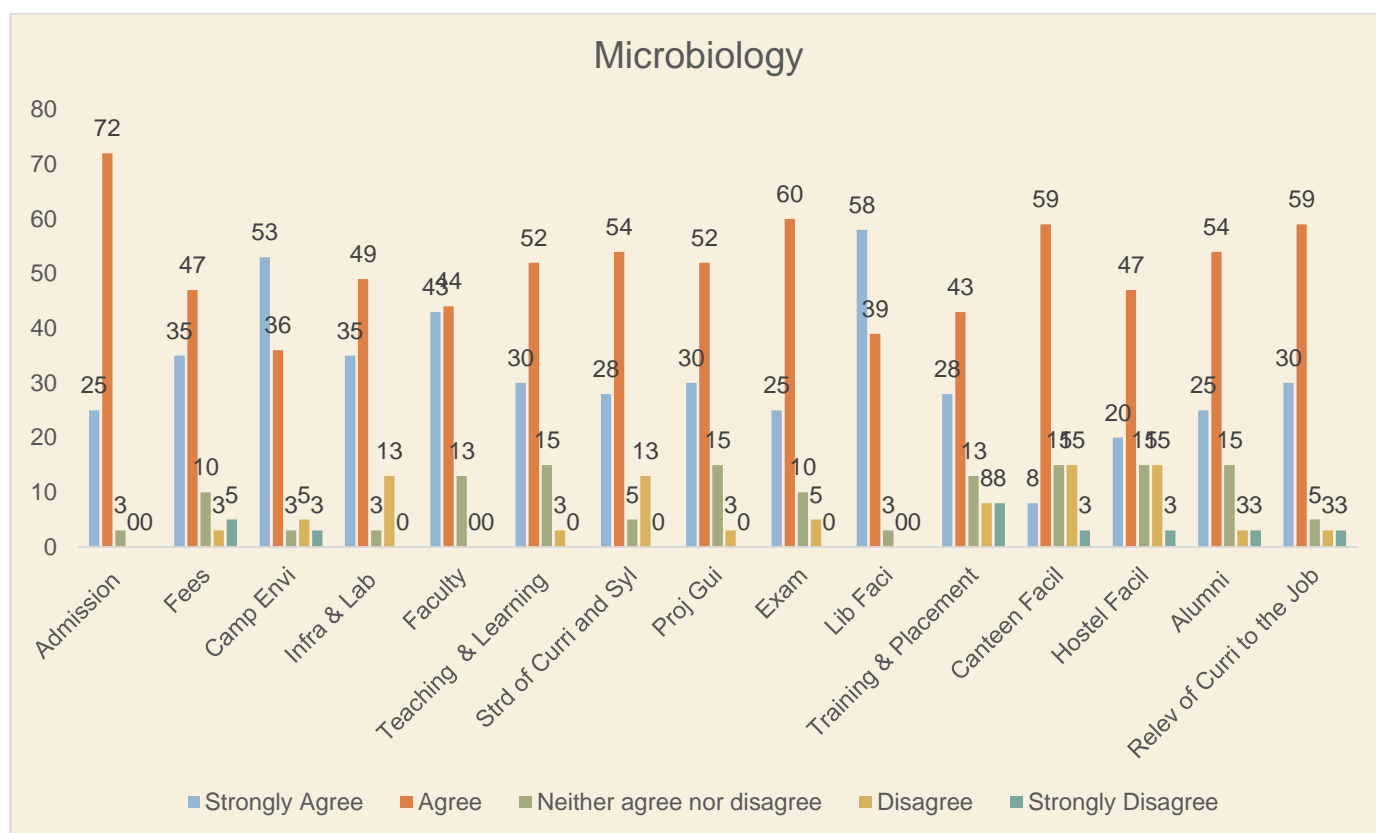

Around 70% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab Facilities, Hostel Facilities and Alumni Interaction.

16% of the students are discontented with the Training and Placement facility in the department.

Around 13% of the students have given low ratings for hostel and canteen facilities provided by the university.

## DEPARTMENT NAME: MICROBIOLOGY

NUMBER OF ALUMNI: 40

### Microbiology:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure and Library facilities.

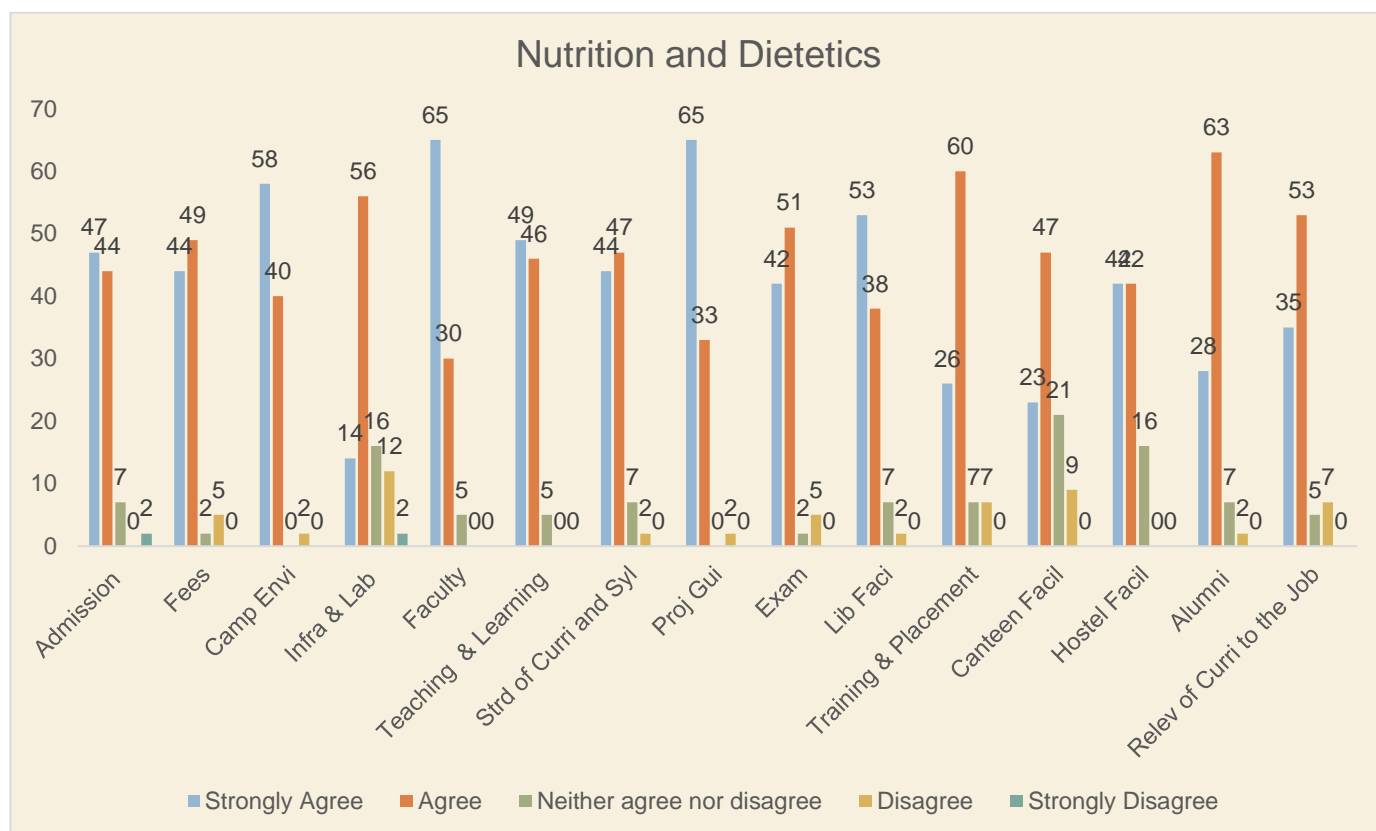

More than 80% of the students have given responses as Strongly Agree and Agree for Fee Structure, Campus Environment, Infrastructure and Lab facilities, Faculty, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance, Examination System and Relevance of Curriculum to the Job.

Around 70% of the students have given responses as Strongly Agree and Agree for Training and Placement and Alumni Interaction

Around 60% of the students have given responses as Strongly Agree and Agree for Canteen Facilities and Hostel Facilities.

## DEPARTMENT NAME: NUTRITION AND DIETETICS

NUMBER OF ALUMNI: 43

### Nutrition and Dietetics:

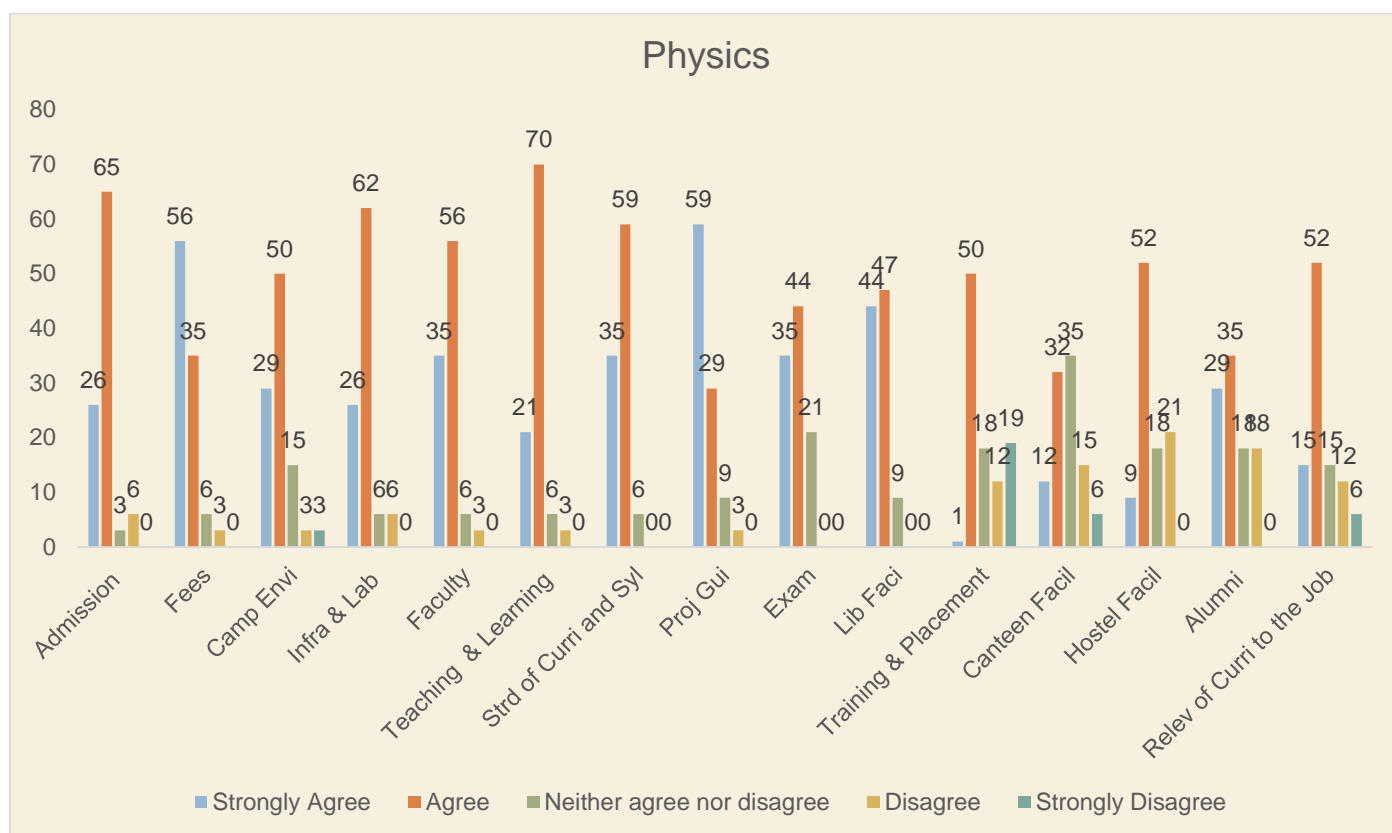

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Campus Environment, Faculty, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance, Examination System, Library Facilities and Alumni Interaction.

More than 80% of the students have given responses as Strongly Agree and Agree for Training and Placement, Hostel Facilities and Relevance of Curriculum to the Job.

14% of the students have given low rating for Infrastructure and Lab facilities in the department.

## DEPARTMENT NAME: PHYSICS

NUMBER OF ALUMNI: 34

### Physics:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Faculty, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi and Library Facilities.

More than 80% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities and Project Guidance.

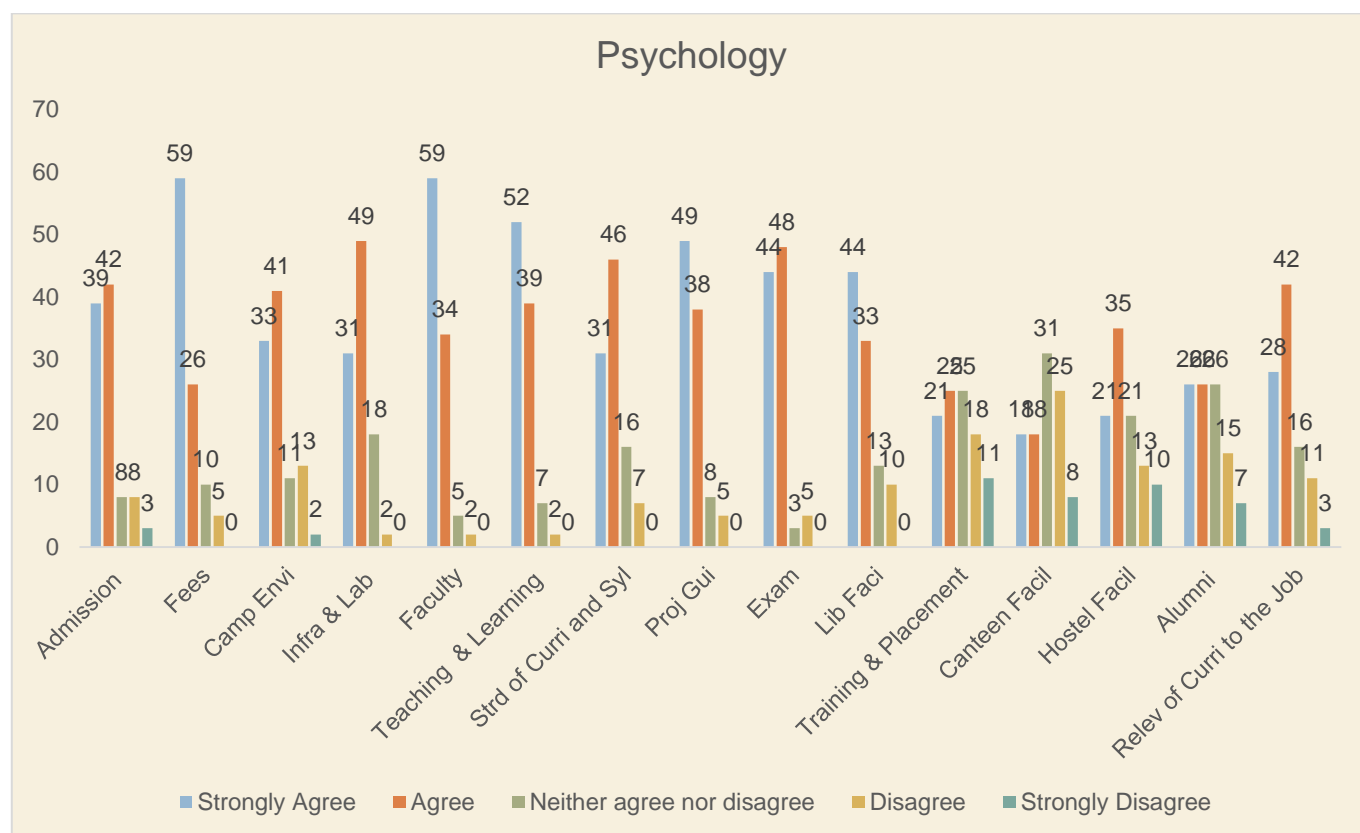

Above 70% of the students have given responses as Strongly Agree and Agree for Campus Environment and Examination System.

Above 60% of the students have given responses as Strongly Agree and Agree for Hostel Facilities, Alumni Interaction and Relevance of Curriculum to the Job.

Students have given 31% Training and Placement and hostel and canteen facilities have been rated low with 31% and 21% respectively.

## DEPARTMENT NAME: PSYCHOLOGY

NUMBER OF ALUMNI: 61

### Psychology:

More than 90% of the students have given responses as Strongly Agree and Agree for Faculty, Quality of Teaching and Learning Process and Examination System.

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Infrastructure and Lab facilities and Project Guidance.

