## 1. FEEDBACK FROM STUDENTS

The feedback on curriculum from students is taken every year. The Student feedback covers learning values (in terms of skills, concept, knowledge, analytical abilities), applicability/relevance to real life situation, Course content, extent of coverage, and additional information regarding Curriculum. The feedback is assessed rigorously analysed by IQAC Committee and the (Action taken report) comments of the feedback is shared with respective departments, prior to Board of Studies meeting held for Curriculum updating and other Curriculum related works.
