WORKSHOP ON SOFT SKILLS
A-Report**

Date: 02.08.2018 & 03.08.2018

Venue: Seminar Hall, Department of Microbiology

The workshop on Soft skills for the students witnessed a grand opening ceremony by the Honourable Vice Chancellor Prof Kolandaivel on 2nd August 2018 at the department of Microbiology, seminar hall. The function was attended by all the faculty members of microbiology department as well as by the postgraduate students and research scholar of the department. The Welcome speech was given by Dr R.Balagurunathan, Professor & Head, who welcomed the gathering. The Vice chancellor in his inaugural address stressed the importance of soft skills and asked the students to make the best use of this opportunity to learn from the resource person. The vote of thanks of the Inaugural Programme was given by Dr R.Dhandapani, the programme coordinator who thanked the Vice Chancellor and the resource person for coming a long way to help the students. The First session was started by Dr S.R.M.Sokkalingam, Programme Director, Versatile Corporate solution, Egmore, Chennai who introduced the learning of English and its importance. The afternoon sessions were mainly activity based learning by dividing the participants in to smaller groups and assigning the activity to make the learning process easy and effective. The afternoon session witnessed a talk on "Time and stress management". The Team Building and Leadership skills were explained by Mr Jagadesh, Metro Expertise, Coimbatore. The Workshop went for two successive days and ended with the valedictory function which was attended by Mr Satish Kumar, Manager, Pfizer pharmaceuticals, Chennai. In his Valedictory address he stressed the importance of learning pharmaceutical microbiology, importance of skill development and asked the students to concentrate on practical aspects rather than studying the theory aspects for getting job in to pharmaceutical companies. This two day workshop witnessed 58 postgraduate students and 30 scholars from the microbiology department as the participants.

“Incubation-2016”

Incubation-2016 an orientation programme started for Enhancing Employability Skills through narrating the scope and features of management education, organized by PRIMS, Periyar University, Salem, between 11-07-2016 to 22-7-2016 in the University Campus. The inaugural ceremony has kick started today this morning (11-7-2016). Dr.P.Thirumoorthi, Assistant Professor, PRIMS welcomed the gathering. In his presidential address the Vice-Chancellor stated that the our university has tremendously brought many facilities for equipping the young minds in terms of meeting the global corporate demand and society as well. Hence students should understand the value of this course in university campus. He further insisted the students that, if they acquire right managerial skills and traits as required by the corporate world while they are learning itself, their chance of getting right kind of job is very bright and cannot be denied by any one. Dr.N.Rajendhiran, Professor cum Director, give away the presidential address. Dr.S.Balamurugan, Assistant Professor Proposed the Vote of Thanks.In this event Faculty Members Dr.G.Yoganantham Dr.T.Sarathy, Dr.R.Subramaniya Bharathy and Dr.M.Suryakumar and research scholars and first year management students were present during the Inaugural function.

Hands on Training in R Statistical Tools for Life Science Researchers

January 21 & 22, 2016

Organized by
Department of Environmental Science
School of Life Sciences
Periyar University
Re-accredited with 'A' Grade by NAAC
Periyar Palkalai Nagar, Salem – 636 011,
Tamil Nadu, India.
Ph: 0427-2345766 (Ext. 239 & 240)
Fax: 0427-2345124
Web: www.periyaruniversity.ac.in

About the University

Periyar University was established at Salem on 17th September 1997 by the Government of Tamil Nadu. The University has taken rapid strides and is emerging as one of the leading Universities. The vision of the University is to impart knowledge to the society through formal and informal modes and to contribute to nation building. Periyar University is re-accredited with 'A' grade by the NAAC with a CGPA of 3.15 in a four point scale. At present, the University has five Science schools and three Arts schools comprising 25 Departments which offer 26 PG programmes and 24 research programmes. Besides, the University offers 35 diploma, 16 PG, diploma, 8 certificate and 15 professional programmes. Besides the departments, the University has established exclusive centres for Biodiversity and Forest Studies, Geoinformatics and Planetary Science, Instrumentation and Maintenance Facility, Nanoscience, Tamil Computing, Women and Vivekanandha Studies. Currently, 92 colleges are affiliated to Periyar University from the districts of Salem, Namakkal, Dharmapuri and Krishnagiri which caters to the needs of students from rural areas and down-trodden sections of society. More than 1.5 lakh students have enrolled for various undergraduate and postgraduate programmes offered by Periyar University and its affiliated colleges.

About the Department

The Department of Environmental Science (School of Life Sciences) was created in 2011 with the aim of providing innovative knowledge and awareness to the students with the scientific principles, concepts, and methodologies required to understand the interrelationships of the natural world, to identify and analyze environmental problems both natural and human-made, to evaluate the relative risks associated with these problems, and to examine alternative solutions for resolving or preventing them. The Department has established well equipped laboratory to gain more practical knowledge. On behalf of PENGREEN (Periyar University Environmental Science Association), the Department has conducted National seminars, special

lecture series, lecture cum demonstration programmes with advanced equipments in collaboration with Tamil Nadu Pollution Control Board (TNPCB) and industrial visits which strengthened the students' views and knowledge in various environmental issues. Also, the postgraduate students and research scholars in Environmental Science in this University get an exposure to varied subjects such as Biodiversity and Conservation, Environmental Biotechnology and Microbiology, Environmental Impact Assessment (EIA) and Disaster Management, Remote Sensing and GIS, Global Climate Change Issues and Conservation of Natural Resources. The Department is striving for industry partnership and collaboration with Foreign Universities, which enable the students and scholars to have direct exposure to industrial careers through internships, scholarships and fellowships.

About the Training:

Statistics have proven to be an invaluable tool in modern biological history. Biological studies often involve studying extremely small microbes and its microscopic properties to larger biodiversity studies, scaling from molecular analysis, laboratory based analytical works to species surveys and field works. Putting the data sets of extensive research work into statistical form and inferring valuable information from then becomes very crucial.

Basic statistical concepts help biologists correctly prepare experiments, verify conclusions and properly interpret results. Many biology courses of study require a course in biostatistics that covers such concepts as randomized trials, hypothesis testing and the use of statistical software. So far we have been practiced to use various types of Softwares (SPSS, MATLAB, Python etc..) for interpreting our datasets. At this juncture, R statistics - Recently developed tool for statistical applications proves to be more robust; user friendly and freely available software catering to all our statistical application needs.

In line with this context, this hands on training program aims to introduce, train and to provide, a real time working experience in R program to the young researchers and

academicians involved in length and breadth of life science research. Extreme focus will be given to the participants to understand the core theme of applying appropriate statistical tool for their datasets.

Specific statistical data analyses requirements for Ph.D scholars will also be addressed individually. We strongly believe that this hands on training program will be extremely useful in understanding the biostatistical tools and their applications and will drive out the fear of statistics for life science researchers.

Participants

Academicians/Scientists/Research Scholars and PG Students of all life science courses such as Environmental Science, Botany, Zoology, Microbiology, Biotechnology, Biochemistry, Food Science and other relevant courses having crucial need/requirements of statistical tools for their research outputs.

Registration

The duly filled registration form may be sent along with the registration fee by non-refundable Demand Draft (DD) in favor of The Head, Department of Environmental Science, Periyar University payable at Salem, Tamil Nadu or through Online Bank Transfer (The Head, Department of Environmental Science, Periyar University A/c No. 8450101002661, IFSC Code: CNRB0008450 CANARA BANK)

Participant	Registration fee	Last Date for Registration
Faculty, Scientists & Delegates	Rs. 300/-	January 19, 2016
Students & Research Scholars	Rs. 200/-	

Important Note:

- The number of Participants is restricted to 50 on first come first serve basis for effective interaction and training.
- Accommodation will be arranged based on request on charge basis.
- Registration fee include working lunch & refreshments for both days.

Hands on Training in "R Statistical Tools for Life Science Researchers"

21 & 22 January 2016

Report of the Program.

Hands on Training in "R Statistical Tools for Life Science Researchers"

were started as a venture to provide a platform to life science researchers to understand the statistical tools for presenting their research data. To enhance effective one to one training; we restricted the participants strength to 50. In total 54 students registered for the program, out of which three students were MPhil Scholars, 12 students were pursuing their MSc and 16 students were PhD Research Scholars of Periyar University Departments. Remaining participants were from outside Periyar University

The two days program started with the inaugural function presided over by Dr. S. Kannan; Coordinator; School of Life sciences and head Dept of Zoology and special address was delivered by Dr. R. Nagarajan the resource person of the event. Both of them insisted about the significance of the statistical tools for life science research and appealed the participants to make use of the opportunity.

Dr R. Nagarajan from AVC College and Dr. R. Muthukrishnan from Bharathiar University served as the resource persons for this two days training programme. Dr. Nagarajan delivered lectures on different statistical tools starting from descriptive statistics to multi variate analyses; their applications and limitations in two sessions. Dr. R. Muthukrishnan along with his research scholar Mr. Boopalan provided efficient training on Basics of R software; Data visualization; Hypothesis testing and statistical modeling.

Through this program all the participants had a chance to understand the need for the statistics and trained to use R software for all their data sets. All the participants were provided with essential handouts; system facilities and other amenities to ensure effective training and interaction.

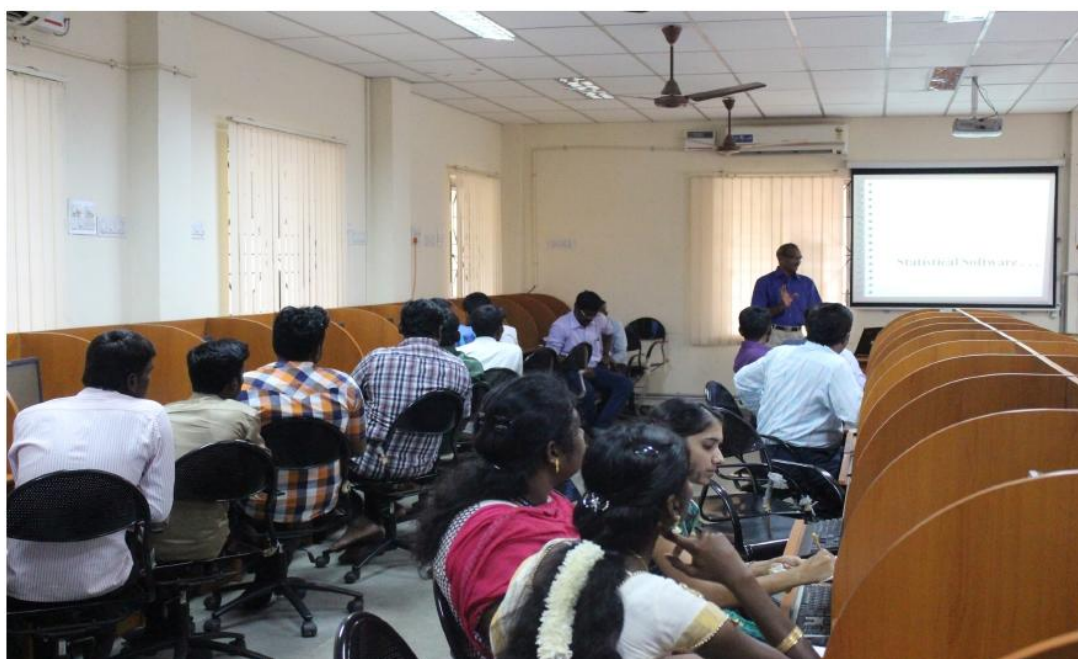

Dr. P. JAYANTHI, M.Sc., Ph.D.,
Assistant Professor
Department of Environmental Science

Hands-on Training on R Programming given to students

Workshop on R Programming Language - 10.09.2015 & 11.09.2015

Workshop on "R Programming language was organised during the month of September 2015. Dr. G. Arivarignan, CSIR – Emeritus Scientist Madurai Kamaraj University, Madurai has been invited as resource person for this workshop. The programme was started on 10.09.2015 at 10.30 am in the seminar hall. Dr. C. Selvaraj, Cluster Head, School of Mathematics welcomed the gathering in the inaugural function. Honourable Vice chancellor Prof. C. Swaminathan delivered the inaugural address. The resource person of this workshop elaborated the concepts of R programming with hands on training. Prof. Dr. K Thangavel, Head of the Department of Computer Science concluded the inaugural function with vote of thanks. The second session of the day one started with installation of R language and along with some practices given to the scholar. The day one ended with hands of training with some practical exercises. The second day programme was started with question session and the scholars were raising different question on R language. After the question session, the resource person gives hands on training to the scholars to do some statistical analysis. In the second session, the package and its usage was clearly explained by the resource person with the study material. About 72 students attended and got benefited.

Dr. K. Thangavel, M.Sc., M.Phil., Ph.D., MCA
Professor and Head,

Softskill Training for Students – 20.08.2015

IQAC along with the Department of sociology organised one day soft skills training for the students on 20th August 2015. Dr. C. Venkatachalam, Professor and Head, Department of Sociology welcomed the dignitaries and the participants. Dr. Sundara Raj T. Organising Secretary of the Soft skills Training programme for Students, Periyar University to explained about the programme. Professor Dr. S. Kannan Co-ordinator, Internal Quality Assurance Cell, Periyar University delivered the inaugural address expressed his deep concern and invited all the students to develop soft skills while they pursuing in their studies and courses. He said that would enhance their future with talents and abilities to be good communicators both in writing and speaking.

The training programme had four sessions the first session on importance of soft skill development in education and handled by Dr. B. J. Geetha, Assistant Professor, Department of English, Periyar University. She explained in detail meaning and relevance of learning the soft skill in life. The session was very informative and useful all the students. The second session on the Lateral Thinking for Successful Life-SoftSkill Education was taken by Rev. Fr. J. Vimal, Assistant Professor, Department of Journalism and Mass Communication, Periyar University. The session was informative and he in detail explained the ways of doing academic works with lot of creativity by using the soft skills. The third session on New Trends in Media and Information and Communication Technology (ICT) in Education was given by Mr. S. Satheesh, Assistant Professor, Department of Computer Science, Periyar University. He explored the ways of using the computer in studies to better academic performance better. The last on Academic Writing skills was handled by Dr. Shilpa Gopal, Principal and Faculty in Management, Vasan Institute of Ophthalmology and Research, Salem. She explained about various steps in writing papers and developing the skill writing academic papers. All the resource persons presented, disclosed in clear and distinct manner on their topics. The students felt as a hole the day for was very fruitful and useful. They were given certificates at the end of the sessions for participating in programme. About 145 students participated and benefited through the programme.

Dr. C. GOBALAKRISHNAN, Ph.D.,
Assistant Professor & Head i/c
Department of Sociology
Periyar University
Salem - 636 011. TN, India.

Softskill Training for Students – 20.08.2015

Periyar University
Internal Quality Assurance Cell
SOFT SKILL TRAINING FOR STUDENTS

Venue: Department of Sociology

20th August 2015 **INAUGURAL FUNCTION** Time: 11.00 a.m.

Welcome Address : **Dr. C. Venkatachalam**
Professor and Head,
Department of Sociology,
Periyar University.

Inaugural Address : **Prof. Dr. C. Swaminathan**
Hon'ble Vice-Chancellor,
Periyar University,
Periyar Palkalai Nagar, Salem.

About the Programme : **Dr. T. Sundara Raj**
Organising Secretary &
Assistant Professor,
Department of Sociology,
Periyar University.

Vote of Thanks : **Dr. S. Kannan**
Co-ordinator,
Internal Quality Assurance Cell,
Periyar University.

Sessions

12.00 noon : **Importance of Soft Skill Development in Education**
Dr. B.J. Geetha
Assistant Professor
Department of English
Periyar University

1.00 p.m. : **Lunch**

2.00 p.m. : **Lateral Thinking for Successful Life –Soft Skill Education**
Mr. J. Vimal
Assistant Professor
Department of Journalism and Mass Communication
Periyar University

3.00 p.m. : **New Trends in Media and Information and Communication Technology (ICT) in Education**
Mr. S. Satheesh
Assistant Professor
Department of Computer Science
Periyar University

4.00 p.m. : **Academic Writing Skills**
Dr. Shilpa Gopal
Principal and Faculty in Management
Vasan Institute of Ophthalmology and Research
Salem
