**Analysis of Alumni Feedback and
Action Taken Report on Design and Review of syllabus
[2015-16 to 2019-20]**

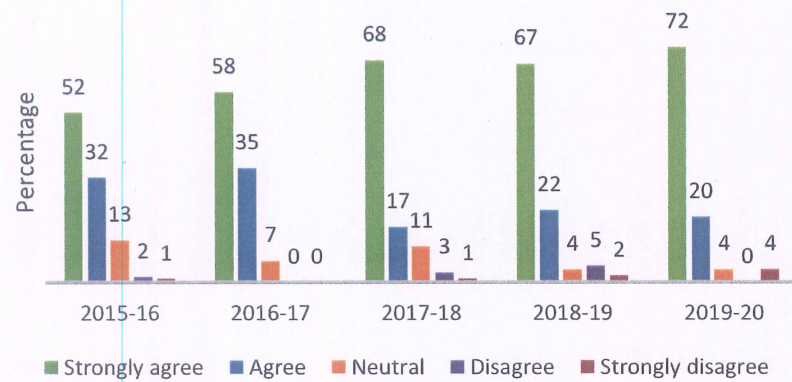

Reading materials were available at library/
internet/others

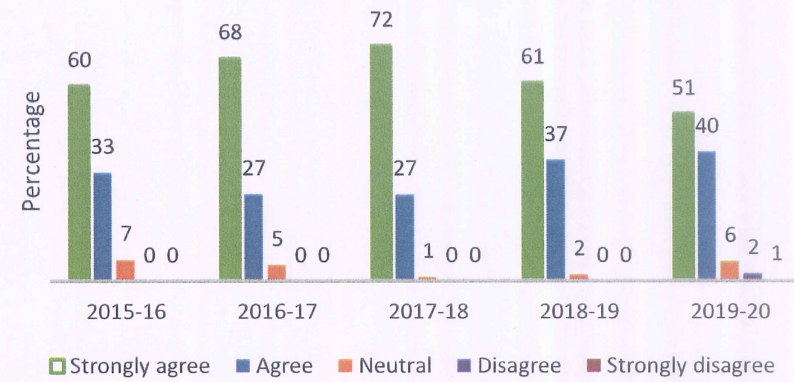

Career counseling and guidance were
effective

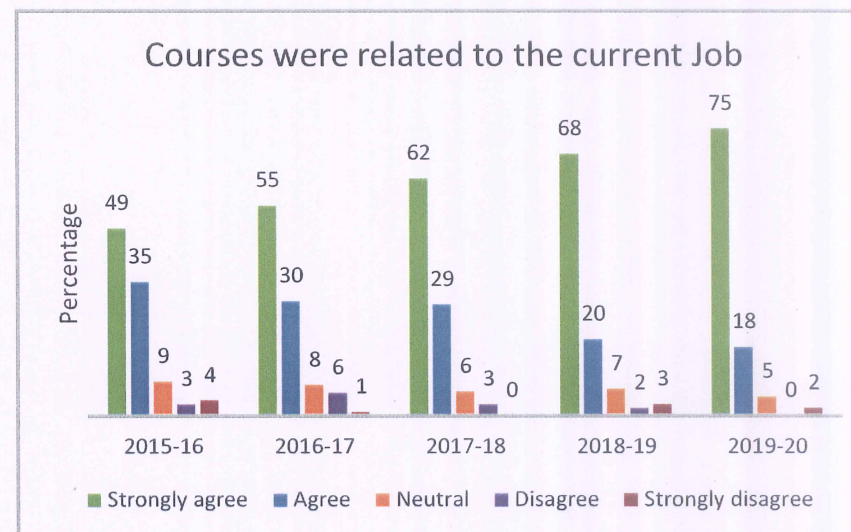

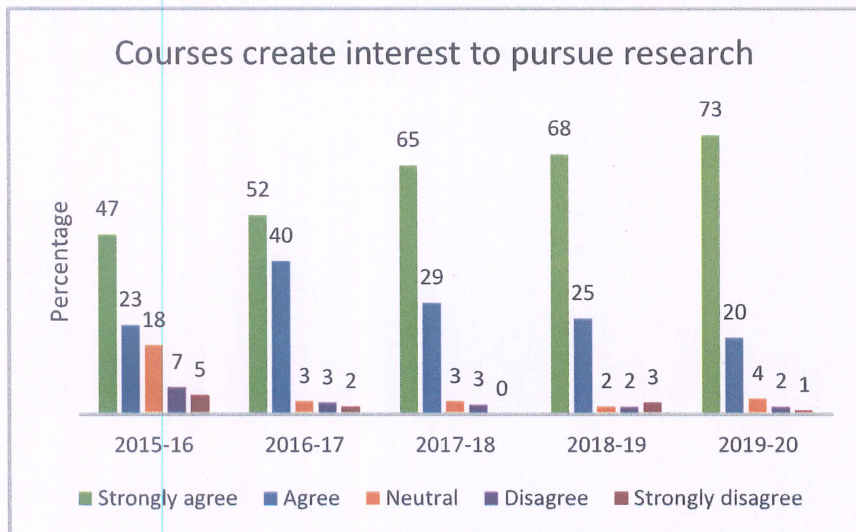

Course of the study was relevant to the real
life application

Learning experience in the terms of
teaching and learning was good

S.No	OBSERVATION	ACTIONS TAKEN AND ITS IMPACT
1.	<p>Career counselling and guidance were effective</p> <p>Alumni have suggested that the University may conduct training programmes on Career Guidance and Counselling for the benefit of the students in the year 2015-16.</p>	<p>Action taken: IQAC has directed Career Guidance Cell and Centre for Civil Services and UGC NET Examinations to provide training programmes.</p> <p>Impact: In addition to the regular curriculum, there are ongoing trainings for TNPSC, UPSC and NET/SET Exams for the benefit of students through these cells. TNPSC free Coaching Cell in collaboration with Tamil Nadu employment office is functioning from 2019 onwards to provide free coaching to the students. A total of 145 candidates have cleared competitive exams like UGC NET, SET, TNPSC, TOFEL from 2016-17 to 2019-20. Students have also enrolled in National Career Service portal of MHRD.</p>

2.	<p>Course of the study was relevant to the real-life applications</p> <p>There were recommendations in the year 2015-16 to offer Psychology-related courses to face real-life challenges and overcome problems in both professional and personal life.</p>	<p>Action taken: IQAC has communicated to all the heads of the departments to include Psychology chapters in the courses and supportive courses so that students can face challenges in personal-professional life.</p> <p>Impact: The University has included a wide range of Psychology-related chapters in courses such as Sociology of Health, Social Problems in India, Personality Development, Advanced Clinical Biochemistry, Food and Medical Biotechnology, Organisational Process, Human Resource Management, Consumer Behaviour, Human Resource Training and Development, Sociological and Psychological Theories of Mass Communication, Clinical Nutrition and Dietetics - I, Nutrition for Sports and Exercise, Advanced Educational Psychology, Nutrition in Life Cycle and Nutrition for the community. Besides, the department of Psychology offers supportive courses such as Positive Psychology and Psychology of Personal and Professional Development.</p>
3.	<p>Skill related courses were included in the Programme</p> <p>In 2017-18, alumni felt that skill related courses shall be introduced.</p>	<p>Action taken: IQAC has communicated to all the BOS Chairpersons to include skill-oriented courses in their curriculum.</p> <p>Impact: Skill-based courses are incorporated into many programs of the University. In addition, the department of Food Science and Nutrition introduced an integrated NSDC Qualification pack of Processed Food Entrepreneur and Sports Nutritionist in M.Sc. Food Science, Technology and Nutrition from the academic year 2018-19 onwards.</p>