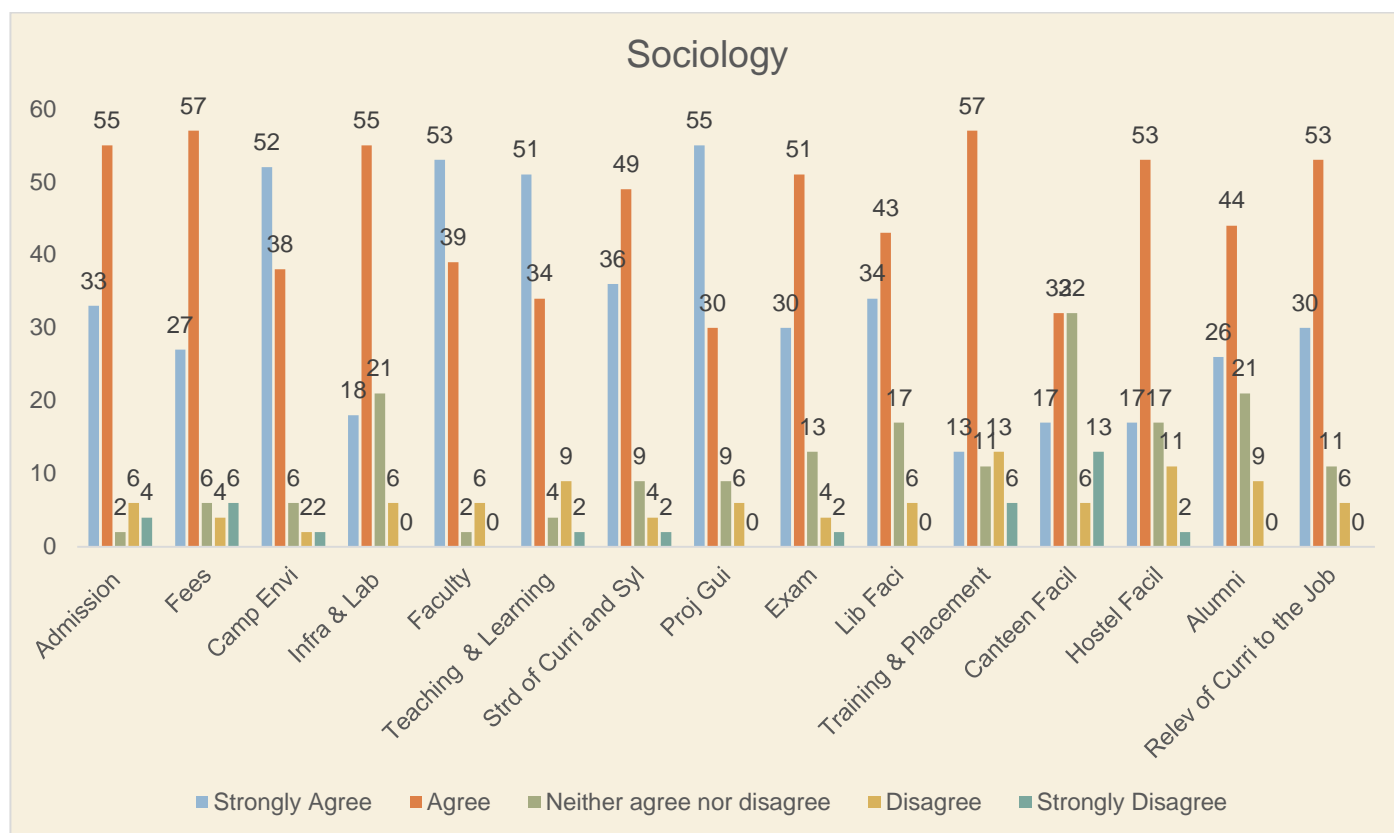

More than 70% of the students have given responses as Strongly Agree and Agree for Campus Environment, Standards of Curriculum and Syllabi, Library Facilities and Relevance of Curriculum to the Job.

More than 50% of the students have given responses as Strongly Agree and Agree for Hostel Facilities and Alumni Interaction.

Around 30% of the students are unsatisfied with the Training and Placements in the department.

## DEPARTMENT NAME: SOCIOLOGY

NUMBER OF ALUMNI: 47

### Sociology:

More than 90% of the students have given responses as Strongly Agree and Agree for Faculty and Campus Environment.

More than 80% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Fee Structure, Quality of Teaching and Learning Process, Standards of Curriculum and Syllabi, Project Guidance, Examination System and Relevance of Curriculum to the Job.

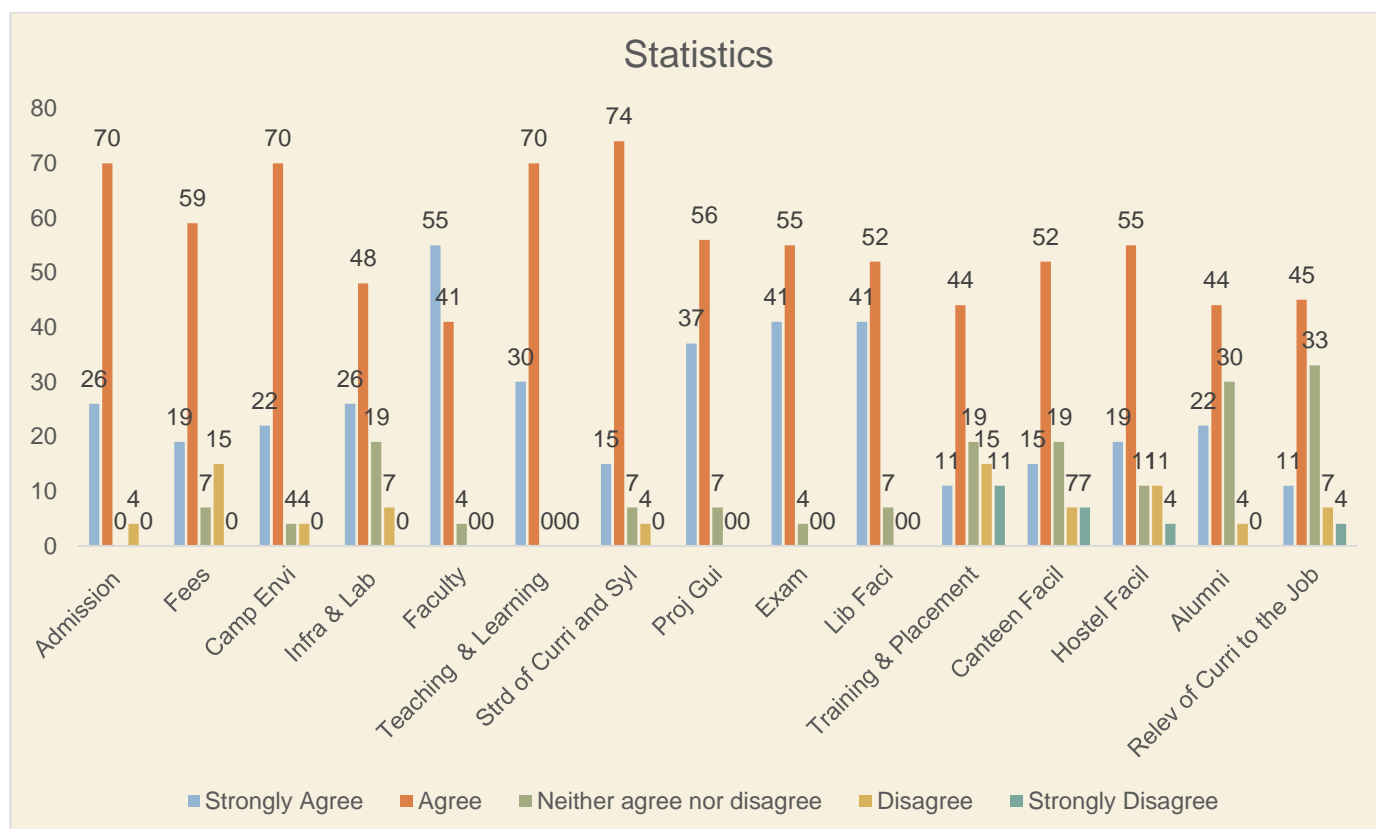

More than 70% of the students have given responses as Strongly Agree and Agree for Infrastructure and Lab facilities, Library Facilities, Training and Placement, Hostel Facilities and Alumni Interaction.

19% of the students have given responses as low ratings for Canteen Facilities.

## DEPARTMENT NAME: STATISTICS

NUMBER OF ALUMNI: 27

### Statistics:

More than 90% of the students have given responses as Strongly Agree and Agree for Admission Procedure, Campus Environment, Faculty, Quality of Teaching and Learning Process, Project Guidance, Examination System and Library Facilities.

More than 80% of the students have given responses as Strongly Agree and Agree for Standards of Curriculum and Syllabi.

More than 70% of the students have given responses as Strongly Agree and Agree for Fee Structure, Infrastructure and Lab facilities and Hostel Facilities.
