**National Workshop on
Differential Equations and Applications
(NWDEA-2017)**

March 9-10, 2017

Organized by

**DEPARTMENT OF MATHEMATICS
(Supported by UGC-SAP & DST-FIST)
PERIYAR UNIVERSITY
(Reaccredited with "A" Grade by NAAC)
SALEM – 636 011**

About the University

Periyar University was established in September 1997 in the name of “Thanthai Periyar”, a great social reformer of Tamil Nadu, to cater the educational needs of the people in Salem, Namakkal, Dharmapuri and Krishnagiri districts. The university aims at developing knowledge at various fields to realize the maxim inscribed in the logo “Arival Vilayum Ulagu”. Recently, the University is reaccredited with 'A' Grade by the NAAC with CGPA 3.15.

About the Department

The Department of Mathematics is one of the Departments functioning from the inception of Periyar University. The Department offers programmes of study and research leading to M.Sc., M.Phil., and Ph.D. degrees and is on a relentless march towards academic excellence. It is also supported by UGC-SAP and DST-FIST. The Department conducts various research activities in the following areas:

- ♦ Algebra
- ♦ Graph Theory
- ♦ Differential Equations
- ♦ Control Theory
- ♦ Numerical Analysis
- ♦ Mathematical Biology

Theme

Differential equations are a basic yet powerful mathematical apparatus for studying the dynamics of the real world phenomena. These equations, when used as models and combined with information technology tools, allow us to conduct theoretical investigations and to predict the behavior of real systems. The main aim of this workshop is to bring together Indian mathematicians working in Differential Equations to learn a good mathematical background for their research and to update themselves with the latest in the field of differential equations.

Venue & Location

The Workshop will be held at the Department of Mathematics, Periyar University, Salem. Salem is well connected by both road and rail. The University is situated in the Bangalore - Kanyakumari National Highway (NH 7) at a distance of 10 Kms North West of Salem and 350 Kms South West of Chennai in the Chennai - Coimbatore Railway line. Places of interest nearer to Salem are Yercaud (30Kms) and Hokenekal (65Kms).

Registration Fee

Registration fee is mandatory for all participants and Rs.500/- has to be paid in the form of DD drawn in favour of “Organizing Secretary, NWDEA-2017” payable at Salem. The Registration fee includes working lunch, refreshment and workshop materials.

Accommodation

Paid accommodation can be arranged in the university guest house or nearby hotels on prior request.

Correspondence

The registration form along with DD should be sent to the following address on or before **28.02.2017**:
